R.W. BRO. N. R. RICHARDS

A BRIEF BIOGRAPHY OF OUR GRAND MASTER

Norval Richard Richards is one of four sons and two daughters of the family of the late Richard A. Richards and Annie L. Patterson. Born in the hamlet of Kinlough, he spent his boyhood years on his father's farm near the town of Lucknow, in Bruce County. Over the years he has retained a deep respect and love for the rural countryside.

He benefited from the primary and secondary school systems of his home community before pursuing further education at the Ontario Agricultural College, then affiliated with the University of Toronto. Postgraduate studies followed at Michigan State University.

In 1950 he married the former Mary Katharine Greer, and together they established a home in Guelph where they continue to reside. They are members of Dublin Street United Church. Their two sons, Robin, a resident physician training in orthopaedic surgery, and Gregory, a graduate in law, both live in Toronto.

Professor Richards has been associated with the University of Guelph in teaching, research, and administrative capacities. At various points in his career he has been a Professor, Chairman of a Department, and Dean of the Ontario Agricultural College. His chosen area of interest is land resource science where his efforts have been recognized through fellowships granted to him by the Agricultural Institute of Canada and the Soil Conservation Society of America. Quebec's Laval University awarded him an Honorary Doctorate in 1967.

Having been initiated into Waverley Lodge No. 361 G.R.C. in 1943, he was installed as Worshipful Master in 1952 and again in 1953. He was appointed Assistant Grand Director of Ceremonies after he served as a District Secretary in 1956-1957. In 1965 he received an appointment

to the Board of General Purposes and has served continuously on it since that time. While on the Board he has been active as a Chairman of the Committee on Masonic Education, a member of the Committee on Benevolence, and a director of the Masonic Foundation of Ontario. After his election to the office of Deputy Grand Master in 1977, he became President of the Board of General Purposes. At the 124th Communication of Grand Lodge he was installed as the Grand Master of the Grand Lodge of Canada in the Province of Ontario.

In Scottish Rite Masonry Professor Richards has served as presiding officer of Royal City Lodge of Perfection, and the Guelph Chapter of Rose Croix. He is a member of Moore Sovereign Consistory, Hamilton, and was crowned an active member of Supreme Council in 1974. A member of the Royal Arch Masons, Guelph Chapter, he was appointed Grand Senior Sojourner at the Annual Convocation of the Grand Chapter of Royal Arch Masons held in 1979 at Niagara Falls, Ontario. At the present time he is Deputy Provincial Grand Master of the Royal Order of Scotland.

Participation in Masonry has occupied a large part of our Grand Master's extracurricular activities. He is anxious to express his deep gratitude to the brethren for the opportunity and privilege of working with them in the interests of Ancient, Free and Accepted Masonry, and to serve as their Grand Master.

GRAND MASTER'S ADDRESS

To the Officers and Members of the Most Worshipful Grand Lodge, A.F. & A.M. of Canada, in the Province of Ontario.

My Brethren:

One year ago, I began my Address with this quotation:
"I among all men am most richly Blessed"

Today these same words ring even louder for the Most High has again richly Blessed your Grand Master! I stand before you this morning most humble and indeed very thankful. Humble when I think of the many blessings that have been mine to enjoy and profoundly thankful to the Almighty for giving to me the wisdom and strength necessary to serve as your Grand Master.

WELCOME

Welcome to the 124th Annual Communication of the Most Worshipful Grand Lodge A.F. & A.M. of Canada, in the Province of Ontario. I extend a particular welcome to those Brethren attending for the first time. Most of our guests have travelled great distances to be with us. I or my representative have received the gracious hospitality of many of our distinguished guests and now it is our pleasure to reciprocate.

I trust everyone will enjoy his visit to this Grand Lodge Communication and that you may safely return to your homes, enriched by the time spent with your Brethren.

NECROLOGY

Owen Stephen to complete his term as District Deputy Grand Master, Toronto District 1. Bro. Stephen has made an outstanding contribution and I recommend he be granted the rank of Past District Deputy Grand Master.
- (3) Wor. Bro. William Covell, District Secretary to R.W. Bro. M. Y. Snook, District Deputy Grand Master of Windsor District, passed away suddenly on January 14, 1979. Bro. Covell discharged his duties with complete satisfaction and diligence. I recommend he be granted the rank of Past Grand Steward posthumously.
- (4) On June 15, 1978, Wor. Bro. W. R. Barr was installed Worshipful Master of Kerr Lodge, No. 230, Barrie. Bro. Barr presided in an excellent manner at all meetings up to and including March 15, 1979. He was then transferred by his employer to Saudi Arabia and tendered his resignation as Worshipful Master. In view

of his dedication and the circumstances leading up to his resignation I recommend he be granted the rank of Past Master.

- (5) Georgian Lodge No. 348, Midland, installed Bro. Wm. Poole as Worshipful Master on December 7, 1978. Subsequently, Bro. Poole accepted a position at Dalhousie University, Halifax. He resigned, an election was held and his successor installed on April 19, 1979. Because of the service rendered and the extenuating circumstances I recommend Bro. William Poole be granted the rank of Past Master.
- (6) Because of an amendment to the Bylaws of Harry L. Martyn Lodge, No. 696, Toronto, Wor. Bro. Barry Blain Towner served only 10 months as Worshipful Master. I recommend he be granted past rank.
- (7) Wor. Bro. Ervin M. Johnston was installed Worshipful Master of Hullett Lodge, No. 568, Londesboro and died June 12, 1978. He served well and faithfully. I recommend he be granted the rank of Past Master posthumously.
- (8) As a result of an amendment to the Bylaws Wor. Bro. Stephen Fellows of Abitibi Lodge, No. 540, Iroquois Falls, served only 9 months as Worshipful Master, from September 15, 1978, to June 1979. He served the lodge with distinction and I recommend he be granted the rank of Past Master.
- (9) Wor. Bro. William Sinclair of Burns Lodge, No. 436, Hepworth, was unable to be present on June 25, 1978, for installation as he had to go to Texas on a business course. Wor. Bro. Sinclair was installed Worshipful Master on September 12, 1978, and has fulfilled his duties in a very capable manner. I hereby recommend he be granted the rank of Past Master.
- (10) Waterloo Lodge, No. 539, Waterloo, installed Wor. Bro. John C. Brown as Worshipful Master on January 3, 1979 and due to ill health was unable to attend lodge in that capacity. Under extreme conditions Wor. Bro. Brown carried out his duties as best he could when he was called to the Grand Lodge Above on May 20, 1979. Under the circumstances I have no hesitation in recommending that the rank of Past Master be granted posthumously.

MASONIC DIVINE SERVICES

Once again I was privileged to attend and to participate in several Divine Services. I regret my trestle did not permit my acceptance of more invitations.

Worship is one of the most important facets of our lives and I heartily congratulate those Brethren who in worship seek to renew and indeed to strengthen the covenant of our forefathers.

SPECIAL EVENTS

This year has again provided a storehouse full of memories!

On October 25, 1978, I was pleased to accept an invitation tendered by the Oshawa Scottish Rite Club to share a most enjoyable evening with them in the company of our Lieutenant Governor of Ontario, Her Honour Mrs. Pauline McGibbon.

In January I was pleased to share, with Wor. Bro. Paul Curry and his Committee for Operation Lifeline, the joy of making the formal presentation of the Mobile Laboratory to Mr. Howard Taylor, President, and Dr. Wrobel, Provincial Director of the Red Cross Blood Transfusion Centre, Toronto. Congratulations to all those responsible for the most successful culmination of this great project.

February afforded the opportunity to represent you at both the All Canada Conference of Grand Masters, held in St. John, New Brunswick, and the North American Conference of Grand Masters, held in Colorado Springs, Colorado. Your officers played key roles in both of these Conferences. Our Deputy Grand Master gave the keynote paper in St. John; our Grand Secretary was Chairman of the Grand Secretaries' Conference in Colorado Springs and our Immediate Past Grand Master delivered the address at the Grand Secretaries' Conference Banquet.

Forty-two of the 43 Districts in this Jurisdiction favoured your Grand Master with invitations to attend Receptions in his honour. I am pleased to report my visitations are now complete and excellent Masonic Fellowship prevailed at each Reception. In Chatham District I was pleased to note the ingenuity of the Brethren, for along the highway on the Motel marquee was a unique "Welcome Grand Master Robert Davies" spelled out in lights.

Over 400 Brethren turned out in Shelburne on April 7, 1979, to welcome the Grand Master back to his home district — Grey.

The pleasure of representing you across the length and breadth of this Continent is second only to the memories of evenings spent with my Brethren here at home.

OVERSEAS VISITATIONS

In November 1978, I was pleased to be able to join a group of our members and their wives on a return Pilgrimage to the Holy Land. This proved once again to be a most rewarding experience and great Spiritual and Moral enrichment was shared by all. Old friendships were renewed and new friendships made among our Brethren in the Holy Land. Your Grand Master was received in Tel Aviv by M.W. Bro. Shomel Grosse, Grand Master of the Grand Lodge of Israel and the usual Masonic courtesies were extended.

During a stop over in Holland and at the invitation of the Acting Grand Master of the Grand Lodge of the Netherlands, Dr. Th. Boesman, a visit was made to the Grand Lodge Building in der Hague. Once again your Grand Master received a warm reception and a most interesting and enjoyable day was spent with our Brethren of the Grand Lodge of the Netherlands.

While in England and at the invitation of R.W. Bro. James W. Stubbs, Grand Secretary of the United Grand Lodge of England, I attended the Annual Investiture and Grand Festival in London. This was a gala event. The Most Worshipful the Grand Master, His Royal Highness The Duke of Kent, was on the throne. He personally invested all the Grand Lodge Officers, including his brother, His Royal Highness Prince Michael of Kent, the new Grand Senior Warden of the United Grand Lodge of England. The thrill of attending the Investiture and the Grand Festival, and especially being received and escorted to the East in the Mother Grand Lodge must rank high among my memories.

Your Grand Master was represented by M.W. Bro. James N. Allan at the International Masonic Festival in Sydney, Australia. M.W. Bro. Allan reports a most

remarkable gathering of over 10,000 Masons to officially open the new Masonic Centre in Sydney.

It should be noted that all of these overseas visits were made during vacations and at no cost to this Grand Lodge!

GRAND MASTER'S BANQUET

This year R.W. Bro. Donald M. Fleming, one who has served this Jurisdiction with distinction over the years, returns from Nassau to be our Banquet Speaker. I am sure R.W. Bro. Fleming's oratorical fame is well known to all and once again he will uphold and enhance the image of this great Banquet.

PAST GRAND MASTERS

The knowledge and wisdom of those who have graced the Grand East before me has been of invaluable assistance. My gratitude is extended to the Past Grand Masters who have been so helpful to me. Our most efficient Grand Secretary, M.W. Bro. J. A. Irvine; the Custodian of the Work, M.W. Bro. W. K. Bailey; and the President of the Board of General Purposes - the Deputy Grand Master - R.W. Bro. N. R. Richards, must receive a special thank you for their untiring efforts and assistance.

DISTRICT DEPUTY GRAND MASTERS

There can be no doubt of the importance of the role of the District Deputy Grand Master, as the Grand Master's personal representative in his District. The District Deputy Grand Masters have all been worthy representatives and I have received the utmost co-operation from each. I acknowledge the excellent work these men have performed as my representative during the past year and I thank them for their service to the Craft.

GRAND LODGE OFFICERS AND MEMBERS OF BOARD OF GENERAL PURPOSES

This year the Grand Lodge Officers and Members of the Board of General Purposes have displayed responsiveness to the needs of our Fraternity. Dynamic leadership and participation have been most evident. These talented and dedicated Brethren have rendered the service which renews and nourishes the Fraternity. Their energy and effort have meant so much and to each of them I say a sincere thank you.

MASONIC FOUNDATION OF ONTARIO AND PROJECT H.E.L.P.

Over one year ago the Masonic Foundation of Ontario was authorized to undertake a campaign to raise \$350,000.00 as a project to mark the 125th Anniversary of our Grand Lodge. Under the capable leadership of the President of the Foundation, M.W. Bro. W. K. Bailey, a worthy project was established and a strong central executive committee assembled with R.W. Bro. C. John Woodburn as Chairman. The rest of the story is now history, emblazoned in the hearts and minds of Masons throughout this Jurisdiction.

Project H.E.L.P. has not only reached and surpassed its monetary goal by over \$150,000.00 but has delivered more Masonic by-products than ever anticipated. H.E.L.P. has shown that our Masonic Brotherhood truly practices its philosophies and welcomes the challenges and opportunities of filling an area of human need. H.E.L.P. has served the need of hearing research and the by-products will serve to strengthen the Fraternity.

To R.W. Bro. John Woodburn, who, with the co-operation of his Committee, district leaders, lodge leaders and all Masons, has skillfully guided Project H.E.L.P. to such a resounding success, I say congratulations and thank you so much. A special thanks is directed to R.W. Bro. T. John Arthur, Secretary-Treasurer of The Masonic Foundation of Ontario for his untiring efforts in this regard.

125th ANNIVERSARY

We are about to embark upon the 125th year of Freemasonry in this Jurisdiction and anticipate publishing a new History of the Grand Lodge of Canada in the Province of Ontario. I trust the interest and enthusiasm displayed this year shall carry on, and with the guidance of the 125th Anniversary Committee, next year may again be a banner year.

LODGE BUILDINGS

It is pleasing to note many Lodges have building programs underway. Unfortunately all Lodges are not availing themselves of the guidance and professional expertise available from the Advisory Committee on Lodge Buildings and as a result often find themselves with a building that contravenes the various building codes in several areas. These predicaments then become difficult and sometimes costly to correct. Therefore, I cannot stress too strongly the importance of close co-operation with this Advisory Committee.

CANADIAN UNITY

As I visit other Canadian Jurisdictions, I am ever more conscious of the vastness of our country and the resulting problems of communication and understanding among our people.

Masonry, by its very nature, can and does contribute to better communication and understanding one with another. Our Fraternity has the potential to be a strong, unifying force among the people of our nation. To this end I would suggest, when next your lodge is contemplating establishment of fraternal visitations with another lodge, that serious consideration be given to travelling an East-West course across Provincial boundaries.

In this era of group discount and charter class fares, fraternal visitations with our neighboring Canadian brethren become even more attractive and the resulting friendships made could contribute immensely to the unity of our country.

LONG RANGE PLANNING COMMITTEE

A year ago, I cited the need for a Long Range Planning Committee and requested the Deputy Grand Master, R.W. Bro. N. R. Richards, to assume the responsibility of forming this Committee.

The Deputy Grand Master reports that this subject was thoroughly reviewed at the fall regional Board Meetings and many thought-provoking comments and suggestions re the composition, aims and objectives of said Committee have been received.

R.W. Bro. Richards has now made several positive recommendations and plans to establish this Committee for the year 1979-80.

REVISION OF THE CONSTITUTION

This Committee, under the chairmanship of M.W. Bro. W. K. Bailey, has worked long and hard to bring to this Communication a revised Constitution reflecting your Masonic expertise. The Committee has made every effort to incorporate your thoughts and ideas into the final draft copy and I commend them on their faithful work, which surely has been a labour of love.

To the five Brethren responsible for this great work, I say a most sincere "thank you".

PROBLEMS

From time to time differences of opinion have arisen in some of our Lodges. In many cases the problem seems to stem from a lack of knowledge of the Book of Constitution or an improper interpretation of the various sections.

Section 159 is often inadvertently overlooked and I would remind you to observe this section carefully. "All monies" means just that - *all* money. "The Accounts" in the third line is plural and also means just that - *all* accounts. If this section were to be observed to the letter, I am sure many of the problems would not occur.

I would urge all officers and members to become familiar with the Book of Constitution.

Another area of concern to your Grand Master has been the vindictiveness of small groups within a few Lodges. These Brethren seem to have completely forgotten their

obligations taken upon the Altar of Freemasonry and if they continue in their vindictive ways, I should think resignations must be sought or suspensions must of necessity follow.

Brethren, guard well the Portals of our Fraternity.

CONCLUDING REMARKS

Ere I draw to a close this report of my stewardship as your Grand Master, I express my thanks to you, my Brethren, for having given to me the opportunity to serve this Grand Lodge. My term is now all but over - but what of the future of this Jurisdiction? I suggest that now is the time for intelligent men to prepare themselves for the challenge of the future - to clearly define those immutable and unchangeable truths upon which Masonry is founded, set them aside and critically analyze the basic needs of man.

Masons are fond of reviewing their history and recounting the antiquities, and, has it not been said, we can not know where we are going until we know where we have been. It may be true that a ship can be sailed by watching reference points behind, but Masonry was not designed to be sailed with our back to the helm. The future holds great promise for those equal to the challenge. Let us shape our course well and straight ahead, using as our reference points those immutable and unchangeable truths contained in the Volume of the Sacred Law, the very foundation of our Fraternity.

Let us face our civic responsibilities squarely and honestly. Let us establish close communication between ourselves, our brother, and in turn every Lodge. Let us solve the enigma of inflation that is sapping the finances of our Lodges. Let us ponder the question of motivation, that each and every Mason may find the enthusiasm that is so necessary in our Craft. Let us realize that Masonry has so much to offer to the outside world, that we can not, nay, we dare not, keep its powerful teachings within our Temples. Let us radiate its ancient message in today's modern world, a world which seems to be literally crying out for truth, righteousness and justice.

If we believe that Masonry can serve as a guide for our own moral conduct and as a moral code for the rest of humanity then we must carry its message outside the Lodge Halls, into the homes, the market place, the community, the legislative halls - yes, even into our houses of worship.

700 years ago Giles of Assisi spoke to all of us when he said, "Discuss virtue a little less and practice it a little more."

Let each of us go forth from this Communication rededicated to those obligations that we have willingly assumed and, remembering the great lessons we have been blessed to receive, put into practice Masonry's ageless teachings, for Masonry does have a message for all mankind.

Sincerely and fraternally

R. E. DAVIES
Grand Master.

APPOINTMENT OF COMMITTEE ON THE GRAND MASTER'S ADDRESS

At the conclusion of the Address it was moved by M.W. Bro. W. L. Wright, seconded by M.W. Bro. B. B. Foster and carried: That a committee, composed of all the Past Grand Masters present, consider and report to Grand Lodge on the Grand Master's Address. The motion was put by the Deputy Grand Master.

REPORT OF THE COMMITTEE ON DECEASED BRETHREN

This Report was presented by R.W. Bro. W. L. Pacey, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Pacey, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge, A.F. & A.M., of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

It is with humility, reverence, gratitude and a profound sense of Brotherly Love that we, the Committee on Deceased Brethren, present this report. During the quietness of the following moments, may we pay a solemn tribute to those of our Brethren who have answered their summons and in one fleeting moment were removed from the cares, trials, and tribulations of their earthly abode, and who are now resting in that Grand Lodge from whence all good radiates.

To hear the word deceased, brings to each of us something very, very personal. We are reminded that we move in a realm of frailties. Therefore, let us refurbish their memory and pay a most deserved tribute for service they rendered to the Craft.

Brethren, we shall miss them. As they faded from our view, let them not fade from our memories. They have left in our care and keeping the principles and ideals of Free Masonry. It is our responsibility to hold high and carry forth the challenge for the future.

We should not consider our Brethren as dead because they walk with us no more. As we move along life's highway they have just gone before. They have left us a beautiful memory of their dedication and service with a quiet dignity. There is an uncertainty in life and vanity in many human pursuits. The last tributes paid to the departed are only useful as lectures to the living. We frail creatures forget we are born to die.

It has been a rewarding experience to be the chairman of your Committee on Deceased Brethren. I do appreciate the kindly assistance afforded by my associates.

I have received encouraging information that during the past year the Memorial Services have been well attended. The Brethren are speaking out more clearly and generally conducting themselves in a way that is a credit to the Order.

I do have however, one disturbing report, that in one district the trend seemingly is towards simpler funerals, hence a decline in Memorial Services. It does appear oftentimes, there is a problem in being able to get notices to the Brethren within a short time. It has been suggested and has become a practice in some Lodges to have a Masonic Memorial Service once a year for the purpose of a roll call of those Brethren who have gone on before. Such a practice would assist the Brethren in determining the importance of the recognition of the Deceased Brethren. I strongly suggest and recommend that such a Memorial Service be a part of each Lodge's yearly agenda.

It has been brought to my attention that there are those Lodge Secretaries who are not aware that there is a prescribed form to be completed on the passing of a Brother. Possibly, the awareness of this form and the need for its use should be brought to the attention of the Lodges.

Again, I have been reminded, and it is also my sincere hope that Grand Lodge will in the near future agree to a name change.

In concluding my Brethren, such is the nature of our existence. We are placed with a purpose. It is ours therefore, to strive for dignity, regardless of our allotted time. We should remember that, in the democracy of death all are at least equal. The strongest has no supremacy and the weakest needs no defence. Let our lives be a living honour in remembrance of our Brethren so departed.

May I remind you of those words as written by a Master Mason, Sam Walter Ross, when he said:

"I see from my house by the side of the road,
By the side of the highway of life,
The men who press with the ardor of hope,
The men who are faint with the strife.
But I turn not away from their smiles nor their tears,
Both parts of an infinite plan,
Let me live in a house by the side of the road,
And be a friend to man."

To this, my Brethren, I leave with you in loving memory and affection, as we now recall our deceased Brethren.

MEMORIAL SERVICE

The Prologue:

When on my day of life the night is falling,
 And in the winds from unsunned spaces blown
 I hear far voices out of darkness calling
 My feet to paths unknown,
 There from the music round about me stealing
 I fain would learn the new and holy song,
 And find at last, beneath Thy trees of healing,
 The life for which I long. (Whittier).

The Prayer of Approach:

O Lord God, in whom we live and move and have our being,
 open our eyes that we may behold Your mighty presence ever
 about us. In this service of remembrance, set open unto us, the gate
 of that invisible realm wherein truth and beauty and goodness

abide in perfection. Draw now our hearts to Yourself by the power of Your love. Lift up our thoughts to You where You are in glory, and come down to us now in mercy and in blessing. TO YOU MOST HIGH be the power, the dominion, and the glory, now and evermore. Amen.

The Responsive Reading:

1. The Spirit of man is the candle of the Lord.
2. To do justice and judgment is more acceptable to the Lord than sacrifice.
3. He that followeth after righteousness and mercy findeth life, righteousness, and honour.
4. A good name is rather to be chosen than great riches, and loving favour rather than silver or gold.
5. The path of the just is the shining light, that shineth more and more unto the perfect day.
6. Precious in the sight of the Lord is the death of His saints.
7. Their eyes shall see the king in His beauty: They shall behold the land that is very far off.
8. For there the glorious Lord shall be unto them a place of broad rivers and streams; wherein shall go no galley with oars, neither shall gallant ship pass thereby.
9. For the Lord is their King and He will save them. He shall give His angels charge over them to keep them in all their ways. They shall bear them up in their hands, lest they dash their foot against a stone.
10. They shall obtain joy and gladness, and sorrow and sighing shall flee away.

The Memorial Prayer (The Brethren stand at the S. of F.):

Almighty God, we remember before You, our Brethren, who lived and worked with us, who enriched our lives by their fellowship, who set our feet upon the high ways of life, who inspired us to better living by their example, who strengthened us in every good endeavour by their faithfulness and devotion, and who, during the past year, You summoned to a higher service in the Grand Lodge above. Bring us with them into the house and gate of heaven, to enter through that gate, and to dwell in that

house, where there shall be no darkness nor dazzling, but one equal light; no voice nor silence, but one equal music; no ends nor beginnings, but one equal eternity — in the habitation of Your glory and dominion, world without end. Amen.

The Blessing:

The grace and the peace of the G.A.O.T.U. abide in your hearts, and stand sentinel at the door of your lives, and the love of the Most High dwell in you richly with all wisdom. Amen.

AGNEW H. JOHNSTON,
Grand Chaplain.

Respectfully and fraternally submitted,

W. LORNE PACEY,
Chairman.

RECEPTION OF GRAND REPRESENTATIVES

As the Grand Secretary called the roll of Grand Representatives of other Grand Lodges those who were present stood up and were welcomed by the Grand Master. Grand Honours were then given under the direction of the Grand Director of Ceremonies.

AUDITOR'S REPORT

To the Most Worshipful the Grand Master, Officers and Members of Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

I have examined the statement of resources of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario as at April 30, 1979 and statements of receipts and disbursements of the General Fund and combined Memorial and Semi-Centennial Fund for the year then ended. My examination was made in accordance with generally accepted auditing standards and accordingly included such tests and other procedures as I considered necessary in the circumstances.

The securities of the General, Memorial and Semi-Centennial Funds as set out in the respective schedules accompanying the Grand Treasurer's Report are held and certified to under date of May 9, 1979 by the Canadian Imperial Bank of Commerce.

In my opinion, these financial statements present fairly the financial position on a cash basis of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario as at April 30, 1979 and the receipts and disbursements for the year then ended in accordance with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Yours fraternally

A. WM. PARISH, F.C.A.

GRAND TREASURER'S REPORT

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

I have the honour to submit the report of the Grand Treasurer for the year ending April 30, 1979. I am happy to repeat a statement I made in my report to Grand Lodge one year ago. I said:— "I should like, first of all, to assure you that the finances of Grand Lodge are in a sound and satisfactory condition, the result of careful and prudent management of our finances by those responsible for this important task," a state of affairs which still exists.

The administration of the affairs of Grand Lodge, like most institutions, is subject to the influence of inflation. Expenditures for salaries and employment benefits, rent of Grand Lodge premises, printing costs of the bulletin, increased expenses attending the Grand Masters' Conference in Colorado Springs, the biennial conference of Canadian Grand Lodges and costs relating to the revision of the Constitution, all contributed to an increase in expenditures. Fortunately, however, these decreased in some areas. Insurance premiums were down, also the grant for benevolent purposes was \$6,000 less than last year, and there was a reduction in the amount set aside for our 125th anniversary celebration in 1980.

These reductions, combined with an increase in income from investments, made possible an annual report entirely void of red ink, indeed, a further increase in value of our assets is shown in the Auditor's Report. This report sets out in detail a summary of receipts and expenditures for the year in the General, Memorial and Commutation Funds. It includes, as well, a complete list of securities held by each fund. These are published in the preliminary reports and in the Proceedings and can be found in the pages following this report. I suggest that you review the report carefully,

thereby obtaining an understanding of the financial position of your Grand Lodge.

Last year I mentioned in my report that the assets of Grand Lodge for the first time exceeded \$2 million dollars. I can now report a further increase to \$2,063,397.78 at the end of our fiscal year, which again was an all time high. It is readily apparent that the expenses were kept well within budget.

I am again indebted to the Grand Secretary and his staff for their generous assistance in facilitating the work of the Grand Treasurer, also to the Chairman of the Committee on Audit and Finance for his co-operation and wise counsel, and to our Auditor, Bro. A. W. Parish, F.C.A. for his monthly statements and for his excellent annual statement which I have suggested you study.

Sincerely and fraternally submitted,

JAMES N. ALLAN,
Grand Treasurer.

I would be remiss if I did not thank the two brethren and five ladies constituting our staff at Grand Lodge for their dedication and tireless efforts in the administrative service of our fraternity. They are all, without exception, precious jewels and collectively represent 85 years of service.

Secondly, may I also tender my sincere thanks to the Most Worshipful the Grand Master, the Deputy Grand Master, our Past Grand Masters, the various Chairmen of Committees and so many other brethren who have given so freely of their time and efforts in assisting me as Grand Secretary for the past eight years. Their unflinching support has not only been deeply appreciated, but has made the work of the Grand Secretary a great joy.

Respectfully and fraternally submitted,

Grand Secretary.

On motion of the Deputy Grand Master, seconded by the Grand Secretary, the Report was received and adopted by Grand Lodge.

COMMITTEE OF SCRUTINEERS

The Grand Master appointed R.W. Bro. Robert Strachan, Chairman of the Committee of Scrutineers, to supervise and count the vote at the election of Grand Lodge officers, with power to name the members of the Committee.

REPORTS OF THE DISTRICT DEPUTY GRAND MASTERS

The Reports of the 43 District Deputy Grand Masters were presented by the Grand Secretary and on motion by the Deputy Grand Master seconded by the Grand Secretary, they were received and referred to the Board of General Purposes.

REPORT OF THE COMMITTEE ON FRATERNAL RELATIONS

This Report was presented by M. Wor. Bro. E. W. Nancekivell, and on motion of the Deputy Grand Master, seconded by M. Wor. Bro. Nancekivell, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge, A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

This year we have had a request for recognition from another State Grand Lodge of Brazil, the Grand Lodge of Maranhao, and after clearing this with the Commission on Information for Recognition of the Conference of Grand Masters in North America, recommend to our Grand Lodge that this request be granted.

There is also a request for recognition from the Grand Lodge of Honduras. The Commission on Information for Recognition reports that this Grand Lodge has long been considered regular and is entitled to recognition and we recommend that this be granted by our Grand Lodge.

It has been reported by very reliable sources of information to the Commission that the Grand Lodge of Belgium has countenanced intervisitation with irregular Masonic bodies in Belgium and adjacent countries and has equivocated about requiring that candidates declare a belief in the Great Architect of the Universe. The latter being an absolute requirement for recognition, the Committee recommends that the Grand Lodge of Canada in the Province of Ontario withdraw recognition of the Grand Lodge of Belgium. This action was also taken by the Grand Lodge of New York in March of this year, by the National Grand Lodge of France, in April, and by the Grand Lodge of England in June: also by the following American and Canadian Grand Lodges in sequence — Nevada, Alabama, Virginia, Michigan, Colorado, Utah, Arizona, Saskatchewan, Nebraska, North Carolina, and Rhode Island and Providence Plantations.

On June 15, 1979, a new "Regular Grand Lodge of Belgium" was founded in Brussels by nine lodges having previously withdrawn from the Grand Lodge of Belgium, and in due course this new Grand Lodge has stated its intention of applying to our Grand Lodge for recognition. However, until it does so, no action needs to be taken on our part.

At our Grand Communication of 1978, this Grand Lodge withdrew recognition from the Grand Orient of Italy. Following the election on November 19, 1978 of a new slate of Grand Lodge Officers in the Grand Orient of Italy, conditions are such that the Commission on Information for Recognition recommends that recognition be granted where it has been withdrawn or suspended, and your Committee on Fraternal Relations concurs in this, i.e. that recognition be granted again to the Grand Orient of Italy.

The Grand Orient of Spain, which functioned in Mexico during the Franco Regime, returned to Spain in 1978 and seeks recognition. We recommend that action on this request be deferred until such time as the situation in Spain becomes further clarified.

Respectfully and fraternally submitted,

ERIC W. NANCEKIVELL,
Chairman.

REPORT OF THE COMMITTEE ON FRATERNAL CORRESPONDENCE

M.W. Bro. B. B. Foster presented this Report and read the Foreward to the Reviews. The Deputy Grand Master then moved, seconded by M.W. Bro. B. B. Foster, that the Report be received and adopted; Carried.

REPORT OF THE COMMITTEE ON CONSTITUTION AND LAWS

This report was presented to M.W. Bro. W. L. Wright, Chairman, and on motion of the Deputy Grand Master, seconded by M.W. Bro. Wright, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

PART I

REVISION OF THE CONSTITUTION

The Most Worshipful the Grand Master in his address last year said: "Please give the new copy (Revision of the Constitution) your careful perusal and hopefully at this time next year the revised copy of the Constitution may be adopted."

The Committee, under the able Chairmanship of M.W. Bro. W. K. Bailey, responsible for the Revision of the Constitution, have carried to fruition that herculean undertaking, and we approve the constitutionality of the Report.

The Committee on Constitution and Laws joins with all members of Grand Lodge in conveying heartiest congratulations and deep gratitude for this stupendous accomplishment.

PART II

CHANGING NAME OF NIPISSING WEST DISTRICT

Proper Masonic procedure was followed in all lodges of Nipissing West District concerning changing the name to

"Algoma East District." All lodges were unanimous in supporting the change of name.

1. The Committee on Constitution and Laws recommends that the former name of "Nipissing West District" be now changed to "Algoma East District."
2. That this change be made effective July 1979.

Respectfully and fraternally submitted on behalf of the Committee.

WILLIAM L. WRIGHT
Chairman.

REPORT OF THE COMMITTEE ON WARRANTS

This Report was presented by R.W. Bro. H. C. Steele, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Steele, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

It is a pleasure for me to present this report on behalf of the Committee on Warrants for the year 1978-79. The Committee consists of the following brethren: M.W. Bro. J. A. Irvine, R.W. Bros. J. A. MacCallum, R. A. Hoddy, G. B. Rickard, J. A. Jones, R. B. Johnson, D. M. Wellman, G. J. Powell, J. A. Beatty, W. J. Curtis and the undersigned as chairman.

The Committee would like to report that the two Lodges requesting Warrants at our last Communication were duly Constituted and Consecrated on September 23rd, 1978, The Heritage Lodge No. 730 and The Otto Klotz Lodge No. 731, both in Waterloo District.

An Application for a Warrant has been received from a group of Masons in Georgetown who wish to form a lodge in Wellington District. Unfortunately this application was not received until after the deadline of April 1st as set down in the Constitution — Section 249. The lodge was instituted on April 26th, 1979 and is to be called Friendship Lodge U.D. Your Committee has been advised that there are two other groups at work forming lodges and if plans progress we will have requests for two more Warrants.

The Committee wishes to offer their congratulations to these active brethren who will be making a great contribution to Masonry as our 125th Anniversary year draws near.

Respectfully and fraternally submitted

H. CAMERON STEELE

Chairman.

REPORT OF THE COMMITTEE ON PRINTING AND SUPPLIES

This Report was presented by R.W. Bro. H. O. Polk, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Polk, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada, in the Province of Ontario.

Most Worshipful Sir and Brethren:

Your Committee on Printing and Supplies composed of: Rt. Wor. Bros. G. R. Cowie, L. Peake, R. E. Fenton, G. W. Hamilton, G. D. Hardy, W. E. Rawson, W. O. Mulack, R. B. Mathison, with the undersigned as Chairman begs to present this report to the 124th Annual Communication of our Grand Lodge.

Printing costs for the year to the date of the preparing of this report are as follows:—

Constitutions (1 year's supply)	2,500.....	\$5,900.00
Bulletins and Postage-		
Cost of Bulletins	4,313.00
Postage	1,639.45
Fraternal Reviews	3,500.....	2,879.80
Preliminary Reports	3,500.....	4,296.95
Proceedings	1,300.....	9,646.47
Printing, Stationery and Office		
Supplies	4,771.49
Memorial Services	10,000.....	741.55
Constitution - 1st, 2nd and		
3rd Drafts		
Plus Postage	<u>3,443.40</u>
		\$37,632.11

Final figures for the year to April 30th, 1979 are contained in the Grand Treasurer's Report.

This report reveals that the impact of inflation so prevalent today in any business operation was not as pronounced this year, as in the recent past. Printing Costs on some items under review actually decreased. This must be credited to control and good management on the part of the Grand Secretary's office.

The sale of extra copies of the Proceedings now available to others than those on the approved mailing list totalled 35, the revenue of \$175.00 has been credited to "Books for resale." Your Committee re-emphasizes the availability of the Annual Proceedings and recommends that more members be advised to purchase it, it being an excellent source of detailed information for Lodge Officers vitally interested in the affairs of the Craft.

Inventory of books for resale, as of April 30th, 1979 is as follows:

Meeting the Challenge	6,885
The First Grand Master	1,976
The Work	5,880
Beyond the Pillars	2,460

Perhaps because of preoccupation, excitement, and the ultimate success of "Project Help" throughout the past year, a lesser effort may have been directed to the sale of these excellent books.

Your Committee again solicits the support of Grand Lodge and Lodge Officers in the sale of all publications particularly to newly initiated members.

Within their context several principles of successful and useful living are written. Many of the Chapters point out to the neophyte the supreme record of man's experience with Faith, a trestleboard in character building, that important work to which we are all so dedicated. They are a reminder too that many of our great men loom large upon the background of the history of our Province — men who lived, who loved, who fought, who died, and who left behind them a testimony that the keeping of the laws of the Supreme Being, and the doing of His will, are things worth living for, and hopefully lead them to green pastures, beside living waters.

The thanks of the Committee are again directed to the Grand Secretary, Most Wor. Bro. J. A. Irvine, and his staff for their efforts and efficiency in assuring that sufficient printed supplies are available at all times to satisfy the requirements of the Grand Lodge Administration Office, the various Committees of Grand

Lodge, and the requests from the Secretaries of the Lodges of this Grand Jurisdiction.

Respectfully and fraternally submitted

HOWARD O. POLK,
Chairman.

REPORT OF THE COMMITTEE ON MASONIC EDUCATION

This Report was presented by R.W. Bro. W. E. McLeod, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. McLeod, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge, A.F. & A.M., of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

The Board of General Purposes, through its Committee on Masonic Education, begs leave to report as follows:

The Committee was composed of M.W. Bros. W. L. Wright, J. A. Irvine, W. K. Bailey, R.W. Bros. N. R. Richards, S. Blackadder, D. I. Greenwood, D. F. Long, J. M. Plyley, A. H. Johnston, A. L. Copeland, M. J. Damp, C. C. Lillico, C. A. Sankey, E. C. Steen, and A. Youngs, with the undersigned as Chairman.

Your committee is grateful to all those dedicated Masons who have given us something for the mind; that is what education is all about. The Grand Master has provided leadership, the Deputy Grand Master has shown his devotion, the Grand Chaplain has offered inspiration, the Grand Secretary has been frank and forthright in his guidance. The Custodian of the Work once again has covered the Province advising the District Deputy Grand Masters on their responsibilities, and conducting lodges of instruction practically on demand. The Special Committee on the Revision of the Constitution has done a tremendous job of Masonic Education. They have made thousands of brethren read their *Book of Constitution* as never before, and think about it, and see where it could be improved. They have helped us to see why it is so important to get the revised version adopted as quickly as possible. Inevitably however the burden of education has fallen most heavily on the D.D.G.M.s and their district supervisors. It is

a crushing challenge, to leave a worthwhile message in every lodge in the district. And yet often, especially in Northern Ontario, no other educational programme is possible at the district level. To all these brethren, and to the lodge chairmen, let our thanks be here publicly recorded.

Once again the reports submitted by the D.D.G.M.s reveal a wide range of programmes, many of which could well be emulated elsewhere. Some districts held special nights dealing with the history or meaning of Freemasonry: "The Ontario Mason: His Past and Future" (Toronto 1); "Masonry outside Ontario" (Grey); "Symbolism of the Three Degrees" (Bruce, Victoria).

Other districts emphasized the need of guidance for lodge officers. Toronto 3 explained "The Challenge of the Master's Chair," and continued its Deacons' Programme from last year. Brant held a session of instruction for Masters and Wardens; so did Prince Edward. St. Lawrence started a School for Wardens. Nor is the training of the new Mason neglected. Niagara B has developed a series of topics that he should know about. Toronto 4 held an evening for him entitled "A Career Path." Wellington District has initiated a series of instructional seminars under the auspices of one of its lodges.

Several Workshops were held, the largest being in the eight districts of Western Ontario, where Bro. Allen E. Roberts of Virginia was keynote speaker.

We had Lodges of Instruction, on the Craft Degrees, on the Memorial Service, and on the Installation Ceremony. Toronto 7, under the direction of the Custodian of the Work, printed a booklet, containing some practical advice on the installation. Your Committee has acquired a few extra copies of it, which are available on request.

What might be called "Spectaculars" still continue to draw crowds. Toronto 2 and Toronto 5 both had nights devoted to "Masonic Music." An eighteenth century initiation, in full costume, played to packed houses in Toronto 3 and Ontario. The London Districts were hosts to an audio-visual report of a pilgrimage to the Holy Land. St. Thomas watched a slide presentation on Project H.E.L.P. Ottawa 2 had a very successful multi-media production entitled "Dare to be a Mason." Niagara B enjoyed a Masonic play entitled "A Rose at the Altar."

While on this subject we should mention an interesting film that made the rounds of the public theatres this year. It is called

Murder by Decree, and it pits Sherlock Holmes against Jack the Ripper. It's good entertainment, but no doubt it could be classified as anti-Masonic propaganda. We should all see it, and be prepared to answer searching questions from our non-Masonic friends.

Evidently many different kinds of educational programmes are in use. That is good, for uniformity has no virtues in this endeavour. Nor is there any general advice which could be applied all across the jurisdiction. For what it's worth, your committee's view is that the more involvement you have, the better. Rather than presenting a single long paper, have a number of shorter contributions. Give the brethren who attend an opportunity to participate, to ask questions, to make comments. If they start to say what they think is wrong with Masonry, don't cut them off. The Craft is strong enough to accept criticism and profit from it. Who knows? The brethren may find that the target of their barbs is not Masonry after all, and that Grand Lodge is not the ogre they imagined.

Potentially the most effective form of Masonic Education is at the lodge level. *That* is where you find the young Masons who cannot be lured to attend a district meeting. Several district supervisors have capitalized on the situation, and prepared educational material for presentation in the individual lodge. In this connection, here's a novel idea that sounds worth trying. It comes from Toronto 4. Have the lodges exchange their Chairmen of Masonic Education for a regular meeting. This means a refreshing variation for both; the brethren have a new voice to listen to for a few minutes, and the chairman has a new audience to work on. Other suggestions have come in about how your committee could better occupy its time: we should be in closer contact with the district supervisors; we should distribute educational material to the lodges, or the districts; we should provide copies of addresses for the guidance of the D.D.G.M.s. These are all distinct possibilities, and we commend their careful consideration to next year's committee.

A number of brethren have appealed to us for five-minute talks that might be presented in lodge. Of course we want to do everything in our power to help, but we are not in a position to supply speeches in large quantities. One of the purposes of this report however is to give advice. So we are going to tell you how to write a short talk on some Masonic symbol. It takes a little time, but there's no magic involved; you simply follow certain rules.

(1) Look around the lodge-room until some particular object claims your attention.

(2) Refer to a copy of *The Work*, to see how this object fits into our ritual.

(3) Consult a few standard books, to find out the background and interpretation: my favourites are a good dictionary; *Beyond the Pillars*; Mackey's *Encyclopaedia of Freemasonry* or Coil's *Masonic Encyclopedia*; Harry Carr's *The Freemason at Work*; Jones, *Freemasons' Guide and compendium*; Knoop-Jones-Hamer, *Early Masonic Catechisms*; and Glick's *Treasury of Masonic Thought*. (It would be useful if every lodge had its own copy of these books. The only place in the jurisdiction where you can purchase such material is Masonic Book Sales, P.O. Box 250, Pefferlaw, Ontario, L0E 1N0.) As you read, keep some small sheets of paper beside you, and make notes of anything that seems interesting.

(4) Now you've got your raw material, and you must put it in order. Make up a brief plan of your talk, under three or four headings. (The same plan will serve for different talks.)

- (a) The connection of this symbol with operative Masonry.
- (b) Its historical background in speculative Masonry.
- (c) What it stands for.
- (d) Its moral lesson.

Take your notes, and classify them according to these headings. Put them in order, and see how they fit together. You may have to try several different arrangements before you find the one that works best.

(5) Then write out your talk. Remember to keep your sentences short and easy to follow. Try to combine information with inspiration. Give your facts, and then give your brethren something to think about.

(6) Read over what you have written, to see how it sounds. You may find you will have to rewrite parts of it more than once.

Just to show how the plan works out in practice, your committee has prepared a sample talk, by following these rules.

THE ASHLARS

In the Junior Warden's Lecture, we are told that "The immovable Jewels are the T.B., R.A., and the P.A. . . . They are called immovable Jewels because they lie open in the [] for the brethren to moralize on." Two questions come to mind. In the first place, isn't it nonsense to call these large stones "Jewels"? And secondly, what moral lessons can we possibly draw from them?

The word "ashlar" is part of our heritage from the operative stonemasons of long ago. An ashlar wall is one which is composed of rectangular blocks laid in courses. An ashlar is a squared stone. A "rough ashlar" is the stone as it comes from the quarry, roughly hewn to its intended shape but not dressed smooth. A "perfect ashlar" is "perfect" in the sense of the Latin *perfectus*, that is, "brought to completion, finished."

We first meet the jewels in an early Masonic catechism from Scotland, dated 1696 — twenty-one years before the formation of the Premier Grand Lodge. One of the questions runs as follows (if we may venture to correct obvious mistakes):

"Q.: Are there any jewels in your lodge?

A.: Yes, three: perpend ashlar, a square pavement, and a broached ornel."

Though the names have changed, here we have the three jewels; and they have been together ever since. Their operative functions are defined for us as early as 1727. The pavement is "for the Master to draw his design upon." The ashlar is "for the Fellow Craft to try their Jewels on." The broached ornel is "for the Entered Apprentice to Work upon." We note that each of them is associated with a different degree.

The name "broached ornel" looks very odd, and demands a moment of our time. "Ornel" is "a kind of soft white building stone;" "broached" means "roughly shaped by a broaching axe." So the name really means "roughly squared stone." Such an unfamiliar term was liable to corruption; surprisingly enough, it still survives in our ritual. "The ornaments of a M.M.'s [] are the Porch, the Dormer, and the Square Pavement." The porch and dormer are strangely out of place in eastern architecture; and in fact, we are told, "porch, dormer," arose from a misunderstanding of "broach dornel," itself a debased form of "broached ornel."

The jewels are first called "Immovable" in 1727. If you visit a lodge in the United States, you will find that they are called "Movable," and that the term "Immovable Jewels" is there applied to the Square, Level, and Plumb Rule, "which are permanently appropriated to the East, West, and South." This change was made at the Baltimore Masonic Convention in 1843.

The great William Preston provides some guidance as to how we should moralize upon the ashlars. In his lectures he explains that, in a metaphorical sense, they are jewels of inestimable value, because of the moral tendency they display. The rough ashlar, he

says, symbolizes the human mind in its original state, rude and uncultivated. The perfect ashlar represents the mind improved by culture and civilization, enjoying all the advantages that can be derived from study, example, and education.

We see then that the ashlars when taken together set before us a lesson which is expressed several times in the E.A. Degree. They provide a further example of progress, from darkness to light, from ignorance to knowledge, from wickedness to virtue, from fallibility towards perfection. They prefigure the raising of a superstructure, perfect in its parts and honorable to the builder. They exhort us, without neglecting the ordinary duties of our station, to consider ourselves called on to make a daily advancement in Masonic knowledge. They remind us of our duty to improve ourselves, and thereby to improve the world in which we live.

Do you wish the world were better?

Let me tell you what to do.

Set a watch upon your actions,

Keep them always straight and true.

Rid your mind of selfish motives,

Let your thoughts be clean and high.

You can make a little Eden

of the sphere you occupy.

Do you wish the world were wiser?

Well, suppose you make a start,

By accumulating wisdom

In the scrapbook of your heart;

Do not waste one page on folly;

Live to learn, and learn to live.

If you want to give men knowledge,

You must get it, ere you give.

Do you wish the world were happy?

Then remember day by day

Just to scatter seeds of kindness

As you pass along the way.

For the pleasures of the many

May oftentimes be traced to one,

As the hand that plants an acorn

Shelters armies from the sun.

All of which is respectfully and fraternally submitted on behalf of the Committee.

WALLACE McLEOD,
Chairman.

REPORT OF THE COMMITTEE ON BENEVOLENCE

R.W. Bro. C. D. MacKenzie presented this report and on motion of the Deputy Grand Master, seconded by R.W. Bro. MacKenzie, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

The Board of General Purposes through the Committee on Benevolence reports to you as follows:

The word Benevolence is a happy one. It is defined as a disposition to do good or any act of kindness. Our Ritual says that charity (or Benevolence) has the approbation of heaven and of earth and like its sister mercy, blesses him who gives as well as he who receives. This is a basic truth in Masonry that all of us appreciate. The members of your Committee are fortunate to have it more forcibly drawn to their attention through their participation in our activities. This Committee consists of the Most Worshipful the Grand Master, Robert E. Davies, the Deputy Grand Master, Rt. Wor. Bro. N. R. Richards; Rt. Wor. Bros. H. C. Steele, C. A. Sankey, W. L. Pacey, G. W. Bailey, C. W. Emmett, R. T. Runciman, A. E. Broadley, W. A. Wingrove, L. R. Hill and V. Wor. Bros. W. F. Cockburn and J. W. Millar. The undersigned has the privilege of acting as chairman and presenting this report.

Our regular meeting was held at the Grand Lodge Offices on June 8th and 9th, 1979. The purpose of this meeting is to receive the Annual Report of our Supervisor of Benevolence, Rt. Wor. Bro. James C. Guy, to review applications for Benevolence and to establish grants in accordance with need.

The Supervisor's Report once again reflected the work of a man who is happy in his task and understands the nature of his work. Rt. Wor. Bro. Guy has the happy capacity of being genuinely interested in the welfare of his fellow man. His concern for the work of Benevolence in our Grand Jurisdiction, his understanding of the needs of our applicants and his earnest desire to help all those in distress is evident in everything he does. We are fortunate

to have Bro. Guy as our Supervisor of Benevolence and express to him your thanks for a job well done.

During the year 1978/79, 85 grants were made in the amount of \$53,457.66. In addition 17 interim and emergency grants were made for a total value of \$8,540.35. In accordance with the Rules of Benevolence these latter were approved by your Committee at this meeting.

As stated, one purpose of this meeting is to review applications for Benevolence and recommend grants in accordance with the need of each applicant. However, for one reason or another, there were many we could not act on and the Committee has asked that your attention be particularly drawn to the following points:

(A) Incomplete Applications:

Applications for Benevolence state in very clear terms that the form must be fully completed before submission to the Grand Secretary for furtherance to this Committee. Each year we hope that every form will be correct and each year we are disappointed. This year a larger number than usual were incomplete and had to be returned for further information.

No doubt they will be returned in time for consideration at the Communication but your Committee is at a loss to understand why they could not be correct the first time. It has been said, and truly, that it is remarkable how there always seems to be time to do things right the second time.

(B) Applications not Submitted:

One of the requirements of the Rules of Benevolence is that applications must be submitted prior to June 1st. The Rules further state that should Benevolence no longer be required the Grand Secretary shall be so notified. An increasing number of applications are coming in after this date and in many cases when assistance is no longer required we are not advised that this is the case. While your Supervisor tracks each of these down it seems strange that he should have to do so. Please remember your responsibility in this regard.

(C) Conditional Applications:

There is a growing tendency on the part of some lodges to try to establish a sort of quid pro quo with your Committee. They will outline a problem that one of their members has and say that "If Grand Lodge will do this, we will do that." Such a

request is abhorrent. It infers that unless Grand Lodge is prepared to assist, the lodge will do nothing — and that approach is one that can never be condoned. It cannot be over emphasized that the welfare of a Mason is primarily the responsibility of his lodge and must be recognized as such. Your Committee is always ready to assist when the need is greater than a lodge can provide but we cannot express too strongly our adverse opinion of a lodge that will not help its members unless someone else guarantees participation. Do the best you can — no matter how little — and then ask for further help — you will always get it.

The most cursory review of the Benevolent reports of the last decade will show a steady decline both in the amount of dollars expended and in the number of grants made. This does not indicate any reduction in interest or concern on the part of your Committee or the Craft at large. What it does reflect is the happy result of two generations of prosperity. This has allowed our Governments to institute new programmes of social responsibility and extend old ones to the point where it may safely be said that, at the present time, no one in this Province need be in real financial distress. This fact is reflected in our grants for Benevolence which are now basically supplementary to social benefits or intended to assist temporary situations which cannot be overcome otherwise. Your Committee feels that while these circumstances have reduced the need for financial assistance it has increased the need for those aspects of Benevolence which mark Masonry's approach to life. To show concern for our brethren and their relatives in distress — to provide advice at difficult times — to take the time to visit the widows of those who have gone — in a word — to be charitable in Masonry's own way must be the habit of every Mason. This interest will always draw to our attention those whose circumstances demand our attention in a practical way.

However, in the midst of this prosperity there are some clouds on the horizon which may alter life for us all. The impact of inflation, the rising costs of energy, the continued financial instability at all levels of Government, may well force the reduction of certain social programmes and will certainly forbid the introduction of new ones. We may well find ourselves in a position of having to provide increased grants and wider assistance and must be aware of this possibility. The only thing we know about the future is that it is uncertain and we should be prepared for any eventuality.

On the basis of the applications reviewed at our Annual Meeting and those received at this Communication, we recommend the sum of \$53,000.00 be appropriated for Benevolent purposes in 1979 / 80.

An always pleasant interlude at our meeting is provided by the Hamilton Past Masters' and Wardens' Association. Each year they arrange refreshments for our coffee break on Friday evening. The members of the Committee look forward both to the fare provided and the opportunity of fraternizing with the members of the Association. Our warmest thanks are extended to them for their kindness.

Appreciation is also expressed to the District Deputy Grand Masters and the District Chairmen of Benevolence. Without exception we have found them to be both interested in the work of Benevolence and prepared to work at it. Our particular thanks is extended to the District Chairmen. They act as a direct extension of the Committee in their District and provide an immediate source of experience and knowledge to those lodges seeking guidance in Benevolent matters.

We, once again, emphasize to each incoming District Deputy Grand Master, the importance of considering the re-appointment of those Chairmen who are prepared to continue. Their knowledge is not easily replaced and should be used.

The Committee also met in January to consider several matters of policy. Prominent among these were the Rules of Benevolence to be incorporated in the revised Constitution. These were discussed thoroughly and we wish to report that the Rules, as outlined in the draft presently before you, have our complete approval. We commend the Committee on the Revision of the Constitution for their efforts and particularly thank them for their interest in our procedures.

A second matter that has been concluded is the preparation of new forms for Benevolent applications. We have had numerous requests to have the format of these applications changed. Virtually all of our District Chairmen supported this request and we reported this to you last year. You directed that new forms be designed and this has been done. Your approval of this action will have the new forms in use in the coming year.

The Committee also recommends that the Supervisor of Benevolence continue the practice of holding regional meetings

with District Chairmen, Lodge Chairmen and Senior Lodge Officers. These meetings have been our principal method of instructing these brethren in Benevolent procedures and developing lodge and district programmes. They are bringing positive results and we recommend they be continued and expanded.

Regional matters cannot be discussed without commenting on the work done by the various Boards of Relief in the Province. The scope of their work is beyond outline in a report as limited as this must be. Let me simply state that we rely on them to carry the work of Benevolence forward and fully appreciate the help they give us. It would be difficult indeed to function without them.

We also recommend renewal of our membership in the Masonic Relief Association of the United States and Canada. On an international scale they offer assistance which we can obtain in no other way.

In closing may I say that the members of this Committee are not unmindful of the great opportunity and responsibility which is theirs. The promotion of Benevolent work in our Jurisdiction is one which opens the hearts and minds of all who take part in it and I would report to you that each member of your Committee has discharged his responsibility in a very positive way. Our hope is that you will feel that our actions have merited the confidence you placed in us last year.

Respectfully and fraternally submitted,

COLIN D. MacKENZIE,
Chairman.

REPORT OF THE COMMITTEE ON THE CONDITION OF MASONRY

This Report was presented by V.W. Bro. Norman E. Byrne, Chairman, and on motion of the Deputy Grand Master, seconded by V.W. Bro. Byrne, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members
of the Grand Lodge, A.F. & A.M. of Canada in the Province
of Ontario.

Most Worshipful Sir and Brethren:

Your Committee on the Condition of Masonry reports with pleasure on the "State of the Craft" as currently found in our Grand Jurisdiction. Your Committee's report is but a summary of the excellent reports prepared by the forty-three District Deputy Grand Masters who are about to complete their year of office.

The reports as prepared by the District Representatives of our Grand Master throughout Ontario are composed of general comments, suggestions and constructive criticism where indicated, and in addition, contain a wealth of statistical information on each and every Lodge in this Grand Jurisdiction, the Deputies reporting on membership, attendance, financial matters, lodge premises, quality of the work and items of general interest.

Each of these dedicated Masons reports without exception on his pleasure in being able to represent our Grand Master in the lodges in their districts and without exception, each expresses in his own way, their gratitude to all who have made their respective responsibilities easier by giving assistance without hesitation and by readily acceding to their various requests for vital information.

One cannot examine the various reports as presented without realizing that indeed Masonry in Ontario is alive and well.

Your Committee, on behalf of all Masons in Ontario, extends sincere appreciation to each D.D.G.M. who has, by a busy and active year, evidenced to all their love of Masonry, coupled with a profound respect for all that Masonry teaches and imparts to every Brother Mason.

Masonry is more than ritualistic ceremonies, and your Grand Lodge has done much toward expanding opportunities for all in Masonic Education. Lodges of instruction have clearly been of

great assistance in maintaining the high calibre of work in Ontario. Seminars and workshops abound in most every area for the instruction of officers and members alike. Special degree teams, such as has been put together in Wellington District, remind us of our historical beginnings by portraying degrees in the style and manner of our forebears. Each District Chairman of Masonic Education has had a busy and productive year and all of us have benefited from their efforts and leadership.

Masons in Ontario have, for many years, given of their "life's blood" to aid our fellow man afflicted by disease or in distress through surgery. The Grand Lodge Committee on Blood Donors under the careful and friendly leadership of R.W. Bro. R. J. Connor has inspired District Blood Donor Chairmen to try innovative measures to increase the activity in this field of Masonic Charity. Niagara B District has gone outside the portals of the Masonic Lodge and shared their efforts with the brethren in the Knights of Columbus to increase donations in their district and evince to all that men of goodwill can readily work together.

The reports continue to show that the training and guidance given to young officers and members pays off in big dividends for our Order. The energy and enthusiasm displayed by our young men in Masonry is an inspiration to us all and their involvement in our affairs brings forth new ideas and concepts which sometimes seem unfamiliar to "the Old Guard." Tradition is not without merit, but if our Order is to flourish and succeed, these new ideas will form a vital part of the way ahead.

Many of our brethren this year attended lodge in new or refurbished temples and the dedication, leadership and plain hard work that went into these ventures is acknowledged by all.

Each year that passes in review sees some of our lodges attain the 100th plateau and celebrate 100 years of dedication to humanity in the glow of golden regalia. We congratulate the following lodges on celebrating their 100th Anniversary.

Harmony Lodge No. 370 at Delta (Philipsville)
Prince of Wales Lodge No. 371 at Ottawa
Palmer Lodge No. 372 at Fort Erie
Cope-Stone Lodge No. 373 at Welland
Keene Lodge No. 374 at Keene
Lorne Lodge No. 375 at Omemee
Unity Lodge No. 376 at Huntsville
Lorne Lodge No. 377 at Shelburne

The Brethren of Palmer Lodge No. 372, as part of their 100th Anniversary, installed a stained glass window in St. Paul's Anglican Church at Fort Erie. Congratulations! Your Committee also congratulates Vaughan Lodge No. 54 at Maple on reaching its 125th Anniversary. A notable achievement.

The "Golden Years" have been a distinct source of pride and pleasure to those D.D.G.M.s who reported on the opportunity of presenting long service jewels to many of our distinguished brethren.

Throughout the Province, whenever and wherever our beloved Grand Master has attended a reception in his honour, the brethren involved have reported, without exception, on the success of his visit to the District and the fact that his presence, his friendly smile, his warm handshake, his witty stories, his sound and mature addresses, has sparked new interest and enthusiasm among the brethren.

This last Masonic year has been a challenge to Masons in Ontario who have responded to Project H.E.L.P. Everywhere it seems, Masons and their friends have grasped the opportunity to practice that virtue we all profess to admire. A great variety of special events and fund raising drives from walkathons, T.V. and radio presentations, media exposure, special ladies' nights to special dinners and just plain canvassing of members and their friends, has put this project over the top. It has given every Mason in Ontario something he could proudly talk about to his friends and neighbours. Our Grand Master's conception of this worthy cause has not only done much for deafness research, but has given our Order, as one D.D.G.M. reports, "a new image and has helped each community in Ontario realize that here, in their very midst, was indeed a force for good, rather than a "secret society."

Our congratulations to R.W. Bro. C. John Woodburn whose leadership and inspiration, assisted so ably by many other distinguished brethren, has made a huge success of this most worthwhile cause.

In reading the various reports presented by the D.D.G.M.s, your Committee notes a direct connection between the amount of visitation in any particular lodge and the general health and member interest in that lodge. Your Committee would respectfully submit that here may lie a partial answer for lodges who find that interest of members is waning.

There is also some indication in several districts that large lodge memberships are not necessarily indicative of the active participation of all members. Several D.D.G.M.s have reported the apparent need for the formation of new lodges. This is good news in times when so many outside activities compete for your time and mine and the formation of a new lodge in your District is a wonderful project for our 125th Anniversary year, as has already been pointed out by that special committee of Grand Lodge. In addition, it can give an older, larger lodge, just the sort of project that will spark interest and whet the appetite of those members who may have, through inactivity, become listless.

Your Committee would be remiss in its duty if it failed to publicly commend and acknowledge the dedicated efforts of the D.D.G.M.s, the District Secretaries, the District Chaplains, and the respective Chairmen of District Committees on Masonic Education, Benevolence, Blood Donors and Project H.E.L.P. Their total commitment and results obtained have singled out this past Masonic year as one of great achievement, goals surpassed and a challenge to all in the years that lie ahead. We congratulate each and every brother on a job well and skillfully done. Their efforts and those of the thousands of Masons in Ontario who have regularly participated in the myriad activities of each individual lodge have produced a year of overall success, of treasured memories of good fellowship and an appetite to "set to" the work of Masonry in this Grand Jurisdiction in the year that lies ahead.

Your Committee acknowledges as well the assistance and support given so freely by M.W. Bro. Jack Irvine, our Grand Secretary and his staff. Without their aid and support this report could not have been completed.

It is to be noted so often in reading the District Deputy reports on lodge buildings that many of our Masonic Temples are situated on "Main Street" in so many cities, towns and villages throughout Ontario, right in the heart of the community, surrounded by a variety of community activities, yet so often concealing any indication of the force for good that resides within their hallowed walls.

Are lodges a widely recognized entity in the municipality in which they are situate? Are they just another building, containing activities unknown and unheard of in the hustle and life of the average Ontario community?

Our lodges cannot speak for themselves. Their voice is the voice of their respective members. It might seem we sit in our lodges, a calm and safe retreat from everyday concern, without the hustle and bustle of commerce, away from the ravages of prejudice, of distrust, of secular matters and as M.W. Bro. Perdue of Manitoba said —

“Comfortable in our comfortable pew, sitting on the solid, suitably covered seat of tradition, with our hand resting on the broad, padded, geometrically embossed arms of symbolism, our feet firmly placed on the rugged carpet of rules and regulations, our eyes focused upon the symbol hanging over the volume of the sacred law, feeling comfortably correct, righteous, satisfied and smugly complacent.”

Maybe it is time to practice “Main Street Masonry.” The time-honoured teachings of our beloved craft should be exercised by activity within and without the lodge. Maybe it is time to take the lessons we have learned as Masons outside the door of the lodge, into the community in which we live. Maybe it is time to demonstrate openly to our friends, our neighbours, our fellow workers, our business associates, by personal involvement in our community, just what faith, hope and charity and brotherly love, relief and truth are all about.

Project H.E.L.P. was a glorious example of what can be done by men and Masons working together. We involved the public in our goals and our desire to serve others. It worked and worked well. The key to success in most organizations is maximum personal involvement.

Each year our net membership declines by a small fraction — but nevertheless there is a general decline. The time has come for an all-out effort if Masonry is to be saved. There is no thought to imitate, displace or compete with the many service clubs that ably serve so many facets of life. We must establish our own, independent image. How rewarding it would be if in so doing, by the individual effort of maximum personal involvement, our community could be the benefactor.

Think of the power of a force for good as large as our beloved Order, — if Doctors, Ministers, Social Workers, Psychologists, Administrators and others, could turn to the local Lodge whenever they felt a real need existed. Just think how something like this would enhance our pride, utilize those instincts Masonry has

trained so well, and result in almost total involvement of every Mason.

Brethren, the fate of Masonry in this Grand Jurisdiction rests upon the action of its members, individually and collectively. We must have the courage and dedication to examine, explore and experiment with new concepts of service to humanity, new ways to reach men's minds and actions, new methods to display our time-honoured traditions, viable means to make Masonry and all it stands for a household word, to live and display Free Masonry at its very best, as it was and is intended to be.

All of which is respectfully and fraternally submitted on behalf of the Committee.

NORMAN E. BYRNE,
Chairman.

REPORT OF THE MASONIC FOUNDATION OF ONTARIO

M. Wor. Bro. W. K. Bailey presented the following report. On motion of the Deputy Grand Master, seconded by M. Wor. Bro. Bailey, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge, A.F. & A.M. of Canada, in the Province of Ontario.

Most Worshipful Sir and Brethren:

On behalf of the Masonic Foundation of Ontario, I, as President of the Board of Directors, have the honour to present the report of the Sixteenth Annual Meeting of the Foundation which was held at 9:30 a.m. July 17, 1979, in the Royal York Hotel, Toronto.

At the end of the fiscal year, April 30, 1979, total assets of the Foundation were \$740,624.93, an increase of \$431,364.76 from one year ago. Included in the assets are bonds having a cost value of \$607,021.25 and par value of \$616,000.00. Interest from investments was \$29,700.48, an increase of \$10,050.64 over the preceding year.

Disbursements for the year were \$14,650.00 in bursaries to students and \$2,000.00 to the Multiple Sclerosis Society of Canada (Ontario Division). The operating expenses were \$15,024.96 including \$4,000.00 budgeted for the previous year.

Contributions of \$427,296.24 have been received from the following sources:

Project H.E.L.P. donations	\$414,209.17
In Memoriams	5,976.06
Bequests - late Harry S. Palmer estate	111.07
late K. L. Bingham estate	7,000.00

Bursaries were awarded to 39 students enrolled in 13 colleges and universities in Ontario to alleviate their distresses in graduating or next to graduating year. Letters of appreciation from the recipients have provided ample testimony that our limited financial assistance is fulfilling a great need at critical periods in the lives of these young people.

James J. Talman has assumed the task of adjudicating all requests for aid, the District Deputy Grand Masters have assisted in arranging for the presentations of the awards and T. John Arthur, Secretary-Treasurer, has capably discharged the ever-increasing load of administration of the funds of the Foundation. Grateful appreciation is tendered to these persons.

As an addendum to this report I am pleased to report that subsequent to the close of our fiscal year, Project H.E.L.P. brought in approximately \$193,000.00 thereby making a grand total of \$560,000.00 in capital funds. Thus our objective of \$350,000.00 has not only been reached but has been exceeded by \$210,000.00. The investment income from these funds will enable the Foundation to provide at least \$50,000.00 annually to the Ontario Deafness Research Foundation.

All 643 lodges have participated with 431 lodges exceeding their quotas by considerable amounts. For those lodges which had prior commitments for the 1978-79 year towards building programs and community projects and other lodges which have ongoing plans to further assist in Project H.E.L.P., the Board of Directors has decided that for the remainder of 1979 all donations will be credited to Project H.E.L.P. unless otherwise directed by the donors.

Project H.E.L.P. has been a decided success by whatever standards one may wish to measure it. Enthusiastic management

and admirable administration by the over 700 leaders combined with the ready response from 40,000 Masons and their friends have been key factors. The Masons in Ontario can be justifiably proud as they approach the 125th anniversary year of their Grand Lodge.

On behalf of the Masonic Foundation of Ontario, sincere gratitude is tendered C. J. Woodburn, F. J. Bruce, T. J. Arthur, Dr. A. J. Anderson, K. L. Crozier, A. M. George, Dr. R. E. Groshaw, H. O. Polk, D. J. Ross and their corps of district and lodge assistants.

Respectfully presented by the Board of Directors

REPORT OF THE BLOOD DONORS' COMMITTEE

This report was presented by R.W. Bro. R. J. Connor, Chairman, and on motion of the Deputy Grand Master, seconded by R. W. Bro. Connor, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of Grand Lodge, A.F. & A.M. of Canada, in the Province of Ontario.

Most Worshipful Sir and Brethren:

Like the postman's code: "in spite of rain, hail, sleet and storm, - and a decrease in the Red Cross Clinics," the work of the district Blood Donor chairmen goes on. They have done, and are still doing, yeoman service in striving to publicize this facet of Masonic endeavour to aid their fellow man by ensuring that "the gift of life" is available *before* the crisis arrives.

They are following the example of V.W. Bill Hoyle, who in 1940 convinced more than one hundred of his fellow Masons to

become "on-call" blood donors. A crisis arose on the 24th of May, 1944, when the Red Cross called him pleading for help for the victims of a fire at the Moose Hall. Fifty-three of his Masonic donors answered the call in the early hours of the morning, bringing friends, neighbours and relatives with them. This year, at the Annual Meeting of the Hamilton Past Masters' Association, V.W. Bro. Hoyle was thanked for his dedication and awareness of the needs of others. Thirty-five years after this disastrous fire, the Hamilton Masons said "thank you" to Bill for his efforts by presenting him with a plaque listing the 53 Masons who responded to his call, and the City of Hamilton named him as an outstanding citizen and gave him an inscribed pen. In addition, a special "Bill Hoyle Blood Donor Clinic" was held and this sparked interest in many new Masons to attend a clinic for the first time.

Each year we ask the newly-elected District Deputy Grand Masters to consider the re-appointment of the district Blood Donor Chairman and some have done this with great success. Others have, for a variety of reasons, been replaced and these new chairmen have, as well, earned the gratitude of their D.D.G.M. and the acclaim of their brethren. The senior members of the district chairmen are: R.W. Bro. Chas. Heels, Victoria District, who has now completed 18 years of service to the cause; R.W. Bro. Cal Krauter, North Huron District - 16 years; R.W. Bro. Wm J. C. Noble, Sudbury - Manitoulin District - 15 years; W. Bros. Claude Osborn and Howard Daines, Toronto District 4 - 8 years; V.W. Bro. Elgin Workman, Grey District - 7 years and Bro. Frank Sampson, Niagara A District - 5 years. Ten others are repeating in office, while 27 have now completed their initial year. We are indeed indebted to all of these brethren for their devotion to this Masonic challenge.

This year's activity is shown, along with the 1978 totals, for your comparison.

From these figures we highlight the following: Highest number of donations — 495 - Toronto District 4 - W. Bros. Howard Daines and Claude Osborn; greatest increase in number of donations — 133 - Ottawa District 1, W. Bro. John Pell; highest percentage increase, 94.4% - Prince Edward District, W. Bro. Edward Sykes. Full credit for the substantial increase in the North Huron District results is accorded to Bro. Jim Stewart for his organizational and followup ability by R.W. Bro. Cal Krauter. You will all agree that special commendation should go to these brethren for the extra effort they apparently expended.

Special mention must also go to Progress Lodge, No. 711 - 62% of their membership were donors during the past year, and to W. Bro. Bob Hoover, of St. Andrew's Lodge, No. 62, and his 4 sons for donating 16 units of blood in the past 12 months.

Again this year several previous Blood Donor Chairmen have been honoured by their brethren and by Grand Lodge. R.W. Bros. Alan Johnson, London East District; Murray Gilbert, London West District; Ross Thomson, Ottawa 1 District; Burton Freer, Waterloo District; and Maurice Snook, Windsor District are completing a very successful term as D.D.G.M.s and have helped in the advertising of the blood donor cause. V.W. Bro. Fred Smith, Brant District, was also selected and is now a Grand Steward. Congratulations to all of you.

Regrettably not all districts could show an increase in participation. Some of the reasons given were: an increasing number of non-resident members; increasing number of members over 65 years of age; inability to donate through medical or other reason; reluctance to report to the lodge; and failure of the lodge to make a return to the district chairman. Add to these the fact that there are fewer clinics than in the past and you will begin to have a greater appreciation for the work of the district chairmen.

On the other hand, many lodge chairmen are being praised by the district for their dedication, ingenuity, drive and diligence in making the membership more responsive to the blood donor cause. District trophies are becoming more prevalent and help to increase awareness and participation but the lodge chairman is the real key to successful results.

Brethren, despite these problems, we should be increasing our participation in this cause of Masonic charity. YOU, our members, MUST actively support this program and become, not only donors, but true salesmen, just as V.W. Bro. Bill Hoyle did 40 years ago.

Help to recycle life, be a Blood Donor.

Respectfully and fraternally submitted

REPORT OF THE LIBRARY COMMITTEE

This report was presented by R.W. Bro. M. J. Damp, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Damp, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge, A.F. & A.M., of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

On behalf of the Library Committee I beg leave to present this the 47th report to the 124th Annual Communication of Grand Lodge.

The Committee consisted of M.W. Bro. W. K. Bailey, R.W. Bros. J. J. Talman, C. D. MacKenzie, the late R. P. Jackson, J. Crawford, J. M. Wagg, R. A. Johnston, E. V. Ralph, E. Lackey, J. G. Agnew and C. W. Emmett.

It would appear from the interest shown in it and the attempts to duplicate it, that the Grand Lodge Library is fulfilling a meaningful purpose in our jurisdiction. This beneficial condition doesn't just happen, it is brought into being through the combined efforts of countless dedicated brethren to whom we are grateful. Our Librarian, Bro. William J. McKee of Runnymede Lodge, No. 619, has completed his twelfth year of service with his usual grace and charm and, although recently indisposed, his interest and enthusiasm never waned. Our debt of gratitude to V.W. Bro. John Petherick and Bro. J. A. Peddie increases yet another year as we recognize their efforts to permit the facilities to be available to the brethren on Wednesdays and Fridays during the noon-hour.

For the twelve month period ended May 1, 1979, 335 visitors signed our register; 65 out-of-town brethren were mailed 70 books and 166 brethren in the immediate area borrowed 223 books for a total of 293 books in circulation. This, of course, does not reflect the number of referrals to volumes in our reference category. The recorded lectures and slide presentations were loaned on 37 occasions. The foregoing activity in the library compares favorably with past years.

One matter that is causing considerable concern is the tardiness on the part of so many brethren to return books within a reasonable time. While the prescribed borrowing time is two

weeks, we can tolerate a month but when this period extends beyond six months and a year, it becomes a serious problem and the follow-up can be laborious.

Through the generosity of some eighteen brethren it was possible to have the library open 106 evenings from October through May, excluding the regular nights when the Librarian was in attendance. We are very proud of these volunteer assistant librarians and in a small measure of our appreciation we hasten to record their name and lodge herewith: Bros. Cal Waters (Maple Leaf, No. 600); Ken MacLachlan, (Transportation, No. 583); Brian McWhirter, (Doric, No. 316); Bruce Findlay, (Universe, No. 705); George Blackie, (Simcoe, No. 644); J. Gordon Baker, (Mizpah, No. 572); Brian Bond, (Dentonia, No. 651); Robert McIlroy, (Riverdale, No. 494); William Carter, (Dentonia, No. 651); Lorne Alter, (Mount Sinai, No. 522); Peter Taylor, (Shamrock, No. 533); Coulson Malloy, (Vaughan, No. 54); Charles Bishop, (Coronation, No. 677); Cliff Baxter, (Dentonia, No. 651); Ivan Collymore, (Robertson, No. 292); Charles White, (Melita, No. 605); William Sawchuck, (Orient, No. 339); Wallace McLeod, (Mizpah, No. 572).

We were deeply saddened to learn of the sudden passing of Bros. Clifford Gazley and Adriaan van't Hof last summer. These brethren served as volunteer librarians with distinction since the programme was inaugurated in 1975. We are the poorer because of their untimely departure from our midst but the richer for having known and been associated with them.

The library continued its membership in the Masonic Book Club and was the recipient of three volumes from that organization; The Trestle-Board, Anderson's Constitutions of 1738 and the Baltimore Convention of 1843 (not a world-shaking volume, just an interesting tid-bit from the past of Masonry in the United States). We also procured a copy of The Craft in the East (District Grand Lodge of Hong Kong and the Far East) by Christopher Heffner.

With respect to the work of the Audio-Visual Sub-Committee, R.W. Bro. Charles Emmett, Chairman, reports that the slides that have been received to date, are now in the hands of a special editing committee and it is the plan of this sub-committee to have the carrousel completed and presented to Grand Lodge during our 125th Anniversary Communication in 1980.

The learned Masonic writer, Bro. Dewey Wollstein once said, "The highest privilege that life affords is that of learning, of

converting knowledge into wisdom, of seeking the genuine values of life by seeking Light and more light.

In Masonry we honour those brethren whose superior minds have recorded and afforded us a broad picture of the ennobling principles of Freemasonry, who have outlined paths of study and who have made it possible for us to open windows for ourselves. This is all part of our Masonic heritage and we should demonstrate our gratitude by making great thoughts a vital part of our lives."

It should be the primary purpose of the leaders of Masonry to stress the unlimited opportunity which Masonry offers to the earnest seeker of Light, one not adverse to delving into the classics of Masonic writings.

Every candidate should enter the door of Masonry with the truth firmly impressed upon mind and heart, the truth that Masonry is a 'Teaching Institution', that every brother has an equal opportunity to learn and to improve, and that the greater the effort, the greater the reward.

What we find in books can make us look again at things we have taken for granted, and question them; it can arouse us to appreciate once more the ideas and ideals that are being stifled under the flow of technical marvels. If a book moves us to thought, even to angry thought, the chances are that it is doing us a good turn.

Furthermore, in this brief tabulation of the value of reading, consider the benefit good reading is to the person who seeks ability in self-expression. The woman who wishes to excel in conversation and the man who must make his letters and orders clear: both these need to read wisely.

The ultimate is never attainable, but there is an inner satisfaction that results from every step taken in the journey of the visible towards the invisible. Some may attain a vast degree of knowledge, but the opportunity for growth through digesting the fruits of good books is open to all of us. The search is the important factor and the Grand Lodge Library is a fine starting point.

We would count it a very healthy sign of continuing interest in the Craft if we are bombarded with enquiries. Be our guest soon!

All of which is respectfully and fraternally submitted on behalf of the committee.

M. J. DAMP,
Chairman

REPORT OF THE COMMITTEE ON THE 125th ANNIVERSARY

This report was presented by R.W. Bro. C. W. Emmett, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Emmett, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge, A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

On behalf of the members of the Special Committee for the 125th Anniversary of our Grand Lodge, it is my pleasure to present a progress report of our work.

As we are all well aware just one year ago our Grand Master approved a new project, one that would fittingly mark our 125th Anniversary. With a most provocative title and a challenge to raise \$350,000.00 H.E.L.P. was launched. It is safe to say this project has proven to be one of the greatest stimulants that Grand Lodge has experienced during the past number of years. During this Communication you will hear from the Chairman, with justifiable pride, the tremendous success that we have experienced with this project.

Since the promotional material for the 125th Anniversary was launched last March, we have had a monthly mailing of 2,100 pieces per month. Commencing September 1st, this will increase to 4,000 pieces per month as we propose to add to our mailing list the Secretary of each lodge, the new Junior Warden, and the Immediate Past D.D.G.M. This material consists of a series of suggested Anniversary projects and details of specific Grand Lodge functions. The material in question is directed specifically to the Master and Wardens of each Lodge, and it is also copied to each member of the Board of General Purposes.

During this Communication a report from the Special Committee charged with the responsibility of compiling a new Publication will be presented to you.

From this report you will find this most important work is progressing most satisfactorily under the Chairmanship of Rt. Wor. Bro. Wallace McLeod. This new edition, we are sure, will

compliment our present Library of "Beyond the Pillars" - "Meeting the Challenge" - "The First Grand Master" etc., and, of equal importance, a most fitting and proper way to mark our 125th Anniversary.

We are pleased to report the work on the production of the official Grand Lodge Banner, which was approved by Grand Lodge one year ago, is progressing well. It is planned to have this important addition to our regalia presented to Grand Lodge at our Annual Communication in 1980.

Arrangements are almost complete for the holding of our Divine Service on Sunday afternoon, July 13, 1980, at 3:00 p.m. sharp, in front of the Bandshell on the grounds of the Canadian National Exhibition. It is most fitting and proper that our Anniversary Communication commence with a Divine Service and one that reflects the very tangible strength of our Fraternity, our Families, truly the image of Masonry will be most assuredly reflected and enhanced in the eyes of our Country with this great display of family unity as we worship together.

Discussions have been carried out and arrangements have been finalized to make the traditional Grand Master's Banquet one of the highlights of our Anniversary Celebration. Of the many highlights one will be an outstanding Canadian as our Guest Speaker.

Finally, may we take this opportunity to express our deep appreciation to all District Deputy Grand Masters, members of the Board of General Purposes, and all Brethren who have been so helpful to our Committee during the past year.

My Brethren, as we approach our 125th Anniversary let us be ever mindful of our great heritage - our obligation to Home, Country and our Lodge. Edgar A. Guest, I feel, expressed responsibility most eloquently in his poem:

A SERMON

I'd rather see a sermon than hear one any day,
I'd rather one should walk with me than merely tell the way,
The eye's a better pupil and more willing than the ear,
Fine counsel is confusing, but example's always clear,
And the best of all the preachers are the men who live
their creeds,
For to see good put in action is what everybody needs.

I can soon learn how to do it if you'll let me see it done,
I can watch your hands in action, but your tongue too
fast may run,

And the lectures you deliver may be very wise and true,
But I'd rather get my lesson by observing what you do,
For I may misunderstand you and the high advise you give,
But there's no misunderstanding how you act and how
you live,

One good man teaches many, men believe what they behold,
One deed of kindness noticed is worth forty that are told,
Who stands with men of honour learns to hold his
honour dear,

For right living speaks a language which to every one
is clear,

Though an able speaker charms me with his eloquence, I say,
I'd rather see a sermon than hear one any day.

My brethren, on this, the eve of our 125th year, may our
actions speak louder than words, so that our Children and our
Children's children may point with justifiable pride and say —

“See this - Our Fathers buildeth well.”

Respectfully and fraternally submitted.

CHARLES W. EMMETT,
Chairman.

REPORT OF THE ADVISORY COMMITTEE ON LODGE BUILDINGS

This report was presented by R.W. Bro. E. C. Horwood, Chairman; on motion of the Deputy Grand Master, seconded by R.W. Bro. Horwood, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members
of the Grand Lodge A.F. & A.M. of Canada in the Province
of Ontario.

Most Worshipful Sir and Brethren:

For the information of those Brethren who do not know who
are presently members of the Advisory Committee on Lodge
Buildings, they are M.W. Bro. J. A. Irvine, Grand Secretary,
M.W. Bro. Ewart G. Dixon, Q.C., and the undersigned as
Chairman.

We must again emphasize the necessity of those Lodges and Temple Corporations which are contemplating building new Temples, or remodelling of existing Temples and purchasing an existing building in the hope that it may be so revamped as to become a suitable Lodge Temple to obtain from the Grand Lodge Office its Regulations pertaining to such projects. These Regulations are set forth in Forms L.B. 1 and L.B. 2 and the Ontario Fire Marshal's Regulations, keeping in mind that the latest edition of the National Building Code, the National Fire Code and the Ontario Fire Safety Design Standard are part and parcel of Grand Lodge Regulations. Furthermore, it must not be forgotten that wherever variations occur in these several Codes and Regulations, the highest standard shall always govern.

Your Committee brings to your attention that, in November 1978, an announcement was made to the effect that the best expertise of fire and building officials are already drafting future changes to the National Building Code and the National Fire Code and the next edition of these documents is scheduled for 1980. These Codes are and were issued to ensure a minimum standard of safety in building, fire protection and structural requirements.

Frequently, Lodges and Temple Corporations are annoyed and perturbed when they discover that what was once acceptable by the jurisdictional authority is unacceptable today due to the upgrading of Codes and Regulations because of experience and sometimes as a result of calamities.

From the Advisory Committee's records, it has been found that the proper design and location of the stair well provides more problems for the Committee than any other problem. A stair well is an enclosure from the lowermost storey to the top storey with an exit to the exterior at grade level. This stair enclosure must not be used as a path of travel between areas on the same floor area. Its walls must have a definite fire rating. No storage or other facilities is permitted therein, particularly under the stairs of the lowermost storey. Actually a stair well becomes a place of refuge until all the occupants reach the exterior. Moreover, if a Fire Brigade, on arrival, finds dense smoke in the building, the roof of the stair enclosure will be broken open to allow the smoke to escape because records show that most casualties occur due to panic, smoke inhalation and heat from fire.

This past year a number of delegates requested to come to the Grand Lodge Office in Hamilton to meet and discuss with this Committee their own particular project. However, it must be made

abundantly clear that it is impossible for any members of this Advisory Committee to meet with delegates elsewhere.

From the experience gained over the years, the Advisory Committee must stress the importance of Lodges keeping the Committee advised of the progress being made not only in the preparation of drawings to be submitted to the Committee for approval but also on the progress being made on the actual building of the project. To this end, it is of the utmost importance that the new D.D.G.M. should promptly receive his predecessor's file regarding the status quo of proposed and / or actual Temple construction in his District. He should be invited to all building committee meetings and realize the importance of keeping the Advisory Committee informed as to the progress being made whether on the development of drawings for submission to the Advisory Committee for approval and / or the progress that is being, and has been, made in the construction of each project. Finally, the D.D.G.M., on retirement, should promptly pass on, to his successor, his file pertaining to the aforementioned topics.

Finally, for those Brethren who are interested in some of or all of the three publications mentioned herebelow, the Advisory Committee is pleased to give the following information:

1. Re INSULATION - the Grand Secretary has obtained a limited number of copies of a bulletin published by the Ontario Ministry of Consumer and Commercial Relations. This bulletin lists several types of insulation from which one may intelligently choose since some require to be covered and others, for various reasons, should be avoided.
2. Re CANADIAN BUILDING DIGEST, number C.B.D. 201, which was issued in November 1978 by Canadian Building Digests, published by the Division of Building Research, National Research Council of Canada, Ottawa K1A 0R6. It is entitled "The National Building and the National Fire Codes of Canada and their Associated Documents" by H. B. Dickens.
3. There is a very interesting and useful paperback book entitled "100 WAYS TO SAVE ENERGY AND MONEY IN THE HOME" which is published by and may be obtained from "The Office of Energy Conservation, Department of Energy, Mines and Resources, 580 Booth Street, Ottawa, Ontario K1A 0E4.

All of which is respectfully and sincerely submitted by the Advisory Committee on Lodge Buildings.

E. C. HORWOOD,

Chairman.

REPORT OF THE SPECIAL COMMITTEE ON THE HISTORY

This report was presented by R.W. Bro. W. E. McLeod, Chairman; on the motion of the Deputy Grand Master, seconded by R.W. Bro. McLeod, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

The Board of General Purposes, through its Special Committee on the History, begs leave to report as follows.

In November 1975 the Grand Master, M.W. Bro. Eric W. Nancekivell, named a Special Committee on the History, and charged it with the responsibility of preparing a publication to mark the One Hundred and Twenty-fifth Anniversary of Grand Lodge. The Committee was composed of the undersigned as Chairman, M.W. Bro. William Kirk Bailey, R.W. Bros. David C. Bradley and Aubrey M. Rhamey, W. Bro. C. E. B. LeGresley, and Bro. Brien B. Thurston; the last-named subsequently found it necessary to withdraw, in response to the pressing emergencies of his public and private avocations.

The Committee's first task was to determine the nature of the publication. Should it be a supplement to cover the years 1955-1980, issued as a separate booklet? Or the same supplement, bound in with a reprinting of the history of the first century? Should it be a revised survey, treating events in the order in which they took place? Or a completely new book, with a different approach, combining the chronological and the topical? After due discussion the Committee settled on the last option, and the Grand Master endorsed its decision.

It was further agreed that the history should be aimed, not so much at the advanced Masonic student, as at the fairly new Master Mason, who had already looked at *Beyond the Pillars*, and was ready for something a bit more detailed, but equally readable. The Committee drew up an outline of the contents and estimated the amount of space required for each topic. The chapter headings are as follows:

PART A. CHRONOLOGICAL OVERVIEW

1. Early Annals of Masonry in America.
2. Early Masonry in Ontario, 1764-1822.
3. The Development of Craft Masonry, 1822-1855.
4. Formation of the Grand Lodge of Canada.
5. Confederation, and the Quebec Problem.
6. Life and Importance of William Mercer Wilson.
7. The Rest of the First Half Century.
8. The Second Half Century.
9. The Last Twenty-Five Years.

PART B. TOPICAL CHAPTERS

10. The Constitution of Grand Lodge.
11. Recognition of Brethren.
12. The Canadian Ritual.
13. Other Craft Ceremonies.
14. Benevolence.
15. Masonic Education.
16. Fraternal Relations with other Grand Lodges.
17. Lodge Names and Numbers.
18. The Mason in the Community: Notable men who were Masons.
19. The Challenge.

After the planning stage was complete, it was time to widen the circle of participation. In due course, thirty-eight brethren agreed to collaborate. We acknowledge their devotion by listing their names in the Proceedings of Grand Lodge.

The list includes representatives of every grade, from Master Mason to Past Grand Master; it has some eminent historians, as well as several rank amateurs.

In order to avoid misunderstandings, each contributor was given a statement of policy.

The Editorial Committee shall make final decisions about what is included in the book. It shall also have authority to carry out such revisions as it deems necessary. The individual contributions shall not be signed, nor shall they be ascribed to their authors. There will be a collective acknowledgement, with a list of contributors, in the Foreward. The copyright shall rest with Masonic Holdings.

After more than three years of work, the manuscript is virtually complete; the redaction is progressing on schedule. Your Committee intends to have the book ready in time for our next Annual Communication.

Now the burden of responsibility shifts to the Masons of Ontario. They have said that they want a new history, that there is a market "out there." Now they can prove it. Book publishing is a very expensive endeavour, and a broad spectrum of support is needed even to recover the cost of printing. During the autumn a publicity release and an order form will go out to every lodge member in the entire jurisdiction, giving him the opportunity to place a prepaid advance order.

Thousands of hours of research have gone into the book. It will provide answers to literally hundreds of questions. Who is the earliest known Mason in America? In Canada? In Ontario? What are the oldest active lodges in our jurisdiction? What was Masonry like in pioneer days? Why did our Grand Lodge become independent? What significant contributions to the Craft have been made by our successive Grand Masters? How often has our Book of Constitution been revised? What is the longest time that anyone has been a Mason? Why are some lodges allowed to use a ritual which is different from the familiar one? How many corner-stones has our Grand Lodge laid? Were they all for Masonic buildings?

Was there ever a Masonic Home in Ontario? Who published the first Masonic periodical in the province? How does it happen that some lodges have worked under as many as seven numbers? What do these men have in common: Joseph Brant, Canon H. J. Cody, Premier William G. Davis, Sir Sandford Fleming, W. J. Gage, Sir Casimir Gzowski, Tim Horton, Sir Sam Hughes, Sir John A. Macdonald, Wes McKnight, Colonel R. S. McLaughlin, Sir William Mulock, John Graves Simcoe, and J. B. Tyrrell?

May I venture, M.W. Sir, to turn from you to the Worshipful Masters and Wardens in our midst? In recent years, your response has demonstrated that there was a need for books like *Beyond the Pillars*, and *Meeting the Challenge*. Soon you will have another book, produced by the very editorial method that has met with your approval in the past. Here is one way to participate in our 125th Anniversary. Order a copy for yourself. Take word back to your lodges that the new history is coming. Only you can make it all worth while. It's up to you.

All of which is respectfully and fraternally submitted on behalf of the Committee.

WALLACE McLEOD,
Chairman.

REPORT OF THE GRAND CHAPLAIN

The Grand Chaplain, R.W. Bro. V. Rev. A. H. Johnston, presented his report. On motion of the Deputy Grand Master, seconded by R.W. Bro. Johnston it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Geographical distance from Central Ontario, where most of our Masonic Lodges are concentrated, and the high cost of travel thus necessitated, compelled me in large measure to be a Grand Chaplain "by correspondence" during the past year. This I regret exceedingly, knowing all too well how grievously I lost, in fellowship and knowledge, by my inability to meet and share lodge and district activities in other areas of Ontario.

In my own district of Algoma, I made whatever contribution I could, by speech or personal presence at various Masonic Lodge and District functions. However, for the remainder of Ontario, oversight of District Chaplains, and encouragement to them in their important work, was limited to letters. In this method of communication, I found much satisfaction, and I do hope that our very excellent collegium of District Chaplains was helped and strengthened in their duties, by the knowledge that their Grand Chaplain was interested and concerned.

In my correspondence with the D.D.G.M.s, I urged them to permit their District Chaplains to share as much as possible in their lodge visitations. In writing to the District Chaplains, I encouraged them to stress in lodge visitation and District Church Service alike, the moral and ethical imperatives and demands of Masonry — so vital to our Order, as to our Canadian political and social life. From both D.D.G.M.s and District Chaplains, I received whole-hearted, indeed enthusiastic support, for the furtherance of this important area in our Masonic life. Indeed I was amazed and heartened, by the great number of these District Officers who affirmed to me, that the promotion of the moral and ethical values, which are the fundamental principles of Masonry, was a matter of primary concern with them, and was a priority in their programmes.

Three facts did emerge from the above correspondence:—

(1) The D.D.G.M.s are aware of the great importance in our Order, and indeed in the common life of Canada, of the moral and ethical value of Masonry, and in most instances are enthusiastic in their concern for their nurture and promotion.

(2) It would appear that Masonic Church Services, perhaps a bellwether of individual Masonic interest in these moral values, have been better attended than usual this past year.

(3) The high calibre of the District Chaplains, and thus the wise choice of them by the D.D.G.M.s, was very evident in my communications with them. These Chaplains, most of them clergymen of various denominations, but also some very dedicated laymen, carried out their duties faithfully, effectively, and well. Our Order is indeed fortunate to have capable men of such moral and spiritual character in its ranks. Sometimes I wonder, if, in our Masonic districts, they have received the recognition and the honour they have so well earned.

To me, the District Chaplain is a most important link in our Masonic chain of officers. In the past, as I personally know, often it was just a title for an unused officer. Fortunately this has greatly changed in these past few years. The District Chaplain should be carefully selected, and when you find a Mason, clergyman or layman, who has the interest, the desire, and the enthusiasm to provide leadership in the moral and ethical life of his district, let the new D.D.G.M. not hesitate to re-appoint such to this important office. A year is all too short for effective leadership in such a complex and confused area of our common life.

My predecessor in office recommended that the District Chaplain be formally installed. I strongly support this recommendation, and suggest that a formal installation service be prepared, made available to the D.D.G.M., and that the Chaplain be installed by the D.D.G.M., preferably at his first lodge visitation. The District Chaplain should be consulted in the preparation of the D.D.G.M.'s itinerary of lodge visitations, and given as much opportunity as possible in those visitations, as in Masonic Church Services, to stress the moral and ethical implications inherent in our Order. The Chaplain should consider himself responsible for the moral and ethical sphere within the Masonic life and work of his district — his duty — to encourage, to inform, to hold aloft these eternal values, and sometimes to warn, if he sees a deterioration within Masonry in this so vital a sphere (and there are times and places, where a courageous warning, or even reprimand, might be necessary).

How all-important in the home and families of our nation, in the political and social life of Canada are these moral and ethical values, which are at the heart of Masonry — and yet we have witnessed a grave weakening of such in every area of our common life. So, as Masons, the imperative is laid upon us to uphold these values in our own lives, and to be a living witness for them to our friends and neighbours in our communities. Herein, our Order, which moves across all barriers, religious and social, has an unique opportunity, and an onerous responsibility which it cannot escape. In all this, the District Chaplain should be the leader — to encourage, to uplift, to warn and to challenge. Is there any office in our Order more important or vital for our future.

This month we commence another Anniversary year in our Order in Ontario. During this year, we will stress Masonic brotherhood, Masonic charity, Masonic service — all important. But high-arching over all these, vital to Masonry, vital to Canada,

are the moral and ethical principles which are at the very heart of our Order — all so fundamental to our Masonic future, and our country's survival. Let us in this Anniversary year raise this banner to the top of the flag-pole of our endeavours.

By making this our first priority, let us make a unique and so very necessary contribution to the building up within Ontario, in our homes and in our families, in our townships and in our cities, in our social and political institutions, the kind of society we want our children and grandchildren to live in. Let us so build in 1979-1980 that others coming after us will say of us, "Providence be their guide, they builded better than they knew." Let us as Masons in the eighties of this century be pathfinders for a better Canada, living ahead of our times, showing in our lives that "something more than others," by which a people is slowly taught and lifted up above itself. The Most High is marching on. Let us as Masons march with Him.

Respectfully and fraternally submitted,

AGNEW H. JOHNSTON,
Grand Chaplain.

DISPOSITION OF NOTICE OF MOTION TO REVISE THE CONSTITUTION

M.W. Bro. W. K. Bailey presented his motion, seconded by R.W. Bro. H. A. Leal, to revise the Constitution, and at the same time reported several amendments of the third draft on behalf of the Committee.

Several amendments were proposed and defeated, or withdrawn. M.W. Bro. B. B. Foster proposed an amendment to Section 147, subsections (c), (d), (g), to delete the following:

1. The General Council of the Royal and Select Masters of Ontario and the Councils.
2. The Grand Imperial Conclave of Canada of the Red Cross of Constantine and the Conclaves.
3. The York Rite Sovereign College of North America and the Colleges.

The vote on the amendment was called for and the amendment carried. There were also amendments to Section 150; also carried.

The revised third draft, as amended, was carried.

A motion was then presented by M.W. Bro. W. K. Bailey, seconded by R.W. Bro. H. A. Leal, that the new revised Constitution become effective January 1st, 1980. Carried.

M.W. Bro. R. E. Davies congratulated M.W. Bro. Bailey, R.W. Bro. H. A. Leal and V.W. Bros. J. V. Lawer, A. F. Rodger and G. T. Rogers on a monumental task well done.

SECOND BALLOT FOR DEPUTY GRAND MASTER

R.W. Bro. Robert Strachan, Chairman of Scrutineers, had advised the Grand Master that there being no requisite majority for the office of Deputy Grand Master a second ballot was required.

M.W. Bro. R. E. Davies, Grand Master, instructed the brethren and Grand Lodge was called off at 10:00 a.m., as required by Section 23 of the Constitution, and the Scrutineers supervised a second ballot.

REPORT OF THE COMMITTEE ON GRIEVANCES AND APPEALS

This Report was presented by R.W. Bro. P. S. MacKenzie, Chairman, on motion of the Deputy Grand Master, seconded by R.W. Bro. MacKenzie, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Your Committee on Grievances and Appeals presents its report in the following parts:—

1. TUDOR LODGE No. 141 vs. BRO. WILLIAM FRANKLIN TUER

A charge of Unmasonic Conduct was laid in Tudor Lodge No. 141 under Rule 1(p) alleging that the accused had been guilty of a public crime involving moral turpitude in that he had been convicted at Stratford of murder. He was sentenced in the Supreme Court of Ontario on the 31st day of October, 1974 to life imprisonment.

This conviction arose out of the 1973 murder of Angus Tuer, a Brother of Bro. W. F. Tuer at a Mitchell area farm. It appeared from the evidence that the body of Angus Tuer, 33, was found in January 1974, in an abandoned well on the farm where he lived with his mother. A truck transmission was chained to his neck and there was a bullet wound in his forehead. He had been missing about six weeks. The motives for the crime suggested by the Crown were greed and jealousy. The brothers were partners in a Perth County farm operation and the Crown alleged that William F. Tuer was jealous of his brother's control over the farm and hoped to cash \$24,000.00 in crop payment cheques made out to Angus. After his conviction, appeals were taken to the Court of Appeal in Toronto and to the Supreme Court of Canada. It was not until October 31, 1978, that the latter Court dismissed Brother Tuer's final appeal. It was only then that Tudor Lodge could take any action with regard to Brother Tuer.

On May 29th last, a Masonic Trial was held at the Masonic Temple, Mitchell, after due notice to Bro. Tuer. In light of his

inability to attend, the Wor. Master appointed Wor. Bro. Jack Robinson to act on his behalf. All the procedures for trial as directed in our Rules appear to have been faithfully observed in the lodge. Conclusive evidence was submitted in the form of a Certificate of Conviction issued from the local office of the Supreme Court of Ontario at Stratford.

Tudor Lodge found Bro. Tuer guilty of the Masonic Charge as laid, voted for indefinite suspension and recommended to Grand Lodge that he be expelled. Your Committee is of opinion that in view of the trial, the conviction and extensive review by two Courts of Appeal, Tudor Lodge had no alternative but to proceed with the charge and approves the action of the lodge.

It is therefore recommended that Bro. William Franklin Tuer be notified to attend the next Annual Communication of Grand Lodge to show cause why he should not be expelled and in the meantime the sentence of indefinite suspension should be continued. Since there is no likelihood that Bro. Tuer can be released to attend that Communication, it is suggested that in the notification he be advised that he is at liberty to appoint any one of the members of Tudor Lodge to appear at that time and speak on his behalf.

2. In the First Degree immediately after an initiate is clothed with the distinguishing badge of our Order, he is instructed in the proper manner of solving any personal animosity which may arise between him and any other Brother Mason. If their differences cannot be easily adjusted, it is preferable that one or both should withdraw than that the harmony of the lodge should be disturbed by their presence.

It is with regret that your Committee must report that in some lodges this admonition appears to have fallen on deaf ears. Within the last year or so regrettable and bitter strife has fractured the peace and harmony of more than one of our lodges. Contending factions have rendered the orderly conduct of business virtually impossible and have caused grievous concern to the lodge, the district, the Grand Master and Grand Lodge. The fundamental tenets of our fraternity are being flagrantly disregarded. Personal piques and quarrels have been insinuated into every transaction of lodge business and programs and have nullified its orderly and effective development and progress. It would be regrettable and unpleasant if it became necessary for the Grand Master to institute disciplinary measures to combat these practices.

Your Committee therefore appeals to every member of these lodges to re-affirm their vows and obligations, extend the hand of fellowship to any brother with whom they are at variance and restore forthwith that atmosphere of love and brotherhood which should at all times characterize Free Masons and a Free Masons Lodge.

Respectfully and fraternally submitted,

P. S. MacKenzie
Chairman.

REPORT OF THE COMMITTEE ON THE GRAND MASTER'S ADDRESS

This Report was presented by M.W. Bro. E. W. Nancekivell, seconded by M.W. Bro. B. B. Foster, it was received and adopted.

To the Officers and Members of the Grand Lodge A.F. & A.M.
of Canada, in the Province of Ontario.

Brethren:

The Committee on the Grand Master's Address unanimously recognizes and affirms the excellence of that address. It is clearly evident that our Grand Master has just concluded another year of very active and outstanding Masonic leadership of our Grand Lodge, not only within our jurisdictional boundaries but in representing us in a truly exemplary manner in all the other Canadian Provinces, in all the United States which he visited and overseas in England, the Netherlands and in Israel. He humbly and gratefully recognizes the rich blessings bestowed on him by the Most High.

Our Grand Master sincerely welcomes our guests from so many other Grand Jurisdictions who add so much to the enjoyment of our Annual Communication.

We join with him in mourning the loss of V. Wor. Bro. Edwin Balfour who worked so assiduously and faithfully for this Grand Lodge.

Your Committee heartily approves the appointment of R.W. Bro. James C. Guy as Assistant to the Grand Secretary which will involve additional duties to those which he performs so well as

Supervisor of Benevolence, and to the conferring of the rank of Honorary Past Grand Senior Warden on V. Wor. Bro. John W. Millar whose expertise in matters financial is so much appreciated in this Grand Lodge.

We concur in the granting of Past Rank to ten of our brethren who, for various reasons, were unable to fulfil their duties for the entire year but who worked faithfully and well and to the Grand Master's entire satisfaction as long as they were able.

We share in the Grand Master's congratulations and best wishes to Friendship Lodge U.D. newly instituted in Georgetown, and to the brethren in Iroquois Falls, Philipsville and Kemptville on the dedication of new lodge buildings. We note with interest the constitution and consecration by the Grand Master of the two new lodges in Cambridge on the same day last September — Otto Klotz Lodge No. 731 and Heritage Lodge No. 730.

We are pleased to note the reference to our Masonic Divine Services and the importance the Grand Master places on worship in our lives.

Your Committee recognizes the great activity of our Grand Master in attending and participating fully in many special events such as the evening at the Oshawa Scottish Rite Club with the Lieutenant Governor of Ontario, Her Honour Mrs. Pauline McGibbon and the formal presentation of the Mobile Blood Laboratory to the Canadian Red Cross on behalf of Operation Lifeline, a project of the Toronto District Masons, headed up by W. Bro. Paul Curry.

We commend the Grand Master on his overseas visitations and the fine manner in which he was received in Israel, in Holland and particularly in England, our Mother Grand Lodge, where he attended the Annual Investiture and Grand Festival in London, with the Most Worshipful the Grand Master, His Royal Highness the Duke of Kent, on the throne.

Your Committee marvels at the energy and enthusiasm of our Grand Master as he lists the very full schedule of important Masonic events which he attended, including many Lodge Centennials and District Receptions at which he was the speaker. In addition, our Grand Master ably represented our Grand Lodge in a great many other Grand Jurisdictions on this continent, Canadian and American, and was invariably treated with great respect and gracious hospitality.

We concur in his recognition of 100 years of active existence to six of our Constituent Lodges and in his permission for their members to wear gold braid as a mark of their seniority as a lodge.

Our Grand Master was pleased to appoint Grand Representatives of eleven Grand Jurisdictions near their Grand Lodges and to recommend to Grand Masters of other Grand Jurisdictions sixteen Grand Representatives near the Grand Lodge of Canada in the Province of Ontario.

We join him in congratulating brethren who have served Masonry for such a long period of time, one 75 years a Mason; seven 70 years a Mason; nine 60 years a Past Master and two (Rt. Wor. Bro. Ward of Cochrane and Rt. Wor. Bro. Williams of Powassan) 50 years a Past District Deputy Grand Master.

Your Committee heartily approves of the generous donations to The Masonic Foundation of Ontario and to the other non-Masonic charitable organizations. We note with great interest that the speaker at the Grand Master's Banquet is our own Rt. Wor. Bro. Donald M. Fleming, now residing in Nassau.

We acknowledge on their behalf the appreciation the Grand Master extends to the Past Grand Masters, the District Deputy Grand Masters and the other Grand Lodge officers and members of the Board of General Purposes.

We rejoice with our Grand Master in the success of Project H.E.L.P., authorized one year ago to be undertaken by The Masonic Foundation of Ontario under M. Wor. Bro. W. K. Bailey to raise \$350,000.00 to fund the Ontario Deafness Research Foundation and to mark the 125th Anniversary of our Grand Lodge. He pays tribute to Rt. Wor. Bro. John Woodburn and his project workers, recognizing that the monetary objective was oversubscribed by approximately \$150,000.00 — a remarkably effective undertaking. We join him also in thanking Rt. Wor. Bro. T. John Arthur, Secretary-Treasurer of The Masonic Foundation of Ontario, for his great effort in this regard.

Our Grand Master suitably refers to our 125th Anniversary to be celebrated during this coming Masonic year and that we anticipate the publishing of a new history of the Grand Lodge of Canada in the Province of Ontario.

He points out that not all lodges are availing themselves of the guidance and professional expertise of the Advisory Committee on Lodge Buildings as they embark on building programs, and we join

with him in stressing the advisability of close co-operation with this Committee.

In recognizing the current importance of Canadian unity and the potential which Masonry has in promoting this, the Grand Master suggests establishing fraternal visitations with lodges in other Canadian Jurisdictions and in this we concur.

The Grand Master refers to a Long Range Planning Committee to be established this year by our Deputy Grand Master, Rt. Wor. Bro. Richards, and we congratulate him on his forethought and his concern for the future of our Fraternity.

We heartily concur in his appreciation of the tremendous work done by the Committee on Revision of the Constitution, headed by M.W. Bro. W. K. Bailey and including four other diligent and expert Masons.

We join with our Grand Master in urging the brethren to be familiar with the Book of Constitution particularly in regard to money matters, in deploring the vindictiveness of small groups within a few lodges, and in suggesting action that may have to be taken in this regard.

We now recommend that Grand Lodge confirm all that the Grand Master has reported in his address, of his work during the past year.

The Committee congratulates the Grand Master on his concluding remarks as he speaks of the future of Masonry, progressive action founded on the immutable, unchangeable truths of our order, our civic responsibility as Masons, our duty to carry our code of moral conduct outside the lodge to the community.

Our Grand Master states that he feels richly blessed by the Most High. The Committee feels that our Grand Lodge has also been richly blessed in having a Mason of the calibre of M.W. Bro. R. E. Davies as our Grand Master for the past two years, and expresses the fervent hope that, as he joins our ranks as a Past Grand Master, the Most High will continue to bless him in the bounteous manner which he so richly deserves.

ERIC W. NANCEKIVELL,
Chairman.

REPORT OF THE COMMITTEE ON AUDIT AND FINANCE

Presented by V.W. Bro. J. W. Millar, Chairman, on motion of the Deputy Grand Master, seconded by V.W. Bro. Millar, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge, A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

This Committee has now reviewed and considered in detail the reports of the Grand Treasurer, the Auditor's Report attached thereto, and the report of the Grand Secretary as referred to it by this Annual Communication. These appear to fully and accurately record the essential details pertaining to:—

- (a) the financial position of this Grand Lodge as of April 30, 1979 and the results of its fiscal operations on a cash basis for the twelve month period ended on that date.
- (b) details of all Receipts and Disbursements in respect to the General Fund, the Commutation Fund, the Memorial and Semi-Centennial Fund; together with particulars of all transactions and changes in Capital Accounts of Grand Lodge, which have occurred during the said period.
- (c) the Investment Accounts of the above mentioned Funds and the summary of all financial resources as of April 30, 1979.

The following observations respecting certain matters covered by these reports, and/or relative to its financial affairs, are presented for your consideration.

(1) The Audited Statement of Grand Lodge accounts show that the net balance of all its resources now amount to \$2,063,379.78. This net balance includes total investments at cost value (not market value) plus cash on hand and in the bank and represents an increase in assets of \$50,530.50 over the same figures a year ago.

(2) Following traditional policy, Grand Lodge Funds are invested in Trustee Securities with the exception of \$150,000.00 Series "A" and \$40,000.00 Series "B" debentures of Masonic Holdings which are due June 1, 1988. These were acquired under

specific authority of this Grand Lodge in 1959. So far \$202,000.00 of these debentures have been redeemed, including \$10,000.00 redeemed on April 30, 1979.

All securities, with few exceptions, are fully registered as to capital and interest, and are currently held in the custody of the Canadian Imperial Bank of Commerce, Hamilton, Ontario, whose certificate of confirmation is referred to in the Auditor's Report.

(3) Total receipts under the General Fund for fees, dues, commutations, interest on investments, etc. amounted to \$323,727.37 while disbursements etc. amounted to \$287,725.97, leaving excess of income over expenditures of \$35,999.40.

(4) Grants for Benevolent purposes, less those refunded and cancelled amounted to \$59,828.01, an increase of \$1,571.32 from a year ago. These grants were paid out of the combined incomes of the Memorial and Semi-Centennial Funds, as supplemented by transfers from the General Fund, which last year amounted to \$12,000.00. It is anticipated that the amount for the coming year will be the same. The Committee on Audit and Finance therefore recommends that in order to provide these funds, the Board of General Purposes authorize in accordance with Section 119 of the Constitution, appropriations from the General Fund up to the amount of \$12,000.00. Such funds to be transferred as and when required to the combined Memorial and Semi-Centennial Funds, in order to supplement the interest and income therefrom, thus making adequate provision for all Benevolent grants which Grand Lodge may make during the period May 1, 1979 to April 30, 1980. It should be noted that the Committee on Benevolence has shown great care in administering its funds.

Your Committee recommends approval of the special donations to charitable institutions totalling \$6,700.00 which were made under the authority of the Grand Master as itemized in the Financial Statement.

Pursuant to the recommendation made last year by this Committee and approved by Grand Lodge at its last meeting, a committee composed of the Grand Treasurer, the Grand Secretary and the Chairman of the Committee on Audit and Finance have reviewed our employees pension plan with the assistance of a professional consultant. After consultation with our employees and the Grand Master, the Committee recommends that the plan be made a contributory one, with the employees and the Grand Lodge each contributing annually 5% of the individual employees earnings. The first contribution to be made at the end of July 1979.

The trustees of the fund are the Grand Treasurer, the Grand Secretary and the Chairman of the Committee on Audit and Finance. We would like to express our appreciation to R. Wor. Bro. A. C. Ashforth who has retired as a trustee for his seven years of valuable service, he being one of the original trustees of the plan.

In its review of all matters covered in this report, your Committee has received the fullest co-operation and assistance from the Grand Secretary and his staff. The co-operation of the Grand Treasurer is also appreciated. Your Committee now formally recommends to this Grand Lodge the adoption, without amendment, the reports of the above mentioned officers and approval of the recommendations contained in the report of this Committee.

In accordance with Section 101 of the Constitution, your Committee submits for consideration and approval, an estimate of Receipts and Expenditures as it relates to the General Fund for the year ending April 30, 1980.

**REPORT OF THE COMMITTEE ON
FRATERNAL CORRESPONDENCE**

REPORT OF THE COMMITTEE ON FRATERNAL CORRESPONDENCE

FOREWORD

To the Most Worshipful the Grand Master, Officers and Members
of the Grand Lodge A.F. & A.M. of Canada in the Province
of Ontario.

Most Worshipful Sir and Brethren:

The Report of the Committee on Fraternal Correspondence is a foreword to the reviews for the current year. We thank R.W. Bro. Dr. C. A. Sankey for his careful selection of items of interest to Ontario Masons from the Annual Proceedings of other Grand Lodges. We offer our sincere appreciation to R.W. Bro. Sankey for his efforts. Every Mason will benefit from his labours.

M.W. Bro. A. W. Schneider of the Grand Lodge of New York voiced a very practical suggestion for promoting attendance at lodge, i.e. personal contact and a membership call system. It has worked in some lodges of our jurisdiction and could reasonably be extended with good results.

The cost of operating Masonic Homes increases each year and is of grave concern to each Grand Lodge operating one. The reviews of Kansas, Louisiana, Minnesota, Montana, New Hampshire, New York, North Carolina, Nova Scotia, Oklahoma, Pennsylvania, Queensland and West Virginia state factual information which should be of interest to us all. If the Annual Proceedings of our own Grand Lodge are available to you, please read the Foreword to the Reviews of 1960 and 1961. Your Chairman suggests that you read about the "Kansas Masonic Home Kids" in the Report of Kansas.

Your Committee believes that you should read the entire Report on Quebec. The problems there are monumental but some are being solved and much work is being done on the others. We sincerely hope that they may find satisfactory solutions for all.

It is encouraging to note that many Grand Lodges are maintaining their interest in aiding worthy students in their quest for higher education. Included in this year are Alberta, New Brunswick, New Mexico, Minnesota, Prince Edward Island, Iowa and West Virginia.

The universality of Masonry is dealt with in a kindly and educational manner in the Report on Kansas. Many Masons, over

the years, are prone to forget what universality really means and might profit by reading this Report.

The Report on the Grand Lodge of Ireland describes where improvements in Masonic life have been accomplished. There must be great satisfaction to all those who have contributed to this improvement.

The shift in population in both rural and urban areas is a worry for all those who are in charge of schools, churches and lodges. Your chairman attended the Annual Communication of one Grand Lodge some years ago and witnessed the uniting of eight lodges into four. Almost all of these lodges were over a century old and the deep concern shown by the members of the lodges surrendering their charters was very evident. I am certain that this problem will arise in our jurisdiction sometime in the future and we should be prepared to deal with it. Read Alberta, Saskatchewan, Oklahoma, Queensland and South Dakota.

A most pleasing item appears in the Review of Scotland. The ritual which follows the English Emulation Working is being made available in Braille. This should make a real advance in the Masonic life of the blind Masons in Scotland.

This foreword has indicated some of the outstanding events and concerns recorded in the reviews. Please take the time to read them all. You will be greatly rewarded.

Respectfully and fraternally submitted,

BRUCE B. FOSTER,
Chairman.

Fraternal Correspondence and Reviews

Reviews written by R.W. Bro. CHARLES A. SANKEY

Your reviewer found something special (in this case especially Canadian as well as especially Masonic) to share with his brethren in the address of R.W. Bro. Purdy, Grand Chaplain of the Grand Lodge of British Columbia, given on June 22nd, 1978, during the 107th Annual Communication of his own Grand Lodge:—

“Ordinarily at this time the Grand Chaplain gives a sermon for his address, (but), with permission from the Grand Master, I offer you a bit of Masonic history.

I have to go back to 1894, when my father was Worshipful Master of Keith Lodge No. 16 in Bear River, N.S. — which happened to be the year I was born.

In April 1909, my father and my uncle took me to the Queen Charlotte Islands, out in the Pacific ocean, where the two men hoped to take up homesteads and get me started on the land, which I wanted.

My father was getting along in years and in 1910 became sick. There was no hospital and no doctor at Masset at the time and Dad seemed to know that his time had come to pass on. He gave me his black bag with his apron and a little black book. He took a 2-cent stamp, in place of adhesive tape, and sealed the book tight. Dad said, ‘I hope that when you come of age, you will be able to use these. When I go, you go to Masset and tell Captain Francis and Mr. Jim Martin and they will look after everything.’ I did not know what this was all about, but that night Dad died. I left at once for Masset, by boat, — no roads or trails then.

I went to Captain Francis and he went with me to see Mr. Martin, who was manager of a store there. After a talk, they told me to go home and have a grave dug and a coffin made and they would be there later. They gave me five days and I found out later that they sent Indian runners around the country to notify Freemasons who lived on the Island.

Well, I went back home, and found my uncle already building a coffin out of whipsawed lumber. I went to work and dug a grave where my uncle told me to dig it, on the N.E. corner of Dad's homestead.

On the day of the funeral 19 men arrived and Captain Francis took charge. I have learned since that the funeral was in perfect order, according to Masonic rites.

Well, shortly after this we had a house fire and the apron and the little book were burned up, and I never did get to know what they were until some years later when I joined Victoria-Columbia Lodge No. 1 in Victoria, B. C. Many years later I was Worshipful Master of Carbon Lodge No. 107 at Carbon, Alberta, and since returning to Nanaimo, B. C., I have had the honour to be a D.D.G.M. and now, this year, the very special honour of being Grand Chaplain."

The cornerstone of the new Masonic Temple at Medicine Hat was laid at an Especial Communication on November 2nd, 1977, in the presence of a "large concourse of brethren and citizens."

Our M.W. Bro. Robert Davies attended the Annual Convocation. The brethren present were invited to take an active part, — and they did! The text of the Proceedings are essentially a transcript, including controversial discussion on several items.

The Grand Master was unusually, sometimes provocatively, frank:— "There were times when I was very depressed — about the future of Freemasonry in (Alberta), but — never forget that Freemasonry is bigger than all of us." "My theme this year has been 'Live Freemasonry — Communicate' — I would not be true to my stewardship did I not report to you my true feelings concerning conditions in the Craft." "The key to effective administration is: Organize, Deputize, Supervise. --- Too often people ask Joe to do something, then fail to follow up to see that it is being done." "Freemasonry must be a force to be used, not a form to be served." "How many wives secretly or openly resent our participation in Freemasonry? — and largely because they do not understand what Freemasonry is all about. And whose fault is that?" "We can become selfish in our Masonry." "It is only in very recent times that brethren of different pigment and religious creed have been admitted to our ranks in this jurisdiction." "When the product isn't selling, who should go back to school, the seller or the buyer?" Population shifts and mobility of young people are seriously threatening rural lodges. "A weak lodge should join a strong one. For two weak lodges to meld is no solution." From his travels, he was impressed with the massiveness of American Masonry, but shocked at the deterioration of the city-core which, for example, has decimated attendance at the temple in Philadelphia. He correctly labels the decision of California to retain their rigid position on physical qualifications as "ultra-conservatism." Commenting on his visit here:—"You have to experience a Toronto muggy summer to know what it is all about" (what would he have said if our meetings had still been at Cedarbrae Collegiate?).

The report on the Condition of Masonry emphasized finances, attendance and leadership (prime requirements for D.D.G.M.s "health, age and interest"). Your reviewer found it depressing that, of the 168 lodges, 18 were not represented at all at Grand Lodge, and 34 others only by Past Masters. But his faith was somewhat restored by a donation of \$23,000 from the Ionic Club of Edmonton towards a proposed Masonic lodge room in Fort Edmonton, and the interest of "northern" Masons reported by the Grand Master following his visit to Yellowknife and to Fort Smith. The initiate at Yellowknife flew from Frobisher Bay to Yellowknife via Montreal and Edmonton! The flag of the Northwest Territories was formally presented at the opening of Grand Lodge by a Brother from Fort Smith.

For some years, Grand Lodge expenditures have exceeded revenue. The estimated 1978-79 budget showed over \$29,000 deficit above \$89,500 revenue. A motion to increase per capita dues from \$5 to \$10 was vigorously debated. It was defeated and, by constitution, no increase can now be proposed for 3 years. The Grand Master made the most bitter remark of the Communication, "I am certainly glad the Grand Master's term isn't for two years."

Thirty-six bursaries (total \$24,600) were awarded. Over \$20,000 was contributed during the year, including \$1,000 from DeMolay. The fund has \$32,000 in reserves.

The 6-page report on Fraternal Relations and Correspondence deals at some length with Cuba. Individual lodges there have been fined up to \$1,000 and Grand Lodge \$95,000 for such offences as maintaining members on the rolls who had fled Cuba, and giving help to wives and daughters of Masons who had been imprisoned or executed as enemies of the government. Nevertheless, there are 326 constituent lodges, a membership of 23,624 and Grand Lodge occupies 5 floors of the Temple in Havana.

Plans are being made for the upcoming 75th Anniversary. On that occasion the Annual Communication will be at Red Deer.

The absence of initials in the name of the new Grand Master is not an omission. He has no given names, only his surname.

The Grand Master, M.W. Bro. Sellers, presented papers at both the Southeastern Masonic Conference and at the Grand Masters' Conference in Washington. He granted several dispensations for shortening time between degrees for members of the Armed Forces. He ruled that the W.M. of a lodge could, at the same time, be W.M. of the Arizona Lodge of Research, because the latter does not confer degrees.

There were 4 Special Communications, 3 for Cornerstones and Dedications and 1 for a Funeral Service. A dispensation to establish Camelback Daylight Lodge in Scottsdale was issued.

A Masonic Home Study Committee reported "no need to provide such a structure at this time." The "Widow's Program Committee" recommended distribution of a booklet to all Master Masons which included a questionnaire to be individually filled out with information for their wives and family on estate matters as well as Masonic connections, also that an identification card and a pin be issued to widows of Masons.

Strong support for Public Schools Week and for DeMolay and Rainbow were advocated. The Scholarship Committee considered 62 applications and awarded 10 scholarships of \$750 each. \$75 was made available to each lodge to assist high school students, but only 23 lodges used this in whole or in part.

A constitutional amendment to permit the Grand Chaplain and the Grand Organist to be selected from Brethren who did not have Worshipful Rank was not approved. No action was taken on recognition of the Grand Lodge of Pernambuco, Brazil or on the perennial request from the Grand Orient of Brazil. Recognition was withdrawn from the Grand Orient of Italy.

The Fraternal Correspondence Committee Report is a single page but notes the attendance of both the Grand Master and the Grand Knight of the K. of C. at their respective major Protestant and Roman Catholic Church Services in Maine.

Grand Master M.W. Bro. W. L. Stirling 1978-

Lodges 172 plus 1 U.D. Membership 23,574 Loss 200

Our M.W. Bro. Robert Davies attended the Annual Communication and was one of several brethren to address Grand Lodge.

The address of the 84-year-old Grand Chaplain was a wonderful story and the brethren will find it at the beginning of these reviews.

The Grand Master, M.W. Bro. Lockhart, was at our Annual Communication. He reports, with particular pleasure, presiding at the installation of his son as W.M. of Vancouver Lodge No. 68, and of a unique "unscheduled visit" to Meridian Lodge No. 108 (a daylight lodge) when a father, son and grandson were initiated and 6 brothers of the father were present.

Mount Begbie Lodge No. 183 at 100 Mile House was constituted and consecrated in an Emergent Communication. A dispensation was issued for Langley Lodge U.D. in Langley. In the Yukon, Whitehorse Lodge No. 46 "is growing rapidly" and Atlinto Lodge No. 42, now moved from Atlin to Whitehorse, "will soon gain strength." (Your reviewer's father prospected at Atlin Lake before the turn of this century.) The prospects for Yukon Lodge No. 45 at Dawson City and Northern Lights Lodge No. 157 at Mayo are very poor, due to cessation of mining activity.

Your reviewer was delighted that two personal friends of long standing were honoured. R.W. Bro. Walter Owen, former Lieutenant Governor, was by unanimous vote and "much applause" given the rank of Past Grand Master. V.W. Bro. D. J. MacLaurin, a colleague in research and pulp and paper technology and education and now retired, was elected Junior Grand Warden and is in line to become Grand Master in 1981.

The reports of each of the 25 D.D.G.M.s are printed in full. No D.D.G.M. appears to have more than 8 lodges to supervise, and a new District will be established in June 1979 on Vancouver Island to keep this figure low. The constitution was amended to add to the duties of the D.D.G.M.: "after separate and confidential

consultation with some of the Past District Deputy Grand Masters in his District, to submit --- three or more names of suitable candidates for appointment --- to the office of (D.D.G.M.), --- from which names the incoming Grand Master may, if he sees fit, select a nominee."

A resolution was approved to permit a special apron (P.M.'s apron, but royal blue instead of garter blue, and with right angles and tassels of metal gilt) for brethren of V.W. rank.

A resolution was passed "respectfully requesting" the incoming Grand Master to appoint a Special Committee "to study the Ancient Penalties, --- enquire into changes made in other Grand Jurisdictions, --- and make such recommendations for reform as may appear to them proper and desirable, --- (reporting) at the next Annual Communication." The ceremony of installation is also under study.

This Grand Lodge recognizes the Grand Orient of Brazil as well as several of the Brazil State Grand Lodges. The State Grand Lodges of Espirito Santo, of Para, and of Guanabara were recognized.

The Grand Tyler, celebrating his 86th birthday, and serving for his 27th year as Grand Tyler, was brought into Grand Lodge and given a standing ovation. The brethren sang "Happy Birthday."

The Board of Benevolence disbursed over \$66,000 including \$10,000 to the Bursary Fund. The latter awarded 83 bursaries and 14 educational grants for a total of \$30,000.

The Committee on Fraternal Correspondence reviewed "over 50" Proceedings of sister jurisdictions. These were not published in the Proceedings.

Your reviewer, who is the Grand Representative of the Grand Lodge of British Columbia near our Grand Lodge, had a memorable visit to Mount Zion Lodge No. 120, Chilliwack, when his son-in-law, Bro. Major P. L. Northcott, received his M.M. degree. He was especially touched in that R.W. Bro. D. J. MacLaurin, J.G.W., came from Vancouver Island to share this special occasion. While in Vancouver, he had an enjoyable visit to Grand Lodge office and commends the Masonic Museum and Library (special projects of M.W. Bro. D. M. Taylor, Grand Secretary) to any of his brethren visiting Vancouver.

Our M.W. Bro. Robert Davies attended the Annual Communication.

Dispensations issued by the Grand Master, M.W. Bro. Simpson, included four to lodges joining public parades in regalia "making *sure* that we are *well* represented," (italics in the text of the dispensation). The Grand Master referred to the good work of the Masonic Culture and Public Relations Committee. They had held seminars for Senior Wardens, for Junior Wardens, for Senior Deacons, and for Junior Officers, each seminar dealing with three or four specific subjects. He was enthusiastic about the "Grand Lodge team." "When I was Junior Grand Steward we were asked to visit 4 lodges. --- Let me tell you how many visits these 9 Grand Lodge Officers made this year. Would you believe over 300!" (Your reviewer cannot avoid the comment that such a load is grossly excessive averaging 2.3 visits per chartered lodge.)

One brother, guilty of embezzlement at the Post Office, was indefinitely suspended. Remarkably, a resolution for expulsion failed to get the required two-thirds vote.

There is strong emphasis on youth activities. One hopeful sign is that 60% of initiates were younger than 40. One new lodge was chartered. Another attempt to reduce the joining age to 18 was defeated.

With the addition of \$1 for a Grand Lodge publication, per capita dues are now \$15, \$10 of which is designated for the Masonic Charity Foundation. There are no reports in the Proceedings as to the activities of this Foundation. There is also no further report from the committee studying use of temples, taxes and insurance, to which reference was made in last year's review.

The new Grand Master is the son of the Grand Master of 1939.

There were 9 Emergent Communications, all for cornerstones. Of these 3 were non-masonic (2 county courthouses and 1 school).

The Grand Master, M.W. Bro. Waits, had an almost unbelievable schedule, recording Masonic engagements on 325 days during his year! He ruled that it would be improper for a lodge to write to the President objecting to granting amnesty to draft evaders, as the Code "prohibits the petitioning of the Legislature on any political subject" (see Oregon for a contrary view); that a petition could not be received from an applicant who was totally deaf; and that he had no authority to deal with a petition until it had been received by a lodge, but he referred the lodge to the code barring "any candidate who is engaged in the business directly or indirectly, in furnishing, manufacturing, selling or serving spirituous, malt or intoxicating liquors for profit." (The proposed petitioner was Comptroller of a large Brewing Company).

Twenty-nine Resolutions were dealt with. Statewide concurrent jurisdiction was rejected, but another resolution approved gave concurrent jurisdiction within areas comprising each County and all its adjoining Counties. Other resolutions passed required that sponsors know the petitioner they propose for at least a year and that application forms require information on U.S. military service (including type of discharge) and if the petitioner has ever refused to so serve. In spite of considered arguments by the Fraternal Correspondent, a resolution to remove the ban on members of Cuban lodges was rejected.

The Masonic Home is for children. There were 68 in the home and 8 more in college. Each was sponsored by a lodge (which was expected to assist financially), although of those in the home only 9 are listed as "masonic," while 59 are "non-masonic." There were two "work-days" at the Home, with over 200 Masons "from all over the state" doing painting, carpentry, repairs, re-lighting and clean-up. There was also a work-day at the Shellman Bluff summer camp. This is real participation. The Trustees of the

Masonic Home also constitute the Board of Relief of Grand Lodge. They employ a case worker, who recommends emergency and monthly grants. Because of the dual activities, it would take a close analysis of the financial statements to separate fully the cost of maintaining the children in the Home, but this is not far from \$6,000 each. This Home seems unique, obviously well operated and doing a good job, which is much more than can be said for other Masonic children's homes coming to your reviewer's attention.

A Committee was appointed for a feasibility study of a residence for "senior masons and their wives and / or widows," certain sums of money having been offered to Grand Lodge by a Mason for such purpose. A "Masonic Village" type of arrangement is being considered.

There is a 9-year line in this Grand Lodge, starting with "Third Grand Steward" and ending with Grand Master.

A resolution, which was adopted, dealt with a Lodge of Research:—"(such a Lodge) shall confer no degrees, grant no financial relief to the distressed, exercise no judicial powers, conduct no Masonic funerals, pay no per capita tax to Grand Lodge and have no representation therein. --- The programs and activities --- are subject to the approval of Grand Lodge or the Grand Master."

The Grand Orator emphasized the Masonic significance of Kipling's poem "The Explorer".

First, the quest:—

"Something hidden. Go and find it. Go and look behind
the Ranges —

Something lost behind the Ranges. Lost and waiting for
you. Go!"

Last, the discovery and the sharing: —
 "God took care to hide that country till He judged
 His people ready,
 Then He chose me for His Whisper, and I've found it,
 and it's yours!
 Anybody might have found it but —
 His Whisper came to Me!"

The Grand Historian gave a long paper on the history of Owyhee County. Two of the 6 founding Lodges of the Grand Lodge of Idaho, Owyhee No. 5 and War Eagle No. 6 were there in 1868 in Silver City, in the old mining country.

Insurance rates on Masonic Temples are very high because they are lumped with all fraternal organizations, including those who operate restaurants and bars. The Committee is considering "self-insurance" and is also petitioning the State Bureau to permit "a deviated premium rate."

Idaho is the only jurisdiction your reviewer has found where the present value of investments is greater than the cost. This is due to exceptional appreciation of common stocks. Investment policy requires, in any year, at least 50% in bonds, notes and mortgages, not over 25% in preferred stocks and not over 25% in common stocks. With cost \$545,739, value \$584,367, income \$40,904, the present distribution is instructive:—

	% of cost	% of value	% of revenue
Mortgages to lodges	3.1%	2.9%	3.7%
Bonds and notes	69.8%	61.5%	66.3%
Preferred stocks	9.1%	3.8%	5.2%
Common stocks	18.0%	31.8%	24.8%

Obviously the unusual investment policy has paid off in spite of the poor results with the preferred stock portfolio.

Special Communications included cornerstone laying for a public school and for a law enforcement centre as well as two lodge building dedications. Three new lodges were consecrated, but six lodges disappeared in consolidations.

The first evening of Grand Lodge was devoted to "public exercises," that is, receiving the Eastern Star and youth organizations, and entertainment.

Your reviewer was shocked to note that close to 30% (143 of 489) of the lodges were not represented at Grand Lodge, even by proxy! The Grand Master had been asked by a reporter, "What is wrong with Masonry in Iowa?" and had replied, "There is nothing wrong with Freemasonry. It still remains --- the greatest force for good aside from our churches that the world has ever known." This avoided the question, and the Masonic organization in Iowa most certainly has problems.

The Grand Master, M.W. Bro. Muellich, could hardly have been more devoted. He attended Masonic duties on over 200 days of the year, including receptions for each of the Grand Lodge officers in their own respective lodges and 13 special "educational conferences" which seem to have been valuable. He wrote to each new Master Mason and to each brother reported as liable for suspension N.P.D. He strongly supported the Masonic Home and the Grand Lodge scholarship program (43 scholarships of \$500 each) and promoted the Grand Lodge tours, personally heading the delegation to England. He attended the principal meetings of all the recognized co-ordinate bodies and many "regional schools." His dispensations included permitting Masonic floats in 8 parades, and two others which would be automatically rejected here, one to a ham radio operator to use a Square and Compass on his card confirming contact ("QSL card") and the other to a Junior Warden "to allow him to give the Third Degree Charge in his own words."

Profits from Grand Lodge tours go to the scholarship fund. This and a student loan scheme are well set up. The Masonic Home (78 residents, average cost \$9,670) appears to be very well run and construction of a new modern 32-bed wing is in the design stage.

Grand Lodge, in spite of all this, recognizes a malaise. The report of its Long-Range Planning Committee makes the most pertinent reading on the state of the Craft. A sub-committee on membership made a comprehensive analysis by lodge size, by

location, and by activity. Both the population and the number of Masons in Iowa are almost the same as they were in 1938! "The rural population has decreased and the rural lodge that is holding its own is doing a good job." "(Our) brightest young people are enticed away from the State. --- the old adage of 'like father, like son' is less applicable. --- Parental guidance is not strong. (There is) a strong tendency to lower our moral standards. --- If we are to remain at 65,000 we must make some right moves. Possibly enthusiastic leadership at the local level is our best proposal." The sub-committee reports 40 lodges with less than 40 members and "at least" 40 larger lodges "that are in definite and deep trouble." The sub-committee asks and attempts to answer a very pertinent question. "When does a lodge become a paper lodge??? As long as a lodge can keep its physical property neat and clean (inside and outside), as long as a lodge can contribute something to (its) community, as long as a lodge can offer guidance, charity and fellowship to its members, then it is not a 'paper lodge' --- and it will attract members. When a lodge is unable to do any or all of the above, then it is no longer a viable part of its community and should probably be considered a candidate for either a transfusion or a transplant."

The Fraternal Reviewer, M.W. Bro. E. A. Hamilton, suffered serious illness and died early in 1979. He completed 21 reviews which are printed. Based on this limited sampling of his work, he will be deeply missed.

IRELAND — 1977

Quarterly Communications in March (Dublin),
June (Portadown), October (Belfast)
and December (Dublin)

Grand Master M.W. Bro. Rt. Hon. the Earl of Donoughmore

The material available is a brief "Annual Report" with the Grand Master's Address at the St. John's Day Meeting and a report from the Grand Secretary containing short reports from 19 of the 22 Provincial Grand Masters (9 overseas) and 4 Grand Inspectors (all overseas).

The text is highly personally oriented, referring to brethren attending some of the events and contributions of specific brethren to the Craft. It is obvious that there is an unusually strong bond of

fraternity among Irish lodges all over the world and this, perhaps, is as good a comment as any on "the state of the craft."

The Quarterly Communication at Portadown was located to recognize R.W. Bro. Hector Deane on his completion of 30 years as Provincial Grand Master of Armagh.

In Northern Ireland, the problems seem to have reached an equilibrium. The Masonic Club in Belfast now has a licence and "has proved a decided asset to Masonry --- by providing a service valuable in our social life." Taxes on lodge buildings have been increased and country lodges are having some difficulties. The brethren in Antrim contributed £58,000 to charity. Some £16,000 will be needed to bring the Belfast Hall into conformity with the regulations of the Fire Authority.

In Tyrone & Fermanagh, Lodge 547, Newtownstewart, celebrated its bicentennial. A committee had "an open and frank discussion" over lunch with senior boys of the Boys School. There was "unanimous agreement that the school ought to become co-educational." There is also a Boys School in Down, to which the Provincial Grand Lodge made contributions of over £21,000 and their charitable donations were £65,000.

Reports from "overseas" nearly all comment on close fraternal relations and intervisitations with lodges of sister Constitutions. While the Irish lodges in Eastern India are substantially dormant, there has been a surge in Ghana with 4 new Irish lodges warranted and a fifth has petitioned for Warrant. One of their members, R.W. Bro. J. C. Williams, has been installed as Provincial Grand Master under the Scottish Constitution! In Malta, Leinster Lodge No. 387 celebrated its 150th Anniversary. Irish Freemasonry is very much alive.

(Your reviewer is indebted to R.W. Bro. A. Lou Copeland for preparing this review. R.W. Bro. Copeland is the representative of the Grand Lodge of Israel near our Grand Lodge.)

The March '78 convocation inaugurated the 25th Anniversary of the union of all the Israeli Masonic Lodges under the Grand Lodge of Free and Accepted Masons of the State of Israel. The union took place in Jerusalem, with consecration by the Grand Lodge of Scotland on October 20th, 1953. This Silver Jubilee year was to be celebrated by many special festive events.

The presence of our Grand Lodge in the Middle East dates back to February 17, 1873, when our First Grand Master, M.W. Bro. W. M. Wilson, constituted the Royal Solomon Mother Lodge in the city of Jerusalem under charter by the Grand Lodge of Canada. The fraternal ties between our two Grand Lodges were further strengthened at our 1978 Grand Lodge Convocation in Toronto when R. W. Bro. Samuel Ben-Zvi, the Grand Secretary of the Grand Lodge of the State of Israel presented our Grand Master, M.W. Bro. Robert E. Davies, with a special medal — the "Award of Merit".

Masonry is unique in Israel because of its variety of members of different backgrounds. Four major religions — Christians, Druze, Jews and Moslems work together in their Craft Lodges, as well as in the Grand Lodge. The work is done in seven official languages, and three holy books — the Pentateuch (Old Testament), the New Testament (in Greek) and the Koran are prominently displayed on the altar in the Craft Lodges.

Two Ashlars hewn from the King Solomon quarries in Jerusalem were presented to our Grand Lodge by the Masons of Israel, through our own Past Grand Master, M.W. Bro. James N. Allan, at our Grand Lodge convocation in July '76. These now sit proudly on either side of the Canadian flag in the main foyer of our Grand Lodge building in Hamilton.

The Fraternal Review "HABONEH HAHOFSHI" (The Freemason) is published quarterly. Besides local Masonic presentations, it includes Masonic extracts from many of the recognized Grand Jurisdiction publications.

(Your reviewer is delighted to add that, during the year, and as a recognition of pioneering Masonic Pilgrimages to Israel, as well as of close fraternal relations, our Past Grand Chaplain, R.W. Bro. Roland deCorneille was made an Honourary Grand Chaplain of the Grand Lodge of Israel and R.W. Bro. A. Lou Copeland became Honourary Grand Director of Ceremonies.)

There were 12 Special Communications, — 6 dedications, 4 cornerstones (2 non-masonic) and 2 funerals.

The Grand Master, M.W. Bro. McIntosh, issued 7 edicts, each for a consolidation of lodges. He writes: "I think this eventually will strengthen our fraternity." Yet he "can't help but feel optimistic about the condition of our craft. --- Masonry is very much in evidence --- it's alive." He ruled that lodge sponsorship of a little league ball team was not permissible, but that it was proper for a lodge to sell license plates depicting the American and Kansas flags and the Square and Compass.

Grand Lodge received, for its archives, a manuscript of some 1100 pages of Masonic history in the state, based on documents collected from individual lodges, and also a number of personal items formerly belonging to a Past Grand Master.

A detailed independent appraisal, with annual review, of the Masonic Home was commissioned. Home expenses were near \$1.4 million and the deficit some \$100,000. The Health Care Center has been licensed for 151 beds as a "skilled nursing facility." All plans for facilities must be state approved. "Ramps, parking, telephones, signs, toilet seats, water fountains and cups, towel boxes, mirrors, marking of doors, flashing lights for fire exits have been completed. --- Other work required by the government is being completed." "The Arts and Crafts department has been both popular and successful. The government wants our Director to spend more time in occupational therapy and social rehabilitation." Under a federal regulation, the 10 Nurse Aides had to attend 72 hours of instruction. One sentence from the report on the Home sounds very familiar: — "The nurses have an enormous amount of paper work as we qualify for the Federal regulations."

The Kansas Masonic Home had had a maximum of 130 children in 1930. From then on the number decreased and the last 3 children left in early 1952. The "Kansas Masonic Home Kids" still meet every 2 years and had a reunion for 2 days in August. During

the 62 years of the school's operation there is "no record of a former member being convicted of a felony."

Grand Lodge recognized the Grand Lodge of Colombia, Bogota. Reviews are printed of 45 other jurisdictions. Canada is not included.

Prizes for a total of over \$5000 were awarded to the top 4 boys and 4 girls in a State essay contest. 121 students wrote on "Are Youth a Worthwhile Investment." The awards were presented at the winners' schools or at an open lodge meeting.

The Committee on Church-Lodge Relations (the chairman is a Christian minister) was very specific:—"Lodge Chaplains in particular --- must reflect upon the emphasis given in our Kansas Masonic Ritual to the *universality* of Masonry. Masonry seeks to build true friendships among those of every sect, religion and nationality. --- Praying in the Lodge with such phrases as '... in Jesus' name, Amen,' and/or with reference to the Holy Trinity works at cross purpose to the expressed goal of universality --- We ask the entire group present to ratify the prayer with the ancient phrase 'So mote it be.' This is equivalent to saying 'This is my prayer too.' --- There is no use, no point and no virtue in attempting to *force* our brothers of different conviction to give grudging lip service to that which they do not truly believe. This writer is proud to be a Christian and to be a Mason, and feels no hesitation as either to pray in unity with those of differing convictions. He is thankful that Freemasonry makes him a brother to those whom he might otherwise have known only at a perpetual distance."

At the opening of Grand Lodge, "The Flag of the United States, the Louisiana State Flag, the Masonic Flag, and the Grand

Standard were presented West of the Altar." This is the first reference your reviewer has seen to an official Masonic Flag. Several Grand Lodges appear to have their own Standard.

Grand Lodge was called to refreshment for reception of Past Grand Masters, of distinguished visitors (including ladies) and Grand Representatives (appropriate public Grand Honours being given) and for a memorial service which included a eulogy for each of the deceased Grand Masters. On resumption of labour, the Grand Master, M.W. Bro. Crosby, presented his address. He referred favourably to the Masonic Home for Children and strongly "repudiated" a report on the Home management as "extremely biased --- a stigma" and asked for "approval and thanks to those who --- govern our Children's Home." His "permissions granted" included several direct solicitations at Masonic gatherings for funds varying from Memorial Funds to Christmas boutique items (Rainbow Girls involved). He denied requests re raffle and lottery items. He recommended that "very serious thought be given to our problem of so many who are initiated Entered Apprentice going no further in Masonry" (this loss has averaged 250 per year for the last 6 years, 13.5% of the initiates). While his rulings strictly supported regulations requiring proper recitation of the long catechisms in open lodge and the right of any member to "blackball" advancement if not satisfied, i.e. to delay another examination for at least 6 months, Grand Lodge defeated a resolution that would have required non-issue of a dues card and other restrictions pending examinations, ending with suspension if the M.M. examination was not cleared by 6 months after that degree.

Grand Lodge also rejected a resolution to move the 1978 Communication from Lake Charles to New Orleans to save some \$4,300 in per diem allowances. This rejection was in accord with a committee recommendation:—"A primary purpose in moving the annual communication around the state is to bring freemasonry to them. --- (We) acknowledge that Grand Lodge IS not, and should not be, a New Orleans monopoly. It belongs to all our members."

No less than 54 workshops were held by the D.D.G.M.s of the 19 Masonic Districts, in addition to their District Lodge Meetings. An "Achievement Award" is given to lodges who qualify under ritualistic and education requirements.

The Grand Secretary's Report contains advice to lodges on annual information returns required by the taxing authorities, as

well as on employment taxes and sales taxes. He organized seminars for lodge secretaries. His itinerary included 120 different Masonic engagements, amply justifying an expense budget and a liberal car allowance.

The Masonic Home for Children averaged 56 residents, age range 3 to 20. The 3-year-old had 3 older sisters in the Home. The average cost per child per year was \$3,425. The net assets of the Home are just under \$1.2 million. Of the annual revenue, 68% comes from Grand Lodge sources, 14% from legacies and donations, 8% from interest and dividends, 5% from U.S. social security, 5% miscellaneous. An endowment fund for the Home was established. This will be strongly promoted by the incoming Grand Master.

Recognition was withdrawn from the Grand Lodge of Syria-Lebanon. There had been no communication with this body for 9 years, and it was believed to be dormant or non-existent (but see New York).

The Masonic Directory of the Grand Lodge comprises 372 pages, over 60% of the Proceedings. This is not a membership list, but an array of Tables of Committees, Grand Representatives, historical lists, register, work and returns of lodges etc., etc. Our Grand Master, M.W. Bro. Davies, represents the Grand Lodge of Louisiana here.

Our M.W. Bro. Robert Davies attended the Annual Communication.

Four lodges ceased operation, 3 by charter surrender and 1 by amalgamation. The Grand Master reported:— "Despite what the statistical story might show, --- there are unmistakeable signs of growth and strength. --- Our need is not so much more members as more active members."

The outstanding item in the Proceedings was the candid and pertinent address of the Grand Historian, M.W. Bro. Perdue on the condition of Masonry. Here are some excerpts:—

“Freemasonry is in a period of decline, in membership, in its prestige and in its own sense of pride and devotion. (When brethren demit) this can have only one cause, namely that the lodge no longer provided what they desired.

While we boast, with reason, that no other institution has finer ideals, we must assume that ideals alone are not enough to interest the average mason. --- We have committed the common error of fencing ourselves in with dull routine and accepting it as tradition. --- We have been exhorted for years, to make meetings interesting, but who has set an example? ---

Pierre Berton wrote about the comfortable pew. I wonder if we sit on the solid suitably covered seat of tradition, with our hand resting on the broad padded geometrically embossed arms of symbolism, our feet firmly placed on the rugged carpet of rules and regulations, and our eyes focused upon the symbol hanging over the volume of the sacred law, feeling comfortably correct, righteous, satisfied and smugly complacent. ---

It is obvious --- that the key to success in most successful organizations is maximum personal involvement. --- The time has arrived for an all-out effort *if Masonry is to be saved*. --- It would be most rewarding if our involvement would benefit the community.

We cannot and should not try to imitate, displace or even join forces with service clubs. We must establish our independent image. --- We might explore the possibility of being an immediate and ready source of help for any problems of an emergent nature affecting our fellow men. What do you think would happen if doctors, ministers, social workers, psychologists and others knew that they could contact the local lodge wherever they felt a real need existed. Just think how something like this would enhance our pride and utilize our best instincts and result in almost total involvement. ---

The personal problems of members should concern each brother. --- When a mason moves, the lodge at his destination should be forewarned. He should be met and made welcome with sincere concern. ---

Brethren, the fate of Freemasonry rests upon the actions of its members both individually and collectively. We must have the courage to examine, explore, experiment and select. We must have the will, the desire, to live and display Freemasonry at its best, as it was and is intended to be."

The list of Committees includes a "Committee on Work in the German Language."

At the Semiannual Communication, the senior Past Grand Master, M.W. Bro. Hessey (G.M. 1938), was retiring from the Board of Managers of the Home, because of health. He received a standing ovation and a special resolution of tribute, which his son acknowledged at his request.

The Grand Master initiated several steps to increase participation in Masonic events: Public meetings, special Anniversary programs, ladies and family programs; replacement of district meetings with workshops; publication of the "Freestate Freemason" (2 issues); open discussion of the Annual budget; and some constitutional amendments.

The Jurisprudence Committee was instructed to suggest constitutional changes that would permit public installations. The debate strongly favoured these. Per capita dues (collected semiannually) were doubled from \$3 to \$6 per year, to provide more revenue for the Home.

The Masonic Home, "beloved Bonnie Blink," had 153 guests, 74 in the infirmary. There is a 94 full time and 29 part time staff. Cost was just under \$1.4 million, and there was an operating surplus of \$83,000. Of the revenue, 13% came from Grand Lodge, 57% from interest etc., 30% from residents' pensions. "Corn Husking and Harvest Home Day" attracted nearly 5,000 visitors!

Your reviewer noted some unusual names of constituent lodges:— Amicable No. 25, Door to Virtue No. 46, Mystic Circle No. 109, Laurel Wreath No. 149, St. Columba No. 150, Philanthropic No. 168, Chillum Castle No. 186.

The most pleasing and, indeed, pertinent cornerstone laying which has come to your reviewer's attention occurred on June 25th, 1977 when, at the request of the administration of the Little Sisters of the Poor, the cornerstone of the Sisters' new Home for the Aged was laid by Grand Lodge. Following the closing of Grand Lodge, the Most Reverend John R. Roach, Archbishop of St. Paul and Minneapolis, invited everyone to attend the Mass of Dedication and Open House which followed. There were 4 other cornerstones and dedications during the year.

As a mark of their 125th Anniversary, "Minnesota Anniversary Lodge No. 125 for Exemplification" was constituted "for the sole purpose of opening a Master Masons Lodge, Thursday, March 30th to receive the Grand Lodge Officers and following that duty, the Lodge Charter was forthwith extinguished." (There is a lodge No. 125 on the Minnesota register).

Sixteen members of Manitoba's Grand East swelled the number of Distinguished Visitors to 47, exclusive of representatives of co-ordinate bodies. Reports of committees were preprinted and not read, being subject only to a motion to approve or adopt when discussion was permitted. The Life Membership Study Committee submitted comprehensive recommendations for final action, by a committee under the incoming Grand Master. Their scheme is essentially actuarial, based on age, life membership payments to go to a Grand Lodge fund and this fund to pay the dues to the member's lodge (less \$1 per year for administration) during the member's life.

As appears normal in U.S. jurisdictions, "Resolutions" had a rough time. Among those rejected was one requiring notification, when a brother moved from one locality to another, by his lodge

secretary to a lodge near his new residence and the appointment of a welcoming committee by the latter lodge.

Maximum media coverage of Masonic events was advocated by the Grand Master. Grand Lodge has a booth at the State Fair.

The Masonic Home had 182 residents in the Main Lodge (average cost \$5,689) and 128 in the Care Centre (\$13,250 each). The \$11 million investment provided \$800,000 income, which, with \$2.6 million "resident service revenue," produced a surplus for the year of \$457,000. Assets of the Home are \$18.6 million.

The Masonic Memorial Hospital Fund, now \$2 million, is also in good financial shape. \$303,000 was received during the year and \$169,000 expended for the Masonic Professorship on cancer at U. of Minnesota. There is also a full time "Hospital Representative" at the Mayo Clinic.

The Minnesota Masonic Foundation Inc. was started to offer alternatives for Masonic Charity with primary emphasis on developing trusts and bequests for scholarships and youth programs. Presumably this will take over the Grand Lodge Scholarship program which awarded six \$1000 scholarships and twelve more of \$500. These scholarships received much publicity and announcements were made through the schools, resulting in 359 applications from 212 schools.

Grand Lodge office was moved from St. Louis to Jefferson City, as approved at the previous Annual Communication. The site donated for a building had proven unsatisfactory, and funds, to be "voluntarily" raised, were not forthcoming. The Grand Master, M.W. Bro. Poe, referred to "confusion (which) can result when we permit emotion and personal interest to replace reason and logic." He had appointed an ad hoc Committee whose report, accepted after debate and a written ballot 481 to 337, instructed the incoming Grand Master to appoint a Committee with powers to

designate a building site "in Jefferson City or some other mid-Missouri city" and to authorize a new Grand Lodge office building with a cost ceiling of \$300,000.

The Grand Master's ruling that a lodge could use its own funds to provide a scholarship at a local school, and to sponsor a trip of children to a Shrine circus, was reversed by the Jurisprudence Committee, who felt bound by the Code prohibiting lodge expenditures for "non-masonic" purposes. The Committee said that the right way to deal with this problem was by Constitutional amendment of the Code. The Grand Master, joined by 8 other senior Grand Lodge officers, gave notice of such an amendment, to be voted on the following year, providing for approval for "non-masonic charitable, community or similar purpose" expenditures when approved by a three-fourths vote at a stated communication of a lodge.

The Grand Lodge per capita fee was increased from \$4.75(?) to \$6. The Masonic Home is to receive \$2.50 of the new fee (up 25c), and of the \$3.50 to Grand Lodge. 25c will be allocated to the new Grand Lodge quarters. Statewide concurrent jurisdiction was approved until 1979 when final action will be taken.

A brother, suspended N.P.D. in 1974, had claimed his cheque had been in the mail. Restored shortly after, he had remained in good standing. His letter, properly postmarked in 1974, was delivered 3 years later! Apparently the Canadian Post Office is not unique in unsatisfactory service. The Grand Master ordered the brother's record in his lodge and in Grand Lodge cleared to indicate continuous membership and no suspension.

The Masonic Home ended the year with 306 adults and 5 children. Overall cost was \$3 million, only 7% of which came from Grand Lodge per capita fee. Wages (union rates) and salaries are \$1.3 million. An "extraordinary renovation" costing \$265,000, led to a \$200,000 operating deficit. Some 37% of the Home's revenue comes from "members" and their pensions. The "Home Reserve Fund" and the "Home Endowment Fund" have \$7.5 million capital each and, together, provide close to \$900,000 revenue. Grand Lodge increased the amount to be added to each candidate's initiation fee, as a donation to the Home, to \$20 from \$10. The Deputy Grand Master, who is President of the Home, reported:—"During the past 9 years, I have seen the annual expenditures of the Home triple, while at the same time we have experienced a sizeable reduction in the number of guests."

Your reviewer looked forward to reading M.W. Bro. Bruce Hunt's "Masonic Review." He devotes the first 3 pages of his 68 page essay to an address by the Grand Master of Virginia on the Condition of the Craft:—

"It is my contention that the present-day Freemasons are judging their accomplishments by standards which are far less than the standards of excellence (we require) --- We cannot congratulate ourselves for making a great impact on the non-masonic public. ---

The real effectiveness of the Masonic leader is measured, not in terms of the leadership he exercises, but in terms of the leadership he evokes, — not in terms of the goals he sets up and the directions he gives, but in terms of the goals and plans of action persons work out themselves with his help."

(refer to Manitoba, for a remarkably parallel address by M.W. Bro. Perdue)

M.W. Bro. Hunt gives equal space to an address of M.W. Bro. Ellis of Delaware at a Special Communication of the Grand Lodge of New Hampshire, honouring brethren engaged in law enforcement:—

"There must be an abiding faith in God and a respect for persons and property. The home must be restored to (a) position of influence. --- A home where children are raised, not just allowed to grow up. ---

(quoting Disraeli) 'All nations progress through this sequence — from bondage to spiritual faith --- to great courage --- to liberty --- to abundance --- to selfishness --- to complacency --- to apathy --- to dependence --- and back to bondage.' America is at the stage of abundance. --- Are we going to regress --- to bondage?"

He refers to talks between the Grand Lodges of Minnesota and Wisconsin with Prince Hall Masons, examining the chances of mutual recognition; to a directive in Iowa for lodge committees to deal publicly with problems of drug abuse in schools; to the problems of metropolitan Masonry in Illinois; to special charitable activities in Kansas, New Mexico and Ontario (our H.E.L.P. program as first announced); to past officer's jewels possibly being made the property of the organization (District of Columbia and Wyoming); and, on the lunatic fringe, (although he is too polite to say so) the request for a ruling on whether a freight handler at a

terminal through which beer was occasionally trans-shipped could be accepted for initiation.

M.W. Bro. Hunt's review is not as diverse in scope as in the previous year, but it is still probably the best in the business.

There were 4 Special Communications for dedications, 3 of which were non-masonic including the City-County Administration Building at Livingston and the cornerstone plaque of a new Airport Terminal at Belgrade.

If there were a Guinness Book of Records for Grand Masters, M.W. Bro. Newby (who is 65) would certainly have a place when, at an outdoor luncheon for delegates during Grand Lodge, he "arrived over the golf course in his 1932 Model 2T-1A Great Lakes Biplane and gave a demonstration of aerial acrobatics consisting of inverted flight, power dives, loops, rolls, stalls, spins that thrilled those present. --- He landed his plane on a fairway and joined the delegates for lunch."

Only 2 of the 20 living Past Grand Masters were not at Grand Lodge and, of these, one was in the Masonic Home and the other had recently had a serious accident.

A petition for dispensation for the research lodge was approved. The Jurisprudence Committee disapproved 2 of the Grand Master's dispensations which permitted lodges to hold elections in November instead of December, holding that the G.M.'s authority was limited to approval only after the December date. Realizing that this would make all subsequent actions in the 2 lodges illegal, the Grand Master refused to accept the Report, and, on a standing vote, was sustained by Grand Lodge. The Committee then modified its Report.

Nine resolutions had been presented for action, and all nine were rejected, including permitting absentee proxy voting at Grand Lodge, forbidding any increase in Grand Lodge per capita dues

without ratification by 75% of the individual lodges, and accepting petitions from 18-year-old sons of Masons.

Official delegates from each of the subordinate lodges (W.M., S.W., J.W., Secty.) are paid a mileage and per diem by Grand Lodge.

There are no detailed Financial Reports on the Masonic Home. The Trustees' single page report indicated a maximum of 60 residents, a "windfall" of \$105,000 from estates, plus a record "recovery" from residents of \$310,000 to give an overall surplus for the year of \$176,000.

After the new Grand Master, M.W. Bro. Perkins, had been installed, he was presented by his predecessor with the historic signet ring that has been worn by each Grand Master since it was made of native Montana gold by M.W. Bro. Samuel Word in 1887. M.W. Bro. Word had given it to his successors in perpetuity. The names of all the Grand Masters who had worn it were read.

The Proceedings include a complete roster of officers and members of each of the constituent lodges. This takes up nearly 2/3rds of the pages.

The Deputy Grand Master presided at the Annual Communication due to the long illness of the Grand Master. The proceedings are essentially a verbatim report. Detailed agenda and related documents had been pre-circulated.

Freemasonry in the Netherlands started in the early 18th century. A lodge at Nymwegen (well known to Canadians in World War II) celebrated its 225th Anniversary. Grand Lodge (Grootosten der Nederlanden) has Provincial Grand Lodges in Netherland's Antilles, in Surinam and in Rhodesia, and a lodge in Johannesburg, South Africa.

The average lodge membership is 50. This is deliberate policy and adds to the close fraternal relations and participation of all members which this Grand Lodge considers as vital. The Deputy Grand Master criticized the quality of papers given by newly raised Master Masons (a requirement of their M.M. examination) and requested senior brethren to assist in instruction.

A request was received at Grand Lodge for a new lodge to be called "Salvador Allende." After considerable discussion this was refused.

Grand Lodge publishes a monthly fraternal magazine with articles of a wide range. The Masonic Museum in The Hague is extensive and had 1,750 visitors during the year. The Grand Lodge Library lent 1,650 books and documents.

Grand Lodge sponsors a Masonic Research Institute of which a large percentage of its Master Masons are members. (W. Bro. van Wamelen is a member, C.A.S.) It publishes papers on all phases of Freemasonry. It has issued a beautifully illustrated book on the history of the Craft in the Netherlands and, some years ago, was commissioned to design modern jewels for lodge officers. There are few, if any, Grand Jurisdictions which place more emphasis on the Masonic knowledge of its brethren.

Grand Lodge parallels the Grand Lodge of England in its charities, assisting and sponsoring schools and senior citizens' homes. It maintains friendly relations with 177 other Grand Lodges.

The title page of the Proceedings contains the directive:—

"The Worshipful Master of each lodge shall at the next Stated Communication (after receipt), cause to be read in his lodge the Address of the Grand Master, the report of the Committee on Jurisprudence, together with the action of the Grand Lodge thereon, and all the standing

Resolutions adopted at (the) Annual Communication, which fact the Lodge Secretaries are required to report to the Grand Secretary at once."

There were 4 cornerstones laid, each for a public building of significance:— the Clark County Community College, the Dri Solar Energy Research Facility, the Desert Research Institute of the University of Nevada, and the Washoe County Health and Welfare Buildings. In each case, an impressive ceremony was arranged, complete with appendant orders, and with members of youth organizations as ushers, a speech by the Grand Master explaining the Masonic traditions as to cornerstones, and other addresses to complete a major effort in public relations.

The Grand Master, M.W. Bro. Dobson, was optimistic:—"I am greatly encouraged by the number of younger men who are petitioning --- (and by) the number and quality of younger officers in some of our constituent lodges." "Where problems have arisen we find ourselves in the position of the comic strip character, Pogo, when he said, 'We have met the enemy, and they is us'." He had visited 35 of his lodges individually and the remaining 4 at 2 joint meetings.

March was designated as "DeMolay Month" by the Grand Master, — "Each Lodge to include a program on DeMolay or at least a talk pertinent thereto." Nevada DeMolay is very strong, "in 4th place in DeMolay International" (remarkable for a small-population State) and surpassing their membership goal.

Letters were sent to 124 brethren due for suspension N.P.D. Of these 53 paid their dues. Fifteen of the 39 lodges had all dues paid up!

The "Master of Instruction" proposed a short form for closing the M.M. degree, but a resolution to approve this was declared illegal by the Jurisprudence Committee. Another resolution defeated would have allowed the "National Sojourners Inc." to establish a branch in the State.

A Charitable Fund was started ("we are 110 years late in starting this"). Of course there have been Grand Lodge charitable activities before. What is involved now is a formal organization.

Your reviewer is encouraged by the forward-looking outlook of this small but active Grand Lodge.

Our M.W. Bro. Robert Davies attended the Annual Communication and gave "a most inspiring address" at the Grand Master's luncheon.

After the formal opening of Grand Lodge and presentation of guests, the Friday evening session proceeded to "A Service of Worship and Thanksgiving." In his sermon, the Grand Chaplain referred to faith as "The Control Tower of Action." "In any reading of history, --- the man of faith has served best and not the man of doubt and defeat. --- Do not ask faith in the living God to stand still. Do not ask our fraternity to be content with itself."

The Grand Master, M.W. Bro. Oulton, emphasized the value of lodge notices, praising those which documented lodge activities, program and fellowship and recommending upgrading of the others. He was optimistic, — "The outlook for our next Masonic year appears to be very promising. --- Some Lodges that have not had any candidates for a number of years now have not one but several candidates under instruction."

The financial statements continue to show an annual deficit in operating account. The benevolent fund provided 8 scholarships of \$750 each. The W. G. Quinn Memorial Fund now stands at \$267,000. The Grand Lodge Library is being catalogued in preparation for the establishment of the Quinn Circulating Library.

A further 1-year extension was given for "semi-public" Lodge Installations provided the Grand Master or a P.G.M. were in charge and all the work was done from memory. The four meetings of the Board of General Purposes were made open to the D.D.G.M.s, and this appears to have improved communications.

M.W. Bro. Blake A. Oulton was re-elected for his second term as Grand Master.

There were 8 Special Communications for 4 dedications, 2 funerals for Past Grand Masters, 1 to attend a DeMolay meeting, and 1 to celebrate summer St. John's Day.

The William Pitt Tavern building in Portsmouth, in which the Grand Lodge was established in 1789, while badly deteriorated is still in existence. John Stavers, a member of St. John's Lodge (now No. 1), had acquired the land in 1766, built his "The Earl of Halifax Tavern" which occupied 2 floors, and provided a 40' x 17' lodge room on a third floor. Stavers rented this to his lodge, whose minutes record a first meeting there April 14, 1768. St. John's Lodge was one of three lodges which founded the Grand Lodge of New Hampshire, all the founding meetings being held in this building. Serious efforts are being initiated to restore the lodge room and premises for the bicentennial of Grand Lodge in 1989.

The Grand Master issued a directive to presiding officers of all co-ordinate bodies "that all brethren who attend any meeting of the York Rite, the Scottish Rite or the Shrine be required to show a current Blue Lodge Dues Card before gaining admission to any of their meetings. "To reduce suspensions and demits, he ordered that the Grand Secretary be advised immediately of any 90-day notices of suspension N.P.D. and also of any requests for demits *before* acceptance by the lodge. The Grand Secretary will get in touch with the brethren involved.

One dispensation is of interest:—"Social Friends Lodge No. 42, Keene, to permit Bektash Temple Shrine Color Guard to participate --- at Keene State College Gymnasium, on the visitation of the Royal Canadian Mounted Police Degree Team. It is directed that the Shrine Fez will NOT BE WORN."

The constitution was amended to establish state-wide concurrent jurisdiction.

A new lodge, "General William Whipple Military Lodge" was established, to work with other like units in other states "to emulate certain military highlights which took place during the Revolutionary period." The Lodge will confer no degrees and its charter is issued for 6 years.

The Masonic Home had 31 guests at the year end (cost \$10,000 each). The acceptance of "paying guests" was approved. The Masonic Home Trust has \$2.5 capital and Grand Lodge contributed less than \$25,000 to operations during the year.

The Grand Master, M.W. Bro. Abbott, referred to the Masonic Charities of New Mexico Inc., as "the greatest thing that has happened in this State of New Mexico to uplift Masonry." The assets of the new company are \$51,000 and they have applied for tax-exempt status. For the latter, one-third of all donations must come from individuals and this blocked a planned transfer of the \$154,000 in the Masonic Home Fund (there is no Home) to the Charities Fund.

Strong support of DeMolay was urged as a potential source of young Masons. The Committee on DeMolay reported declining membership and interest and recommended an increase in "activities" to revive this organization.

The Revolving Student Loans seem to be working well (max. loan \$2,000 @ 2½%). Some \$13,000 (\$12,000 principal and \$1,000 interest) was returned to the fund as repayments during the year. Nine small new loans were made.

The Grand Lodge of the State of Espirito Santo, Brazil, was recognized.

The "New Mexico Freemason" carries material not included in the Proceedings such as Fraternal Reviews and reports on

conferences attended by Grand Lodge officers. The Southwestern Masonic Conference dealt with such matters as, "How can we encourage dynamic leaders who are Masons to serve as Worshipful Masters without requiring them to devote 7 or more years going through the line?" It would be of interest to have the concensus (if any).

The Lodge of Research reported 4 meetings. This lodge meets at other lodges by invitation. They hope eventually to meet in every lodge in the State. The lodge also sponsored a lecture by W. Bro. Harry Carr in Albuquerque.

The preliminary ceremonies of invocation, flag presentation, roll call of lodges, presentation of members of youth organizations, introduction of distinguished guests (including our M.W. Bro. James N. Allan), of Grand Lodge officers, and of Grand Representatives preceded completion of the formal opening of Grand Lodge.

The Grand Master, M.W. Bro. Schneider, referred to the importance of public installations. He placed special emphasis on membership; promoting attendance (personal contact and family participation), a membership call system, interviews with Brethren thinking of demitting.

A motion to have all lodges elect officers in June and install in September was defeated.

After numerous frustrations, computerization of the Empire State Mason mailing list is operating properly and data are available to the Grand Lodge office. Computerization of the Grand Secretary's data was "deemed to be an imprudent expenditure for Grand Lodge at this time."

The 10 lodges under the District Grand Lodge of Syria-Lebanon are in "nightmares, lodge premises seized and looted, some brethren killed, or bankrupted, or kicked out of business and

residence," which explains a 2-year communication gap. The District Grand Master, R.W. Bro. Layoun, has "met most of the brethren of the District and encouraged them to start meetings in one of the brothers' residence temporarily, thus keeping the brotherly link and affection among themselves. --- Quick help was forwarded (to some members) thru brethren donations, it was not so much, but at least we let them feel that we are one in the Craft." The Committee on Correspondence and Relations recommended approval that \$5,000 be sent to the District Grand Master for relief.

The cost of operating the Masonic Hall and Asylum at Utica was \$7.7 million (payroll \$5 million) or \$14,346 for each of the 533 adults and 6 children in residence. Of the adults 239 were permanent patients in the Health Facility. Only \$665,000 came directly from Grand Lodge fees (or \$3.41 per member) but there were over \$1.6 million in "unrestricted legacies" and nearly \$0.5 million from the Brotherhood Fund. "The New York State Health Department survey gave (our) Medical Services Department its highest rating." The facility has a pharmacy, a clinical lab., eye and dental clinics, a speech and hearing department, infection control, physical therapy, occupational therapy, active updating of nursing service and a comprehensive activities department as well as a summer camp.

An intensive campaign was announced to raise \$8 million over the next 3 years for additions (81 new beds, a new wing for ambulatory patients) and alterations to the Home. This is necessary to maintain full compliance with State specifications for nursing homes and health-related facilities and retain Medicare/Medicade grants and other benefits of operating a government acceptable facility. As background information, a committee summarized data from 41 other Masonic jurisdictions with homes as well as the principal charitable activities in 24 other Grand Lodges.

There is also, at Utica, the Masonic Medical Research Laboratory "to conduct research in basic gerontology." Cost for the year was \$623,000. Work at the laboratory received special commendation from the Grand Master.

The Fellowship Committee organized and promoted many activities on both district and state bases:—bowling, golf, photography, fishing, baseball, campers clubs, gun clubs, marine clubs, archery, trap and skeet, snowmobile races, cards, chess,

billiards, track and hiking, youth programs as well as spectator events in support of the Brotherhood Fund.

The Grand Master and other senior Grand Lodge officers were installed for the 2nd year of their term.

Grand Lodge is structured in 14 Districts, each with its "Provincial Grand Master" and its own Provincial Grand Lodge officers, including 1 to 3 members of the Board of General Purposes of Grand Lodge.

The Grand Treasurer reported a housecleaning of investments. A number of "local body stocks," returning 5.4%, were sold at a capital loss (if the sale had been delayed the loss would have been much greater) and replaced with short term deposits, yielding as high as 13.5%. The financial climate in New Zealand is, as elsewhere, in a state of inflation and of flux. Assets are listed at NZ\$2.7 million, of which investments exceed NZ\$1 million.

Benevolent contributions from lodges were NZ\$128,000 (average NZ\$3.30 per capita). Bursaries were awarded to 58 students, 35 in secondary and 23 in post-secondary schools (total NZ\$17,175). Kirkpatrick House, for accommodation of daughters of deceased Masons, had 11 girls in residence (expenditures of NZ\$30,000). Complete accounts of the Papakura Masonic Home are not given.

Thirty-two brethren (all senior) were given "conferred past rank." One 85-year old Past Master, who had completed 22 years as Treasurer of his lodge and was actively completing his lodge's history for their centennial in 1979, was made Past Grand Treasurer. R.W. Bro. E. D. Sayer, New Zealand's representative near the Grand Lodge of Washington, received a very special welcome from the Grand Master and was given the rank of Past Grand Warden.

The comprehensive report of the Board of General Purposes was taken as read and then considered clause by clause. One dormant lodge was revived and one lodge lost by amalgamation. Up to NZ\$1,000 was approved for distribution to the Research Lodges to assist their work. An Assistant Grand Secretary was appointed. A proposal by "a private lodge" to increase the minimum initiation fee from NZ\$30 to NZ\$60 was defeated.

There are problems between the Grand Lodge of New Zealand and the Grand Lodge of England flowing from the charter of an existing English lodge in New Zealand being moved to a different and distant town. Articles of Recognition with the Grand Lodge of England were signed in 1908, 18 years after the Grand Lodge of New Zealand was established. The story reminds your reviewer of corresponding years in our own Grand Lodge. Although England agreed not to found any more lodges in New Zealand, New Zealand is faced today with 40 E.C. lodges in its territory, and the "union," agreed to 80 years ago, is obviously not effective in spirit, when an E.C. lodge is "moved" in this manner. The propriety of your reviewer making a personal comment on a sensitive matter involving two Grand Lodges with which his own Grand Lodge is in cordial amity may be questioned, but there can be no question whatever as to where his sympathy lies.

The Grand Master, M.W. Bro. Donaldson, spoke briefly after his re-installation. He is moderately optimistic as to the state of the Craft, pleased with the upkeep of Masonic premises, and with younger officers appearing in lodges. "Freemasonry in New Zealand is in good heart" in spite of its problems.

This Grand Lodge continues to grow. One new lodge was consecrated and one started under dispensation. There were 8 Emergent Communications at one of which appointed Grand Lodge officers were installed. There are 9 brethren in "the line" to the Grand Master's office, starting with a (Junior) Grand Steward.

The 7 dedications and cornerstones involved 5 new temples (16 new temples in 2 years!) and 2 non-masonic buildings.

Our M.W. Bro. Davies attended the Annual Communication.

In a eulogy to M.W. Bro. J. E. Allen, senior Past Grand Master, 70 years a Mason, Grand Master 1937, M.W. Bro. Harris referred to a list, credited to Mahatma Gandhi, of the seven most grievous sins, and their absence from M.W. Bro. Allen's life:—"wealth without work, pleasure without conscience, knowledge without character, commerce without morality, science without humanity, worship without sacrifice and politics without principle."

The Grand Master, M.W. Bro. Watson took strong positive action in two of his "orders." A local Shrine Club, in spite of warning from the Potentate and a formal letter from the Grand Master, completed a lottery draw for a car, "in violation of the laws of the State of North Carolina and the constitution and regulations of Grand Lodge." The Grand Master, himself a Shriner, ordered the Potentate to revoke the charter of the Shrine Club and take possession of all its assets "as provided by Shrine Imperial Law." Charges of U.M.C. will be laid against those responsible for "disdainful and insolent conduct." In another case, a lodge had received petitions and initiated two candidates without obtaining waiver of jurisdiction from the lodge near to which the applicants resided. The Grand Master ordered the initiation fee to be returned to the aggrieved lodge, confirmed membership in the offending lodge and held it responsible for the Grand Lodge joining and charity fees.

Workshops were held in every district. Total attendance was over 2,000, nearly 6 members per lodge, including 194 "potential junior stewards."

Recognition was withdrawn from the Grand Orient of Italy. No action was taken on the Grand Orient of Brazil or the Grand Lodge of Cuba.

Construction of 113 new retirement units in the Home will begin in 1978, permitting an increase to 180 guests. There is now a 2-year waiting list. Occupancy for 1977 averaged 142 (72 in the "care centre") at a cost of \$5,600 each.

The Oxford Orphanage Inc. is state approved as a "non-public" school and gives, in addition, several technical training courses. A \$3.5 million endowment is being sought, towards which

over \$700,000 is reported to be contributed. There were requests that the facilities at the orphanage be made available to other children resident in the county. No action was taken on this.

The North Carolina Masonic Foundation controls assets of \$1.7 million.

The Grand Master's schedule was almost unbelievably hectic, — "I have been home about 18 days since being elected, the rest of my time is for others and other branches of Masonry." The Grand Secretary resigned after 1 year in office. The new Grand Secretary is R.W. Bro. W. H. Francis.

Grand Lodge recognized the Grand Lodge of Parana, Brazil. No action was taken on the Grand Orient of Italy,—"We would like to see whether there is any improvement on the expiration of the term of office of the present Grand Master."

A comprehensive review of the ritual is being initiated. Two workshops were held under the Board of Masonic Education. These were "very well attended and enthusiastically received."

There were 47 residents in the Masonic Home. Its expenses of \$263,000 (\$5600 per resident) came 58% from guest pensions and other on-site revenue, 31% from endowments (assets \$1.1 million) and only 9% from Grand Lodge fees and dues. The Superintendent of the Home became terminally ill and, at her request, was looked after in the Home until her death. Eight new residents came to the Home during the year, the oldest, age 91, "a very keen old gentleman who plays the piano well and enjoys it." Among the donations to the Home was \$1,150 from "The American Canadian Grand Lodge, A.F. & A.M. (within the United Grand Lodges of Germany)."

Our M.W. Bro. Robert Davies attended the Annual Communication of this, the numerically largest Grand Lodge in North America. Our M.W. Bros. Foster and Nancekivell were at "International Masonic Day" for the Grand Master's Reception in the Cleveland District on May 20.

30 Special Communications were held during the year. 3 cornerstones, 5 lodge dedications and 22 lodge "rededications." Two of the latter were 125th Anniversaries.

Grand Lodge is divided into 25 Districts, but there are 58 D.D.G.M.s, only 2 of whom are responsible for over 20 lodges. The Grand Master attended Masonic functions on over 250 days, including being present at our Grand Lodge.

One lodge's officers were "severely reprimanded" at Grand Lodge for having used "unauthorized deviations" (a short form) of the second section of the M.M. degree. They had apologized to the Grand Master and undertaken that the offence would not occur again. A resolution to have the Ritual Committee prepare a short form for this degree was unanimously rejected.

One new lodge was chartered and another started under dispensation.

The Insurance Committee, while recognizing that each Masonic Temple "prefers to make its own decisions," concluded that insurance coverage needed almost constant review due to changing values. They suggested professional appraisal, admitting that this was "an unpopular request." Some lodges will have problems paying for adequate insurance. "Regretfully there is no simple answer."

An "old lodge room" for Ohio Village Lodge No. 10" (No. 10 is the first vacant number on the roll of lodges) has been set up in the Ohio Village in Columbus, and represents a lodge room of the 1840's. By arrangement, lodges may meet there, although it is too small for an M.M. Degree. The Committee were very enthusiastic about this project as "one of the finest public relations vehicles that the Grand Lodge could possibly have."

The State of the Craft Committee, of which the chairman was the Deputy Grand Master, made 7 suggestions for stimulating lodge attendance. Five were concerned with family participation (public installations, father-son and mother-daughter nights, public presentation of service awards etc.). The other 2 were inviting youth groups to exemplify work and to use the media to publicize lodge functions.

Two bodies of the York Rite College were set up in Ohio, but were disbanded, and their charters returned, when the Grand Master advised the members that this was "an irregular organization" under the Masonic code, and membership therefore forbidden.

The capital of the Scholarship Fund reached \$225,000. Twenty-nine scholarships of \$50 each were awarded to students in Ohio post-secondary schools.

The Masonic Home averaged 470 residents and had 418 "full time employees." With this ratio, the reported cost of \$10,081 per resident seems remarkably low, unless some "employees" work voluntarily. An 8% increase in cost per resident is budgeted for the next year. With operation expense over \$5 million the Board of Trustees "is concerned about the future."

The Temple Committee approved 18 requests from lodges and temple corporations for authorization to proceed with temple alterations or construction. The largest item permitted the (Columbus) Temple Association "to spend \$252,800 and to borrow \$100,000" to build a temple for 2 lodges.

Although "some 30" Proceedings were reviewed, the reviewer's report is, regrettably, only about one page of simple generalities.

There were 13 Special Communications, all for cornerstones (2 non-masonic) and/or dedications. One of these saw Grand

Lodge "opened on the Entered Apprentice Degree in Ample Form in Canadian Lodge No. 22," Canadian, Okla. and proceed to Indianola Lodge No. 242 to lay its building cornerstone.

The Grand Master, M.W. Bro. Burgess, stressed good publicity, good public relations and attention to youth as essential for Masonic progress and to stop the continuing loss of membership. He noted, with approval, the trend "to get out of the old dilapidated buildings and off the second and third floors and move to nice new ground floor lodges."

Resolutions approved at Grand Lodge included a Grand Lodge Surety Bond for all lodge Treasurers and Secretaries (premiums billed to the lodges); a formal recognition in the Code of "Other Masonic Bodies" (Royal Arch, Templars, R. & S. Masters, A. & A.S.R., Shrine), of "Affiliated Bodies" (Eastern Star, Amaranth, White Shrine), of "Appendant Bodies" (DeMolay, Rainbow, Job's Daughters) together with 2 additional resolutions, one making either soliciting to join or applying to join any other Masonic or affiliated body a Masonic offence if within 6 months of receiving the M.M. degree, and, the second, making it a Masonic offence to pay dues to any such other body if not in good standing in a Craft Lodge.

A resolution to remove the requirement of U.S. citizenship for all lodge officers was defeated. A resolution to increase the per capita fee from \$3 to \$5 was also lost. This will have a serious effect on the Masonic Home, for which the resolution was primarily introduced.

The charter of 1 dormant lodge was lifted and 4 lodges consolidated with other lodges. Two Masters were reprimanded for inadequate investigation of a petitioner. Disciplinary action was taken against one lodge for gross pre-election irregularities. A trial commission of 3 Past Grand Masters was set up to investigate, the Master suspended from office and a Past Grand Master placed in charge of the lodge as "acting Worshipful Master" until the unrest was settled.

Expansion of the Masonic Home was completed at a cost of \$2.5 million (original contract \$1.7 million). The Grand Master reported, "It is the finest home for the aged to be found anywhere in the State of Oklahoma and you should be proud of it." Proud of it or not, it appears that the operations will have to be restricted by financial problems. \$1.5 million of a \$2 million loan was spent on construction and, presumably, will have to be repaid. Home

expenses (117 guests at near \$7,000 per guest) were over \$90,000 above revenue and the pay for the staff must have been inadequate as the Grand Master reported, "When it becomes necessary over a year's time, to hire nearly 200 people to keep less than 80 positions filled, something is wrong." The Grand Master put up a strong reasoned case for a \$2 increase in per capita dues as the only way to maintain the Home the way the brethren wanted. The brethren did not agree and turned down the additional dues. To make matters even tighter, the Home Board of Control reported "The Children's Home report is exceedingly gloomy. The census is very low and costs continue to rise --- drastic changes must be made." They suggest replacement of the out-moded home with a cottage-type structure with separate wings for girls and boys and razing the existing buildings. Someone is going to have to cut the cloth to fit the dollars.

"Student of Today Awards" and "Senior Essay Contest" were sponsored by the Public Schools Committee. 216 lodges cooperated with 975 schools in awarding 2196 certificates to students based on "scholarship, citizenship and leadership." Six essay prizes were also given.

There were 4 Occasional Communications for cornerstones (3 non-masonic).

The Grand Secretary, M.W. Bro. W. D. Elliott resigned as of the end of 1976. The new Grand Secretary is R.W. Bro. E. E. Phillips.

More than half of the District Meetings were open and "our families and friends were able to attend." The Grand Master adds, "Whether (meetings) were tyled or open I always asked for oral reports from the Masters and the District Deputies." It would be easy to guess the kind of answers he received.

The Grand Master, M.W. Bro. Gleason, strongly encouraged "a closer working relationship between lodges and youth groups." He records with special pleasure speaking to "1400 beautiful young ladies" at a Rainbow Grand Assembly, attending "the Grand Master's Class" of 43 initiations into DeMolay, and being at the Masonic Youth Ball at the Scottish Rite Temple in Portland.

Developments in the Oregon Legislature might seriously impair the highly favourable tax situation which fraternal orders appear to have in this State. The committee on Public Schools reported at length. Bills pending would remove the tax-exempt status from organizations which do not admit women, reduce property tax-exemptions to the ratio of an organization's charitable donations to total income, require a review of existing tax-exemptions every 9 years, and require owners of tax-exempt property to contract for fire and for police protection with the local authorities. None of these 4 bills had passed. The consensus was that anti-discrimination laws for women would reach the Supreme Court via one of the numerous bills before State Legislatures (not necessarily Oregon) and that the others would get bogged down. The Committee recommended definite political action, including the appointment of a Legislature liaison officer (who would have to be registered as a lobbyist), a study by lodges of Federal and State Constitutions and the Federal Bill of Rights, invitations to legislators to speak to lodges "and ask them pointed questions concerning their views and aspirations." Masons running for the Legislature ("only 8 legislators belong to the Masonic fraternity"), and a strongly developed sense of political action. "We have an obligation to be vigilant and alert to governmental affairs." This report was "accepted." What action will be taken on the recommendations remains to be seen.

The Jurisprudence Committee considered 18 proposals. One accepted replaced "gold bullion" and "gold embroidered" in regalia specifications by "gold colour." Another to increase per capita fees from \$5 to \$6 was tabled, as were 7 resolutions restricting educational assistance to "public schools and State institutions of higher learning."

The Masonic and Eastern Star Home is well managed and maintained. It has about 80 residents at a cost of \$9,600 per annum each. This was some \$52,000 over revenue, so typical financial problems are surfacing.

The Grand Reviewer submitted a 14-page essay on his work. "For the first time since serving (as reviewer), I find the statistics confirm an attitude of optimism." "Taxation is now a universal problem." "Masonic Homes in many areas are truly in a dangerous financial condition." He writes at length on youth organizations, and considers work with and support of younger people to be essential to Masonic survival. "Young people want more from us than talk and high flying oratory. They want an expression of faith and brotherhood." He analyzes data from Grand Lodges which had membership gains or decreased losses, and concludes that vitality and activity at the lodge level is the key. He tells his readers to get a copy of the 1976 New Brunswick Proceedings from the Grand Secretary and read "every word" of an address of Vice-Supreme Master J. E. Barry of the Knights of Columbus "as it forcefully points out the proper direction for fraternal societies." He refers to our \$500,000 objective for the Foundation by 1980 and to other "special or innovative programs." Your reviewer found the essay pertinent, well written and sound.

The history of the Grand Lodge is, apparently, being published seriatum in the Proceeding. The volume under review contains chapters 113 and 114 (1971-2 and 1972-3).

Our M.W. Bro. Robert Davies attended the Quarterly Communication in December and "addressed the Brethren in behalf of the Distinguished Guests with a most eloquent and inspiring message." The Grand Master, R.W. Bro. McCain, is an Active Member for Pennsylvania and 18 members of the Supreme Council A. & A.S.R., including the Sovereign Grand Commander,

Ill.: Bro.: Stanley Maxwell, 33°, were among the honoured guests at this Quarterly Communication. There were 7 Special Communications, all for dedication of Masonic premises.

The Grand Master referred to the most cordial comments from England following the visit of the nearly 1700 Brethren who had visited the Grand Lodge of England as part of the 1976 bicentennial celebrations. He announced that the booklet "Freemasonry, A Family Concern" was to be given to each E.A. on completion of the first degree, to be shared with his family. One of the Grand Master's decisions was that there must be at least a 6-month interval between the M.M. degree and the date at which a brother might sign a petition for another organization requiring, as a prerequisite, membership as a M.M.

Operation of the Masonic Homes cost \$7 million (\$12,467 for each of its 565 guests, average age 82) of which \$1.4 million were guest contributions and \$2.7 million social security, Medicaide, pensions and annuities of guests. Health care facilities were improved at a cost of \$2 million. Some 4,000 visitors registered at the formal dedication of the new Benjamin Franklin building on July 25th. Insurance on buildings and contents is at \$38 million. The "general fund balance" stands at \$23 million. This tremendous and successful endeavour now has 778 applications pending. During the year, 217 applications were approved. There were 102 deaths.

By contrast, the Thomas Ranken Patton Masonic Institution for Boys has become obsolete under present day conditions. The average enrolment was 7.3 boys surging the cost per boy to \$21,501. Boys have been leaving because of "dislike of the Patton routine" and 3 were dismissed for breach of discipline. At the date of the Annual Report there were only 4 boys and no applications on hand. Legislative action is being proposed to change the trust requirements to permit co-educational attendance. The extensive facilities and grounds were used during the summer for conferences of Rainbow and Jobs Daughters.

A petition for a new Lodge was received and was referred to the Grand Lodge Officers "with power to act."

PHILIPPINES — 1977

There were 8 Special Communications, 5 to consecrate new lodges (combined, in one case, with laying a cornerstone for the temple), and 3 dedications of Masonic Temples. There was 1 amalgamation of lodges. This leaves a net gain of 4 lodges and there are 5 more U.D. Freemasonry in the Philippines is alive and growing.

After the usual opening and receptions, Grand Lodge was called to recess to hear a remarkable address by Senator Salvador Laurel. Using the title "The Imperative of Involvement," Senator Laurel (whose father had been a prominent Mason) first quoted from the Masonic Handbook "Freemasonry frowns upon controversial political discussion --- (Nevertheless), it should not be inferred that Freemasons are enjoined to disregard those social or political issues which are fundamental to the welfare of our country," and proceeded to analyze constructively the situation in the Philippines. Here are some excerpts:—

"We are not in a situation where things are either absolutely black or absolutely white. Absolutes are dangerous propositions. --- Whether or not we accept the legitimacy, necessity, and wisdom of martial law, the fact is that it is here, --- a compelling reality, and we have no choice but to make the most of it for our country and our people --- Martial law is necessarily coercive and support can never be coerced. It can only be earned. ---

(So) do not shy away from the problems of our people simply because we are under martial law. --- Speak out, not to obstruct but to help, not to disparage but to give counsel! And, when national interest is involved, prefer to be silenced than to be silent! ---

While waiting for martial law to be lifted, we should address ourselves to the twin problems of mass poverty and mass injustice. We simply cannot fold our arms and do nothing. --- The cleavage between the 84% who are very poor and the 1.2% who are very rich is fast deepening. ---

Let us get involved! The roster of Freemasonry rings with the names of libertarians who neither brooked repressions of freedom nor hesitated to involve themselves in the problems of the country. --- The ghosts of Rizal and other heroes of our race who were steeped in the high ideals of your society are already restless over our own apathy in the face of massive difficulties confronting our nation."

The Grand Master, M.W. Bro. Araneta, reported on his trip to Hong Kong, Taipei (met G.M. of China), Korea (receptions by each of the 2 lodges there under Philippine jurisdiction), Tokyo (met G.M. of Japan), and Okinawa (receptions and installation of officers of the Regional Grand Lodge of the Ryukyus). He was unable to go to Guam because of a typhoon. He reported on the "Masonic Coordinating Body" (in existence since 1969) which "coordinates the efforts of the Rites in all matters external (to them)." One example is the quite extensive scholarship program. He referred to managerial training for lodge officers, issued circulars on Masonic Education, and emphasized what he called "Institutional Service":—"I called on the brethren to project Masonry as an institution, for in this age of mass communication, anonymity is a courtship of extinction."

One resolution approved required an application to be "in the applicant's own handwriting (with) a passport size ID photo." Among several resolutions rejected was one providing for suspension for non-attendance, without satisfactory excuse, of 6 consecutive stated meetings of a lodge, and another for a pin or ring for Masons' wives, daughters (etc.) as identification for assistance when required.

Charity is administered by the Charity Investment Committee (principal donations to tidal wave and to typhoon victims); the Guardianship Committee (loans to Masonic dependents studying in the Manila area); and the Masonic Hospital for Crippled Children. The number of patients varied from 14 to 9. Receipts (66% from investments, 29% G.L. assessments, 5% donations) were \$27,300 (calculated 1 peso = Can. \$0.16) and disbursements \$25,100. The reported "average hospital bill per month" of only \$204 seems unbelievably low.

The Proceedings include full financial statements and the annual report of "Acacia Mutual Aid Society Inc." supplying insurance both on a group and on an individual basis.

The new Grand Master, M.W. Bro Zaldivar, is a retired associate justice of the Supreme Court who has had a highly distinguished career in law, in administration, in politics and in finance. He is a Knight Grand Cross of Rizal (the highest Philippine order), and is President of the YMCA of the Philippines, Executive Vice-President of the Philippine Eye and Ear Infirmary Foundation, and a member of the Board of Trustees of Central Philippine University, as well as being an Active Member 33° of the Supreme Council of the Philippines.

M.W. Bro. Zaldivar's inaugural address referred to Senator Laurel's speech and actively and persuasively advocated action within the law. "I believe the Masons, as citizens and members of the community, should actively assert themselves, --- should emulate the Masons of our country who in the past figured prominently in the efforts to correct injustices --- 'The forces of evil will only triumph if good men do nothing'---." His speech was, however, most remarkable in revealing the closeness of the relation with the Roman Catholic Church. He quoted extensively from a speech of Cardinal Rosales. This concluded, "Freemasonry is to be esteemed and praised, for whereas there are religions which are quarreling among themselves about their particular beliefs, Freemasonry holds those beliefs of which there is no dispute. --- A future of sincere cordiality exists between us." M.W. Bro. Zaldivar also noted an address by a Jesuit at a Scottish Rite Maundy Thursday ceremony, and that the Roman Catholic Bishop of Antique had replaced him as speaker at a Masonic installation when an emergency had prevented his own attendance, continuing:—

"The Roman Catholic Church is doing exactly what the Masons of old were doing. --- The Masons in our country were the champions of freedom --- they did not count the cost in fighting for human dignity and human rights. Shall we Masons of the present day just sit at the background? --- It is my fond hope that I will merit the support and cooperation of my brethren in involving the masons in matters that affect our country and our people."

One has to adjust perspective in financial matters in a Grand Lodge whose total expenditure from General Fund is only about \$4,000. Annual per capita fees were increased from \$2.50 to \$3.50 consequent on the rent for the Grand Secretary's office being tripled to \$100 per month.

The Board of General Purposes recognized "the necessity of a special project to keep the lodges on P.E.I. working and interesting." Although a suitable site was available, it was agreed that membership was too small to support a home for elderly Masons. Purchase and reopening of an orphanage may be equally beyond reach.

The Benevolent Fund (assets \$92,000) gave 4 bursaries of \$250 each. Eight such bursaries were approved for the following year.

Our M.W. Bro. Robert Davies attended the Annual Communication and spoke briefly.

The Grand Master, M.W. Bro. Carmichael, whose itinerary involved Masonic engagements on over 150 days in the first of his two years in office, has been giving tireless, able and devoted leadership during serious times. Texts of the 1st and 2nd degrees are now available in French and the 3rd degree will be ready

shortly. The Committee on Rites and Ceremonies recommended that the Grand Master direct the preparation of constitutional amendments to authorize any lodge to work its degrees in either English or French in accordance with the candidate's requirements. The Grand Master refused a dispensation to a lodge to ballot for and then initiate a candidate on the same evening.

The reports of the D.D.G.M.s include reference to senior members retiring and leaving the province; to financial problems; to community activities, e.g. a joint dinner with the Knights of Columbus in aid of a workshop for retarded children and a Variety Show for the Kidney Foundation; to Masonic Seminars; and to Divine Services. Some 1700 worshipers attended a Grand Lodge Ecumenical Service in St. James United Church, Montreal, in which R.W. Bro. Rabbi Solomon Frank was the speaker.

The Committee on Fraternal Relations recommended recognition of the State Grand Lodge of Sao Paulo and against recognition of the Grand Lodge of Pernambuco, both of Brazil. They refer to "a noteworthy development within Freemasonry" in the consecration of two Lodges, operating under charter of the Prince Hall Grand Lodge of Pennsylvania, as Lodges in the Grand Lodge of South Africa. Such an acceptance of members from a "coloured community" in South Africa, however long overdue, will be warmly welcomed.

Grand Lodge continued to have an annual operating deficit. The increase in dues approved in 1977 was only operative from January 1st and the books will not be balanced until this has been in effect for a full fiscal year.

The financial problems of the Montreal Masonic Memorial Temple remain highly critical and are, indeed, shocking. Over 65% of the capital assets (including the benevolent fund) of Grand Lodge have been effectively lost as "loans" to maintain the temple ("while the combined capital of the funds is shown as \$1,139,939 — (only) \$397,439 is the net worth of Grand Lodge.") Because of its proximity to historic sites, there are provincial government regulations which restrict what can be done with the property. In addition, land values in the Montreal City Core have deteriorated and "we were informed by our real estate advisor that because of conditions extant our Temple has no market value." Heroic efforts are being made through a "Save The Temple Trust Fund" to try to raise \$1.5 million in interest-free loans to generate sufficient revenue to balance the Temple budget and not throw more good money after bad (inflation neglected). Nevertheless "the response

to this urgent appeal is appalling. We have no bright hopes for the months ahead." \$236,812 had been raised as of March 31st, 1978. Your reviewer, with the utmost respect and sympathy, does not regard a response of over \$18 per member as "appalling" in comparison with fund raising in other jurisdictions and the objective of over \$115 per member is probably unattainable. The financial honesty in presentation of the facts defines the issues fairly and openly, and provides the only hope for an equitable solution, however unpleasant this may be.

The monumental taxes on the Temple are being appealed. A constitutional amendment was proposed at Grand Lodge to permit an assessment by Grand Lodge on each member of the jurisdiction. This was strongly modified before passage to provide for assessment of lodges under certain restricted conditions. Last year your reviewer expressed the belief that Masonry in Quebec had the vitality to survive the challenge confronting it. Because Grand Lodge is facing up to the facts, this belief remains unchanged. But there are grim and frustrating days ahead.

The volume at hand, "Proceedings --- during the year ended June, 1978" covers the Installation Ceremonies on July 30, 1977 and three subsequent Quarterly Communications.

The Installation was attended by the Grand Masters of all Australian Jurisdictions, each Grand Master being accompanied by a sizeable delegation. The ceremonies were most impressive and the choir received special mention for their numerous anthems. The new Grand Master, M.W. Bro. Nicholson, presented a pertinent challenge:— "No organization can remain static — to do so is its undoing — so we must continue to advance, and we can only do so by renewing our vigour and enthusiasm, by reawakening our complacent members to the value of building good will and

better friendships, by enlisting the support and membership of all working men and by demonstrating to the world that brotherly love, relief and truth are the only ideals that make our existence on this mortal soil worthwhile. Let these make up the goal towards which we as Freemasons forever strive."

During the year, 1 lodge surrendered its charter and 2 other lodges amalgamated. The annual per capita fees to Grand Lodge were increased from A\$3.50 to A\$4.50. Correspondence with the Commissioner of Taxation led to the ruling that Masonic clothing was exempt from sales tax, a not unimportant concession in view of the present price of regalia.

A motion was introduced to permit the Eastern Star to use lodge rooms dedicated to Freemasonry. The Grand Master was advised "that as the motion is a direct opposite of the previous rulings of this Grand Lodge, it is not competent for you, M.W. Grand Master, to receive and deal with this motion." The Grand Master agreed and directed that the motion lapse.

The President of the Board of General Purposes reports at each Quarterly Communication. One small, but interesting, item involved the investiture of the Tyler. He is to be invested with collar and jewel in the lodge but is then to be taken by the Director of Ceremonies to the Acting Tyler outside the lodge and is there presented with the sword by the Acting Tyler. "The sword will always remain in its correct position — outside the door of the Lodge."

The Board is promoting renovation and replacement of old organs. New electric organs cost A\$967 and several are being purchased from special donations.

A request from the Grand Lodge of Pernambuco, Brazil for recognition was refused.

Formal incorporation of the Board of Benevolence and of the Aged Masons, Widows and Orphans' Fund is proceeding. The homes, which receive government support, are obviously exceptional. Expansion has allowed the number of residents to increase from 363 reported last year to 444 as of December '77. The Governor of Queensland visited the home. "Reactivation" programs seem to have been very effective. Only cases of "mental disorientation" cannot be looked after. With an income of A\$720,000, the fund shows a surplus of A\$121,000 for the year. The assets of the funds total over A\$6.7 million.

There were 7 "occasional" Grand Lodges, one in each of the 7 Districts. This reverses the previous procedure, — the Grand Master was not received, he received the district officers and brethren in Grand Lodge.

Secretaries of lodges were asked to give to the Grand Secretary the names of 10 members who had not attended lodge for 10 years. The Grand Master then wrote to the Masters involved requesting a report from him, or from a lodge officer, on a visit to each such brother.

The Grand Master joined presiding officers of some co-ordinate bodies in a Knights of Columbus parade in Providence. He continued the practice of holding a reception for all Master Masons who had been raised during the past year.

Al Hasa Lodge No. 49, Saudi Arabia, relinquished its charter. Its continuing operation was not feasible.

The Committee on Jurisprudence had obviously not been consulted by the Grand Master as to his recommendations. They agreed that an up-dating of the constitution, regulations, decisions and standing orders was overdue and should be budgeted for, but said that a separate fund for this was not necessary. They also rejected the recommendation for a waiting period before Master Masons could apply to the York Rite or the Scottish Rite. They were critical of arrangements announced by the Grand Master with the Eastern Star re funding the Eastern Star Home extension, as being for determination by Grand Lodge and not the Grand Master, and directed that the matter be considered at the next Semiannual Communication for decision.

The Masonic Home Fund has assets of over \$1.6 million. There is no Grand Lodge Masonic Home. The accounts indicate over \$62,000 paid "to beneficiaries."

The Committee on Foreign Correspondence report "progress" in dealing with the Grand Orient of Brazil, but await more cordial relations between the Grand Orient and the Provincial Grand Lodges before recommending recognition. They are very pessimistic about the future of the Grand Lodge of Cuba under increasingly severe government regulations.

Our M.W. Bro. Nancekivell attended and was the guest speaker, his subject being "Ignorance, Apathy and the Opposite."

The Grand Master, M.W. Bro. Robinson, recognized that some amalgamations of rural lodges were inevitable. Three such amalgamations took place during the year. There is one new lodge under dispensation in Saskatoon. He was very positive about candidates:—"It is imperative that when a man asks us how to become a Mason we have a serious talk with him. When his application for membership is dealt with, the investigating committee must meet with him and his wife on more than one occasion and find out what he expects from Masonry and let him know what Masonry expects from him. When he is accepted, the officers must put on first class degree work."

Youth Committees were strongly encouraged. In addition to the Grand Lodge Youth Camp, some 15 activities by individual lodges are listed by the Grand Master. These range from supporting hockey and baseball teams, to sponsoring swimming lessons, to scholarships, to assistance in travel projects.

The annual per capita fees were raised from \$4 to \$6. This will stop annual deficits and produce a small surplus. Life Membership was reviewed and the inadequacy of present regulations recognized. The Committee recommended action by the incoming Grand Master. There are 4 benevolent funds with reserves of \$1 million. \$96,000 was spent on benevolence during the year.

The Grand Lodge of Pernambuco, Brazil, was recognized. No action was taken on several other Central and South American requests. The Fraternal Reviews are a two-page summary in which reference is made to our upcoming 125th Anniversary. The Committee concludes:—"We would express our thanks to the Grand Representatives, not only for reviewing the Proceedings of their Grand Lodges, but for the correspondence many maintain with their opposite number."

Your reviewer, as a personal comment, expresses his pleasure on the election of his friend, R.W. Bro. Patrick Campbell, as Grand Senior Warden.

Lodges, in Scotland 653, overseas 443

Your reviewer has the 1978 "Year Book" of Grand Lodge (first published for the year 1952). The number of overseas lodges, taken from a summarizing table, is 7 less than the sum district by district. Ten lodges in Pakistan and five in Lebanon "are not working at present." Of the remainder, 10 work in Afrikaans, 2 in Greek, 1 in German.

The present Grand Master Mason, M.W. Bro. Gordon, is the 102nd in a line which starts with William St. Clair of Roslin 1736-37. Seven were "acting" in the office while H.R.H. The Prince of Wales (later H.M. George IV) held the official title 1806-20. During the 18th century, two were Grand Masters of England as well during part of their Scottish tenure, and five others ruled in Scotland and in England at different times. In the present century, two Grand Master Masons have subsequently been Grand Masters of an Australian jurisdiction.

The senior members of Grand Lodge, with the Past Grand Masters, the past Depute and past Substitute Grand Masters, plus

the Grand Librarian and the Law Agent, are ex-officio members of the Grand Committee to which 48 members are listed as having been elected for staggered 3-year terms.

The "Aims and Relationships of the Craft," approved in 1949, are printed, with the notation of the direction that these "be read in Open Lodge during the Installation of the Master at the Annual Installation Meeting held by all Daughter Lodges."

Under the caption "Masonic Books for the Blind," is noted that the rituals, following the English Emulation Working, for the E.A., F.C., and M.M. degrees, also for "The Installed Master Ceremony" and for the R.A. Degree are available in Braille, post free, to lodge secretaries from the Grand Secretary's office.

The Year Book contains an informal report, with pictures, of the Grand Master Mason's visit to Trinidad, Tobago and Barbados. Eight Masonic papers are also printed, some historical ("Freemasonry in Jersey 1940-1945.", "Historical Sketch of the Provincial Grand Lodge of Inverness-shire.", "The Extinct Edinburgh Lodges."), a reprint of a lecture from a Research Lodge in Australia ("Over the Whole Surface of the Habitable Globe"), and an informative paper on "Prince Hall Freemasonry." There is a "progressive index" of all such papers published in the Year Book to date. All but two of the former volumes are out of print.

The Year Book ends with the Roll of Lodges. Overseas lodges all have, and a few distant in-Scotland lodges (Orkney's) also have, a "Pr. M." which R.W. Bro. Runnalls advises means "Proxy-Master," and who is the only presiding officer listed. The custom is to have a lodge representative near the Grand Lodge of Scotland. It still seems odd to your reviewer to see, for example, under 1683 Perfecta (Nigeria) which meets the 1st Saturday of January, March, June, September and December, "James A. Craig, Andarroch, 3 Halliday's Park, Selkirk, Pr. M.; Olufemi A. Sogbanmu, P.M.B.5431, Ibadan, Nigeria, Sec.", or a lodge in Newfoundland having a Pr. M. in Kirkaldy, Fife!

Sections of the Constitution dealing with Masonic offences and discipline were completely rewritten. Penalties include admonition, fines (min. A\$50, max. A\$500), suspension and expulsion. "Exclusion" follows 2 years in arrears, with application as a joining member required for reinstatement.

The Grand Master and the Board are concerned at the continuing drop in membership, which is now down to 70% of its peak in 1961. A committee is to issue a set of guidelines relating to all aspects of membership.

Group Fire Insurance has been arranged. The rates on lodge buildings and contents become 70% or less of existing individual rates.

The first edition of the History of Craft Masonry in South Australia 1884-1934 is sold out. Five hundred more copies have been ordered to be printed.

The Grand Master was impressed with the quality of Masonry in the Northern Territory. He laid the foundation stone of a new temple in Alice Springs, and consecrated the Lodge of Research in Darwin.

New buildings were completed at the Masonic Village. The cost (over A\$2 million) was "well within the estimation." The Grand Master had laid the foundation stone on June 26, 1977. "All 45 donor Hostel Units have been allocated and the 20 non-donor units will be (occupied shortly)." The next task is furnishing the new Nursing Home and Hostel. Management is by an incorporated Company. Operating expenses were A\$169,000, met 42% by government subsidies, 38% by contributions from patients. With revenue of A\$77,000 from fund raising projects (including a lottery!) and A\$33,000 from investments, there was a surplus of A\$81,000. Assets are listed at over A\$4 million, nearly all fixed. Cottage homes also provide welcome accommodation for the elderly.

The Royal Arch regulation that, when the Grand Master was a Royal Arch Mason, he automatically was Grand First Principal, was abandoned, with the full concurrence of the Grand Master. South Australia was the last of the Australian jurisdictions to make this change.

M.W. Bro. William Allan was re-elected for his 3rd term as Grand Master.

Our M.W. Bro. Robert Davies attended the Annual Communication.

There were 14 Special Communications, — cornerstones for 3 schools and 1 college building, cornerstones and dedications for 6 new Masonic Temples and for a shrine club, dedication of a Past Grand Master's grave marker, of a Masonic lodge room, and the public consecration, dedication and installation of officers for the new Unanimity Lodge No. 418. One of the cornerstones had transferred to it, from the cornerstone of the old lodge building, coins and Confederate money nearly 100 years old.

The Grand Master has been the Grand Representative of the Grand Lodge of Prince Edward Island for some years. He had attended the Annual Communication in Charlottetown in June, and a Past Grand Master of Prince Edward Island was at the South Carolina Annual Communication.

Many years ago Grand Lodge had held its meetings in Shepherds Tavern. The discovery that much of the interior of Shepherds Tavern was stored in the Charleston Museum was reported by the Bicentennial Committee.

This Grand Lodge has probably the lowest per capita dues of any Grand Lodge in the States,—\$1.50. A resolution to increase this to \$2 was defeated. After sizeable transfers to Relief and to the Bicentennial account, the balance in general funds decreased by some \$42,000. The several reserve funds stayed in substantial balance.

The listing (minimum details) of 16 Masonic trials completed and 11 more sub judice seems very high, and must include offenses (being associated with liquor sales etc.) not recognized in our jurisdiction. The 14 convictions led to 11 expulsions, 2 indefinite suspensions and 1 "public reprimand." One of the expulsions followed a reversal by the Grand Master of an acquittal by the trial commission, — an action fully approved by the Jurisprudence Committee.

The Committee on Fraternal Relations recommended no action re the Grand Orient of Brazil or the Grand Lodge of South Africa, but transmitted in full the Report of the Commission on Information for Recognition presented to the Conference of Grand Masters in North America with much detail on the situation in Brazil, in Cuba, in Italy and in South Africa.

Grand Lodge laid the cornerstone of the new Y.M.C.A. at Pierre. The basement of the Masonic building had been used by the Y for several years.

District Meetings were divided between the Grand Master, the Deputy Grand Master and the Grand Wardens. The Grand Master was not at all satisfied with the attendance. Remarkably, he recommended that these meetings be made open to non-masons. "The public rarely has an opportunity to evaluate us as an organization."

Permission to charter the Order of the Amaranth in South Dakota was denied by the Grand Master,—“Our population could

not support (it)." After coming to this conclusion, the Grand Master consulted officers of the Eastern Star and they concurred.

The Grand Secretary-Treasurer, M.W. Bro. L. Larson resigned and was designated Grand Secretary-Treasurer Emeritus. The new incumbent is M.W. Bro. W. W. Johnson.

Two lodges surrendered their charters in consolidations.

During the opening ceremonies at Grand Lodge, the Worshipful Masters present (52) were formally received, after the Past Grand Masters and before the District Masters. Grand Lodge rejected a resolution to reduce the age of joining to 18, but approved resolutions eliminating the ban on membership of "a proprietor of or vendor at a place where malt or spirituous liquors are sold as a beverage."

The address of the Grand Orator, on "The Vow of a Mason," was taped so that it was available for lodges.

The Grand Secretary's Report considered the problem of declining membership and gives a fairly detailed analysis in terms of lodge size, location and activity. The conclusion is simply "The image of our Fraternity continues to be a reflection of the Masonic life in each of our constituent lodges and the work done by the officers of each lodge."

The report of the Fraternal Correspondent is confined to information from the Grand Masters' Conference and a review of 5 jurisdictions. No Canadian Grand Lodges are included.

Your reviewer has only an 8-page report on the above Communications. The following is therefore supplementary to the review of the 86th Annual Communication (February 1977) submitted last year.

The Board of General Purposes was advised that the Sales Tax on Masonic regalia had been removed (see Queensland). The

Grand Secretary was authorized to have standard dues card receipts issued to lodges to assist members travelling outside the State.

The Board of Benevolence reported in excess of A\$4,000 given to widows and dependants during the half-year.

The Order of the Eastern Star "is no longer considered to be a quasi-Masonic Organization." Presumably this means that Masons may join, if they wish.

Constitutional amendments were proposed, and approved at the subsequent Special Communication in September called for this purpose, providing an increase of A\$0.50 in the per capita assessment to be designated for the Masonic Temples Fund (total per capita dues are not reported), and that a brother seconding an application for membership need not be a member of the lodge involved, provided that the lodge gave him permission to act as seconder.

The Grand Master's Address was brief. He referred to declining membership in all Australian Grand Lodges and emphasized the necessity of effort to increase Masonry's image outside its doors. "For one thing, we should not be reluctant to discuss Freemasonry outside our Temples."

After the formal opening of Grand Lodge, the Grand Representatives came to the altar, each gave his name and the jurisdiction he represented, brought greetings, and 4 representatives reported on matters of interest. After this, the Worshipful Masters present (27 out of 31!) assembled at the altar and introduced themselves.

The Grand Master, M.W. Bro. Stowe, sees improving Masonic conditions, except in "nondeveloping areas" where some consolidations may be necessary. He had the privilege of presiding

at degrees conferred on his son, "the first fourth generation Mason raised in Acacia Lodge No. 17."

Two papers had been circulated to lodges by a member of the Research Lodge, one bearing a facsimile of the Seal of Grand Lodge, claiming that Grand Lodge was "inherently anti-Mormon and dedicated to maintaining this doctrine by selective appointment." The Grand Master repudiated this as "blatantly false, viciously misleading and biased." In spite of this, he accepted the right of the author to express his personal views. The papers had no sanction either from Grand Lodge or from the Lodge of Research. He requested that any copies in lodge archives be marked to so indicate. The use of the Grand Lodge Seal would seem, with respect, to have merited strong disciplinary action.

Reporting on his visits to lodges, the Grand Master says, — "By far the most popular features --- were short histories presented by each lodge — with emphasis on what their records held and old timers could recall --- personal, unusual, humorous. --- We asked for displays of old jewels, relics. --- There was enthusiastic response particularly by new members. Some of the most absorbing were "off the cuff" recollections (of which) unfortunately we have no written record."

The small size of this Grand Lodge is reflected in its budget of less than \$25,000. Yet, the assets of the Masonic Foundation of Utah are \$779,000 and \$35,000 was spent "for youth, education, hospitals and philanthropy."

A full membership roster is included in the Proceedings nearly doubling its size.

Our M.W. Bro. J. N. Allan attended the Annual Communication. Recommendations of the Grand Master, M.W. Bro. Gale, later approved, included a 25¢ per member levy to sup-

port DeMolay. Inter-lodge visits were strongly recommended, especially for lodges with few candidates.

The Grand Master met in August with the heads of all co-ordinate bodies to "try to formulate a Masonic Calendar --- so that the Craft might benefit."

The "subterranean vault" of the Temple was cleaned. Much material was "in deplorable condition" and is being sorted for restoration and rebinding, as it constitutes a unique record of early Vermont Masonic history. Numerous coins commemorating the 100th anniversary of the Grand Lodge in 1894 were also found and are being sold for \$10 each to help defray the cost and assist a new start on a Grand Lodge Library.

A ritual and specific regulations were issued for table lodges. Wine, not over 14% alcoholic content, could be used (grape juice or other non-alcoholic beverage also being available) in 4 oz. or smaller glasses whenever any of the seven traditional toasts included in the ritual were honoured. Any additional toasts were expressly forbidden.

In Vermont, appointed Grand Lodge officers are Worshipful Brethren, — there is no V.W. rank.

More than half of the printed Proceedings comprise a complete roster of membership, lodge by lodge, with all changes of status, list of officers, and place, date and time of stated meetings.

During the March Communication, the Grand Master was re-installed in full form with fanfares and proclamations, after which the brethren sang:—

"Full and harmonious, let the joyous chorus,
Burst from our lips in one glad song of praise;
Hail to the Art whose glory beameth o'er us,
Loud to the heav'ns above our voices raise.

Ages have passed since first our Art descended,
Ages on ages may it yet remain;
Join every heart in one full chorus blended,
Long may our noble Art high state maintain."

An anthem followed the Grand Master's Address, and there was appropriate music throughout the investiture and installation of other Grand Lodge officers.

The Australian practice of the Grand Master awarding "Conferred Grand Ranks" and "Promotions" yields a list of over 3 pages of close printing of the names of the brethren involved and the recording, before these announcements, of the presence of, for example, 25 Past Deputy Grand Masters and 51 Past Junior Grand Wardens at this particular Communication.

The Board of General Purposes makes grants and interest free loans to lodges for requirements of their premises. Regulations were adopted for temples to provide for joint and equal ownership by lodges (no inter-lodge landlord-tenant relation) with no financial assistance where this did not exist, and guidelines for financial assistance of 30% for urgent repairs and alterations, 20% for relief for mortgages etc., and 50% for development projects. Grand Lodge will also make land purchases in new areas to encourage lodges to build temples on such land.

Two new lodges were consecrated during the year, their names reflecting the old (Mozart No. 857) and the new (Cybernetics No. 858). There was a net loss of 3 lodges due to surrender of charter and amalgamation. Disappearance of 4 more lodges was indicated in the Grand Master's Address in December.

Constitutional amendments permitted the replacement of "gold bullion" on official regalia by "thread of a like gold colour." Provision was also made for a brother moving his residence to automatically transfer his lodge membership to a lodge near his new location with "provisional membership" and subject to ballot after 3 months of such membership.

Benevolent grants totalled over A\$75,000, the largest being A\$2,500 to "Warrnambool Lodge of St. John No. 34, to assist in the care of two invalid sons of a young member." In addition, over A\$24,000 was provided as interest-free loans to lodges for benevolent purposes, e.g. "A\$5,000 to Korumburra Lodge No. 175 to finance construction of an additional room for a widow." Assumption of such liability by an individual lodge is, to say the

least, most impressive. Scholarships were awarded in excess of A\$16,000 to 59 students, 2 tenable for 4 years and the rest for 2 years.

Annual accounts for the Freemasons' Hospital indicate "working expenses" of A\$3.2 million, and a transfer to Accumulated Fund of A\$344,000 resulting almost equally from operating surplus and from donations, interest etc. The Hospital Fund was at over A\$3.2 million as of December 1976.

During the December Communication, the Grand Master, M.W. Bro. James, nominated the Deputy Grand Master, R.W. Bro. R. E. Gregory, for the office of Grand Master with installation at the March Quarterly Communication of 1978. In his "final address" M.W. Bro. James referred to growth of "ethnic" population particularly in the Melbourne suburbs. He had met with some 60 leaders and their wives and explained Freemasonic traditions and objects. "They asked many intelligent questions, which evidenced their interest in our craft and the possibility of their participation in our organization." They expressed interest in the new Masonic complex being built on land purchased by Grand Lodge. M.W. Bro. James has also arranged a dinner at the centre for "as many of the Masonic members of our State Parliament in both Houses as could attend (42 out of 46 attended) to meet him, the Past Grand Masters, the Deputy Grand Master and the Grand Secretary. The meeting was so successful that it is to be repeated in 1978 with the parliamentarians as hosts.

M.W. James concluded his address:—

"My great desire is that Freemasonry will continue to grow in strength and in service, in happiness and friendship; that we will show our pride in membership of this great order and, by our actions, by thought for others, so demonstrate that Freemasonry represents virtue, charity and friendship that we will draw good men to us who will fill our places when we are no more.

I often think of that short prayer 'O Lord grant me enough work to keep me busy all my life and enough life to do all the work I want to do.' May the Great Architect of the Universe bless and keep you and yours in health and happiness."

There were 11 Special Communications, including Cornerstones for 6 schools and for 2 public buildings. One was for a conference on Masonic Education at which the Deputy Grand Master spoke on "symbolism" and a Past Grand Master on the ritual. He said:—"It is a matter of pride that the work in our United States is more ancient than that of the United Grand Lodge of England. --- Much that we retain in our work was omitted when the union took place in 1813. The altar in the centre of our lodge came to us from Ireland and fierce pride in our antiquity from Scotland."

The Grand Master, M.W. Bro. Hathaway, issued an edict that it was improper for a M.M. to petition any organization requiring Masonic affiliation as a prerequisite for a year after he had received his M.M. degree. He ruled that the use of "any spirituous or malt liquors" on premises of Masonic property was illegal, improper and un-masonic. He expressed the "opinion" that "It is illegal and improper to conduct a Masonic funeral service in a residence, church or funeral home. When such a service is requested, it must be conducted at the time and place of the interment of the body."

The Masonic Home had 46 residents and expenses of \$374,000. Next year the cost is budgeted to rise to \$456,000, i.e. to \$10,000 per resident. The residents assign their assets (including life insurance policies) to the home on entry. These become part of the "restricted funds" of Grand Lodge and these funds pay for the operation of the home.

Your reviewer found the Masonic scholarship scheme rather intriguing. Scholarships from \$75 to \$200 were given to 317 students. Each was augmented by a matching grant from the Maier Foundation and further substantially increased by financial aids at West Virginia University and at Marshall University so that "for every masonic dollar committed, an additional \$17.20 in other aid is being made available to the Masonic scholars." At this rate \$200 grows to \$3640! It sounds almost too good to be true, but

the detailed numbers are in the report of the Masonic Scholarship Endowment Trust.

There are fraternal reviews of some 60 jurisdictions, including our 1976 Communication.

The Grand Master, M.W. Bro. Solomon, is optimistic about the future of Masonry in his jurisdiction. A Grand Lodge officer officially visited nearly every lodge at its installation, the G.M. attending 29 lodges and the D.G.M. 20 others. Ten Grand Lodge officers accompanied the Grand Master to the Annual Communication of the Grand Lodge of Tasmania. The G.M. also attended six Masonic Balls and refers to these as unique occasions for friendship, family and fraternity.

The Manual of Rulings now includes; "It is the desire of the M.W. Grand Master that the time-honoured custom of wearing white gloves with Masonic Clothing be observed. --- Gloves when worn are as much a part of Masonic Dress as the apron or collar. --- (they) have a paramount symbolic significance which renders their removal both unnecessary and undesirable."

The Australian custom of numerous "conferred ranks" is followed and patents for these ranks are formally presented in the recipient's lodge.

A publication, "The Western Mason", was instituted with 3 issues during the year. The Grand Master wrote the editorial for the first issue.

By constitutional amendment, election to the Board of General Purposes was restricted to Brethren age 69 or less and service on the Board must not exceed 12 consecutive years.

The principal charities are in "annuities" and in Cottage Homes. The 49 annuities range from A\$100 to A\$480, the amount

being often the maximum which would not reduce social security. There are highly praised cottage homes at Mount Lawley, at Coolbellup and at Orelia. Expansions are planned and additional homes at Busselton, at Geraldton and at Albany are subject to negotiation with the Government for subsidy. Your reviewer was unable to find the total number of residents. The required expenditure was A\$56,000 and there was a substantial surplus of income for one year (including interest) of over A\$33,000. The Grand Master very strongly advocated setting up a nursing home and referred to the value of the Queensland Home and its success.

The Royal Order of Scotland has had a remarkable influence in the selection of lodge names, over 12% of the lodges using "characteristics" of the R.O.S. in their names. Seniority of these ranges from No. 8 The Lodge of Harmony (consecrated 1888 as No. 2282 E.C.) to No. 346 The Lodge of Recreation (consecrated 1976). Here is the list (in each case "The Lodge of —"): Harmony, Unity, Perseverance, Constancy (now consolidated with The Lodge of Perseverance), Service, Industry, Progress, Concord, Fortitude, Remembrance, Commerce, (Golden) Endeavour, Light (now consolidated in the Lodge of Dalkeith and Light), Peace, Sincerity, Faith, Rectitude, Wisdom, Resolution, Fidelity (these 2 are now the Lodge of Resolution and Fidelity), Loyalty, Integrity (now consolidated with the Lodge of Emulation), Renown, Fellowship, Amity, Goodwill, Hope, Welcome, Fraternity, Equality, Felicity, Freedom, Melody, Beneficence, Justice, Tranquility, Recreation.

ADDRESS BY R.W. BRO. DONALD M. FLEMING

GRAND MASTER'S BANQUET
Held in the Canadian Room

JULY 18th, 1979

THE GRAND MASTER: I am now going to ask M.W. Bro. J. N. Allan to introduce our guest speaker.

M.W. BRO. J. N. ALLAN:

Most Worshipful Sir, distinguished Head Table Guests and my Brethren:

It is a very great pleasure for me this evening to introduce our speaker. My principal concern is that I can do justice to the occasion. In this respect I think I am like the coloured boy who worked in an old fashioned grocery store in one of the rural areas of Tennessee. Being an old fashioned grocery store — there would be the biscuit barrel — the pot bellied stove and there was a barrel of molasses. Now this particular boy was very fond of the molasses and he developed a habit, as he would be walking by the barrel, of sticking his finger into the molasses and licking it off, and he enjoyed it very greatly. Well, of course in the ordinary course of events, as the molasses was sold the molasses went down and each day or each week he had to go down a little deeper to get his finger into the molasses. Well, one day he just overstreched and he fell in the barrel head first. He got himself out, he shook himself off and went over and looked in the mirror and saw the molasses all over his face and raised his eyelids to heaven and said "Dear Lord, would you give me a tongue that will enable me to do justice to this occasion." I've already raised my eyes but I'm not sure I'm going to do justice to the occasion.

Now my brethren as you can see our speaker is a comparatively young man. Yet, if one were to compute his age on the basis of his accomplishments he would be a very old man. Donald Fleming was born in Exeter, the son of a school teacher. The family moved to Galt where he received his early education and entered the University of Toronto at age 16. While there he majored in collecting gold medals and scholarships. With the

increase in the price of gold today to over \$300.00 an ounce you can easily understand how wealthy he must presently be. Following graduation he engaged in a very active law practice in this city which he soon supplemented with social and public service activities. His extra curricular involvement included his Church, the Toronto Board of Education, the Toronto General Hospital Board, he was President of the Canadian Club and participated in many other community organizations. Naturally his outstanding ability and his zeal to serve became increasingly evident to the community which observation resulted in being elected to the Federal Parliament.

He served for a period of 18 years through six parliaments. First as a member of Her Majesty's Loyal Opposition and later as a Minister of Finance and Minister of Justice. While Minister of Finance he was the person who determined how much income tax we should pay and just to show you that he wasn't all bad he did reduce the income tax three times during his term of office. Brother Fleming resigned from the cabinet in 1963 and returned to Toronto as counsel to one of the leading law firms. In 1968 he surprised everyone by announcing that he had accepted the position of General Counsel in Executive and Financial Matters with the bank of Nova Scotia in the Bahamas and the Islands of the Caribbean, and moved to Nassau. Now we never knew why he did this but one of his very close friends has told me that he wanted to become respectable after being a politician. So he chose banking, now I'd have to be convinced that that was much of a step towards respectability. As well he became the Managing Director of five Nova Scotia Trust Companies in that area.

Brother Fleming was initiated in Ionic Lodge No. 25 of this city in 1937. This was the beginning of an extremely illustrious Masonic career. He was Master of his lodge in 1951 and at that time he used to fly in for the meetings from Ottawa and fly back after the meeting. This was one example of his dedication to any responsibility he undertook. He was Grand Junior Warden in 1955 and very soon thereafter a member of the Board of General Purposes, was intensely active in the Scottish Rite Masonry and also a member of the Shrine. I was with Bro. Sid Larkin of Nassau on a visit to Australia last winter and when I asked him if he knew Bro. Fleming, he said yes, he's a humdinger and mentioned also that he was becoming a strong man in Masonry in the Islands. He founded and was Master of the Bahamas Lodge of Installed Masters in 1978, a lodge devoted to Masonic Research. He wrote two papers which have since been published. The Queen and the

Craft or the Royal Toast and Masonry and the Royal Family or the Scepter and the Gavel. I understand a book containing these papers is in our Grand Lodge Library in Toronto. He still finds time to be an active member of nine other Masonic Bodies on the Islands and one of the things I think many of you know is that although he has been away from here for 11 and a half years he has never missed attending one of our Annual Communications. He has been with us for everyone during that period.

Entirely aside I think I should make mention of the fact that our speaker finds time to maintain his physical wellbeing. In 1978 he played 140 rounds of golf. (This is his banking experience. He keeps track of everything). He was involved in 208 tennis matches and swam 1309 times. It's no wonder he looks young. Brother Fleming is a living example of the busy man who always makes himself available to be of service to his fellow man and more particularly to his Brethren in Masonry.

My Brethren, I give you a former Minister of the Crown, a dedicated Mason, a devoted husband, father and grandfather, a great Canadian and one whom we are all proud to call our friend, Rt. Wor. Bro. Donald M. Fleming.

R.W. BRO. DONALD M. FLEMING.

Most Worshipful the Grand Master, distinguished guests, and my brethren, it is a joy to be among you all again, and it is heart-warming to come among you and feel that one is remembered. I thank you from the bottom of my heart for the way you have received me, not only this evening but during the past two days as I've had opportunities in the halls and meeting places to meet many of you again.

Masonry is a progressive science, and Jim Allan gets better and better all the time. He has introduced me not a few times. Every introduction has been overwhelmingly generous, but I think the introduction which he has given me this evening exceeds all others in sheer charity. Most Worshipful Brother James Allan's charity knows no bounds, not even those of prudence. (Laughter).

You will have inferred from some of the things he said that I am a lawyer, although I claim to be a reformed lawyer. Perhaps you will permit a digression, brethren, because this story concerns a lawyer who died. When he appeared at the pearly gates he was

received with unexpected warmth. St. Peter almost drooled over him. He hadn't expected any welcome quite so warm. St. Peter beckoned him in and said you may follow your guide with firm but humble confidence, so off they went. The guide was to show him to his residence. They went along a few blocks; there was nothing particular about the residences they passed, and finally when they came to a block of somewhat ordinary houses the lawyer had the effrontery to ask the guide, "Who lives here?" "Oh" he replied, "This block is for the Archbishops of Canterbury." The lawyer wasn't very much impressed. They went on a few blocks farther and came to another block of somewhat similar houses. He asked again of his guide, "Who lives here?" "Oh" the guide said, "The Popes live here." Well, said the lawyer to himself, this isn't very impressive accommodation, there's nothing palace-like about anything I see here. They went on a little further and came to another block of similar houses, and again he asked his guide, "Who lives here?" The guide said, "Oh, this is for the Chief Rabbis." He looked it over, and he wasn't very impressed with that. They went on a few more blocks, and finally came to a very different type of block. This one was composed of beautiful homes, architectural gems. They stopped in front of one of them, and the guide said, "This is to be your residence." The lawyer looked at it, saw that it was the finest thing they had passed so far, and said, "Are you sure?" The guide said, "Oh yes, this is yours." Then the lawyer said, "Do you mean to tell me that the Archbishops are back in that block there, and the Popes are back in that next block, and then the Chief Rabbis are back there, and you keep this beautiful house for me?" The guide said, "Yes. You see, sir, we have lots of Archbishops up here, and lots of Popes, and lots of Chief Rabbis, but, if you will permit me to say so, you are the first lawyer we have ever had up here." (Laughter).

I understand that in Toronto today it is considered sheer effrontery to begin an address without telling a newfie story. Well, newfie stories have even invaded Nassau. I heard two of them recently. The one concerned a very wealthy newfie who went out and bought himself fifty thousand tons of sand. When asked for the reason for this amazing purchase he replied he just wanted to have the thrill of drilling for oil. Another newfie in different circumstances, considering the end was approaching, called his four sons to his bedside and said, "Now sons, I want to be buried at sea. You understand, I want to be buried at sea." He passed on, and the sons were true to the father's wish, but two of them drowned in carrying it out. (Laughter).

I come to this podium tonight with a deep sense of gratitude for a supreme honour. As the Mastership of a Lodge is the highest honour which its members can bestow on any one of their number, so an invitation to be the speaker at the Grand Master's Banquet is in my view the highest honour that the Grand Master can bestow on any member of the Craft. This is the largest annual gathering of Masons in Canada, and it is graced by the presence of a galaxy of most distinguished Masonic leaders from other jurisdictions in the United States and Canada. When I was initiated into Masonry in 1937, little did I dream that one day I would be invited to address the Grand Master's Banquet, let alone that it would happen twice. This is for me a double honour: eleven years ago last night I had the honour to stand here and address the brethren at the Grand Master's Banquet, at the invitation of a very dear friend, the late Most Worshipful Brother Donald Gunn. Now most unexpectedly this honour is bestowed upon me again, and I am deeply grateful.

I recall one occasion when our late brother, the Most Reverend Derwyn Owen, Archbishop of Toronto and Primate of all Canada, was visiting St. Andrew's Church, Centre Island, where I was active at the time. I went to meet him at the ferry dock and carried his bag from there to the church. It contained his vestments, and this was as close as I ever came to the historic Episcopate. As we were strolling along I said to him, "Your Grace, you're going to have a full church today, every seat will be filled." There was a moment's pause and then he said, "You know, Donald, any fool can fill a hall once." And then after a moment's reflection he added, "The real test comes on the second visit." Brethren, I face the real test tonight.

I desire to pay tribute to an old friend, a very dear friend, a very esteemed friend, one who has given the Craft exemplary, dedicated, and responsible service, and who has given this jurisdiction admirable leadership; a brother who has made friends both for himself and for Freemasonry literally wherever he has gone. On his last day in office I should like to embrace the opportunity to wish our Grand Master Most Worshipful Brother Robert E. Davies, blessing and honour, and the satisfaction that is his due from the worthy service he has rendered in his most exalted office. (Applause). I only commend to him that stern scriptural warning — beware when all men speak well of you.

I would have liked to offer the Grand Master a fuller tribute but time forbids, and time is an important element. A group of tourists were visiting southern England. Shortly after the noon

hour they arrived at Runnymede, and there they were addressed by a guide, who said to them, "Ladies and gentlemen, this is Runnymede. It was here that King John signed Magna Carta in the presence of the Barons of England." One lady among the tourists asked, "And when was that?" The guide replied, "1215." She pulled out her watch and turned to her husband and said, "Now ain't that just too bad; we done missed that by twenty-five minutes." (Laughter).

Most Worshipful Sir, if you will permit me I would like to offer my congratulations to you and all who have taken part in a most successful Annual Communication. I trust we have all drawn inspiration and renewal from this never-failing source of refreshment of the spirit and by our presence and support have given encouragement to our leaders, who must often feel the need of it.

It is not easy to choose a subject for the Grand Master's Banquet. After so many brilliant discourses at this Banquet over the years it is hard to find something new or fresh or striking to say. I will confess to you that if I had known in 1968 that I was to be invited again in 1979 to address the Banquet I would have saved some of my ammunition from that earlier occasion, with undoubted benefit and relief to the 1968 audience.

My brethren, our lot is cast in a world which is in a mood to question the claims and pretensions of many institutions, including the church, and Masonry is not exempt. Ours and other institutions are being weighed in the balances by a critical, skeptical, and indifferent generation. As at Belshazar's feast of old where the hand wrote upon the wall 'Thou art weighed in the balances and found wanting,' so today there are many hands that are ready to write epitaphs on the wall. It seems to give some great satisfaction when an institution like ours is weighed in the balances and can be pronounced wanting.

Therefore, Masonry must be ever ready to face the exacting test of truth, to prove that we are not merely engaged in some kind of playacting or self-delusion, and that the values which we exalt are eternally valid. Let us take up that challenge.

Tonight I promise you nothing new, but I take comfort in the words of the great Doctor Samuel Johnson, "Men need to be reminded more than they need to be instructed." I shall endeavour only to remind you, my brethren.

The subject which I have diffidently chosen tonight is, "Promoters of the Art." You will immediately identify the source of the expression, "In every age monarchs themselves have been promoters of the art." In passing let me observe that this is no idle boast. Since 1737, twenty-three Princes of the British Royal Family have been members of the Craft, and eight of them have held the office of Grand Master. Since the institution of the Premier Grand Lodge of England in 1717 Royal Princes have occupied the office of Grand Master for 142 out of the 262 years. It is a proud record. It has imparted a profound meaning to brotherhood. It is recorded that once in a lodge meeting a brother addressed the Duke of Kent, father of Queen Victoria, as "Your Royal Highness," to which that modest Prince made this response: "Worshipful Brother, there are no Royal Highnesses here; we are all brothers."

Perhaps the leading royal figure in the annals of English Freemasonry is our late greatly beloved Sovereign King George VI. In 1936, while still Duke of York and serving as Senior Grand Warden of the United Grand Lodge of England, he became affiliated to Scottish Freemasonry and was received into his father-in-law's lodge, Glamis Number 99 on the Scottish Register, with Brother Beattie, the village postman, in the chair. I ask you, what other organization in all the world, only the church excepted, can point to such a demonstration of true brotherhood, without regard to differences in station in life, birth, wealth, education, race, social position? And I ask also, in what other human institution but Freemasonry will you find men of the calibre of our Grand Master Bob Davies and men of the calibre of those you see at this head table tonight? And I remind you, brethren, that these are your brothers and mine.

Before I leave that theme let me say that I'm sure it must have been gratifying to us all that in her recent Honours List, Her Majesty saw fit to confer upon Right Worshipful Brother James Stubbs, the Grand Secretary of the United Grand Lodge of England, a Knighthood. He is now Sir James Stubbs, K.C.V.O.

Note the words 'The Art.' Masonry provides many descriptions and definitions of itself. I suppose the best known is "a beautiful system of morality." Let us note that word 'beautiful.' No one description or definition is complete; we must know and apply all if we would plumb the depths of Masonic philosophy. But among them is this, Masonry is an art. That is to say, it is a means to adorn life and to add to its beauty, just as we speak of the beauty

of holiness. We seek and praise beauty, not as an outward adornment, — we're not interested in that, — but to adorn the inward man, by which we mean the soul, the character. My theme tonight is simple and direct. If it be a virtue in monarchs to be promoters of the art, then surely it must be on the part of all of us a duty to be promoters of the art. I mean very simply that we must reach out to others who are deemed worthy and seek to share with them what we are fortunate enough to possess. The benefits of Masonry are not something merely to be grasped and retained, much less to be buried like the one talent in the parable of old, but a blessing, a gift to be shared with others who are worthy men. And I have to say to you, brethren, as I say to myself reproachfully, that we are not doing enough to reach out to other worthy men. And here is a paradox: the more we share with others, who are worthy of the privileges of Masonry, the greater is the value of what then remains to us. Every degree is the sharing of an experience.

We will be held accountable for the use we make of our privileges and the opportunities which they afford us. We acknowledge that we are under a duty to build, to build not merely individual character, important as that is, but to build the institution itself. We must ever aim to expand and improve the Craft. We can never be content to stand still. In this light, brethren, will you permit me to offer some plain, and I hope brief, comments on five related topics: Lodge Meetings, Ecumenism, Charity, Moral Standards, and Public Relations.

First, Lodge Meetings. We are engaged in shaping men's lives, nothing less. We influence the web and woof of life itself through the molding of character. Now this is a very precious opportunity. Daniel Webster it was who gave us this insight — "If we work upon marble it will perish. If we work upon brass time will efface it. If we rear temples they will crumble to dust. But if we work upon immortal minds, if we endue them with principles, with the just fear of God and love of our fellow men, we engrave on those tablets something that will brighten to all eternity." Surely, brethren, this purpose is high enough to merit at least careful preparation for meetings, especially on the part of the Worshipful Master and every officer of the lodge. Sloppy work is unworthy of our calling. Evidence of the lack of preparation spoils the effect of meetings and can destroy their usefulness.

We meet for moral instruction and social intercourse. Let us not underestimate the importance of the latter. Let us plan to use it

to make our meetings more interesting and attractive. We meet together at lodge meetings as brothers. Every meeting therefore is a family reunion.

I've always thought that a very special duty rests on the older and senior members of the lodge to welcome the newer and younger and to impart to them the feeling of belonging and mattering. When I entered Ionic Lodge forty-three years ago there were two outstanding brethren in it whom I shall never forget, Right Worshipful Brother John David Spence and Very Worshipful Brother Billy Milliken. These two distinguished brethren, eminent figures in the law profession in this city, both heads of their firms, made it their business to single out the new members for discourse and welcome. I can remember the way in which my heart warmed, when an eminent Mason and eminent lawyer like John David Spence singled me out as a brand new member and came to me to engage in a chat and made me feel so much a part of the lodge. I can never forget that. And there was Very Worshipful Brother Billy Milliken, who at the banquet hour never sat through the dinner at his place at the head table, but rather spent that hour moving around from table to table throughout the lodge and particularly singling out the new young members for conversation. These men, God bless their memories, were promoters of the art.

Ecumenism is a word that was scarcely known when I became a Mason. It is today a force of growing importance, and I'm sure we welcome it. It is of particular concern I believe to Masons, for we have long been guided by its spirit. Indeed, I think the spirit of Ecumenism owes a great deal to our fraternity. The medieval Christian guilds, out of which Freemasonry emerged, flourished in an ecumenical climate. They moved from place to place and country to country in a relatively homogenous Christendom. Today they would have been turned back at the border for lack of passports, visas, work permits, and police reports. We are slowly returning, and we may be thankful for this, to a greater spiritual unity, understanding, and concord. Let us foster that spirit, for it accords well with the intent of Masonry. Vatican Council Two ushered in a new era of relations between the Roman Catholic Church and Freemasonry. In Nassau we have a number of Roman Catholics who are now Masons and one of them last year was Master of his lodge, and an excellent Master he was. The change in attitude on the part of the church toward Freemasonry enlarges our opportunities to promote the art. Let us not ignore nor waste this opportunity.

Already in a very short time Pope John Paul the Second has established himself as the world leader in the cause of human freedom, compassion, and peace. He has won the love, admiration, and sympathy of us all. It pained and humiliated me to read in the press that prior to his recent visit to the Dominican Republic, Mexico and the Bahamas, some Masons had waited upon the President of the Mexican Republic and had urged him not to allow the Pope to set foot in that country. I do not know who these men are or with what authority they purported to speak, nor do I even know if the press report was correct, but I was ashamed that in the press the name of Masonry was associated with an attempt to suppress this authentic and courageous voice of the free human spirit. We can well leave these efforts at repression to the communists.

Third, Charity, the glory of the Craft, pre-eminent among the virtues which we exalt. We repeat that the thanks of the widow and the orphan are a Mason's most acceptable offering unto God. But times have changed; public welfare programs have helped to provide for the widow and the orphan, and economic changes will continue. How shall we adapt Masonic charity to a changing environment? The answer is that we are not relieved by the changes we see about us from practising Masonic charity, and we never will be relieved of the duty to practise Masonic charity. There is plenty of need in our midst. The need may change in form, but there is still plenty of need. We ought to devote our charity widely, to help others, not merely ourselves and not merely our fellow Masons, for, my brethren, Masonry was never conceived of as a mutual benefit society. I cannot too strongly praise the work of the Masonic Charitable Foundation of Ontario. I'm proud to have been a member of its Board of Directors for the first five years of its existence. With all my heart I commend its Board of Directors on the H.E.L.P. program and the astounding success which it has achieved. I commend also the brethren of this jurisdiction for their superb response to this appeal. Finally, my brethren, let us remind ourselves that charity is not to be measured in monetary terms only. There are many people in this world of frustrations and disappointments who need our help and our courtesy.

Fourth — Moral Standards. This is not a cheerful subject. Moral standards have been dealt shattering blows in our time. Indeed, we are witnessing a kind of rot in our vaunted civilization. In the country in which I have made my home the last eleven and one-half years, approximately one half of all births are illegitimate. We are also experiencing an epidemic of crimes of violence. I am

told that such occur also in Canada and the United States. As Masons we cannot close our eyes to this grim reality, nor can we pass it by on the other side. We are not only concerned citizens, but we are also members of a fraternity dedicated to the building of self-discipline and upholding the law. We are enjoined to observe a prudent and well regulated course of discipline. I recall the Boy Scout motto, 'Discipline is the foundation of character and safeguard of liberty.' Every word of it true. But it is evident that many people do not think so, for discipline is not a popular word today. Two years ago, just about four minutes' walk from here, at one of those noon hour musicals I heard a soprano belting out a song with these profound words, "I wanna do what I wanna do." Just a month later, while worshipping in the Guards Chapel on Birdcage Walk in London, where I usually worship when I'm in that city, the preacher opened his sermon with a quotation from a young woman which expressed virtually the same thought though in more dignified language, — "Can it be wrong to do what I want to do?"

Masonry has an answer to this question. It holds that mankind enjoys no licence to yield to every passing whim and desire, oblivious to the eternal consequences of the act. The Craft tells men that they are accountable to God, that whatsoever a man soweth that shall he also reap, and that in matters relating to integrity there can be no compromise. Remember those words that Shakespeare put into the mouth of Bolingbroke,

"The purest treasure mortal times afford
is spotless reputation. That away
men are but gilded loam or painted clay.
A jewel in a ten times barred up chest
is a bold spirit in a loyal breast.
Mine honour is mine life, both grow in one.
Take honour from me and my life is done."

I wish those words were written in the copybook of every school-boy and every school-girl in the Province of Ontario.

Brethren, there's a tide running against the moral principles that we maintain. Nevertheless, Masonry calls us to duty. It so totally identifies itself with duty that it tells us that Masonry IS duty. That should be enough, surely, to jar us out of any self-indulgence, any complacency, and sternly to dismiss that kind of self-congratulation to which unfortunately we Masons are oft prone.

Permissiveness, whether ancient or modern, has no place in Masonry's scheme of values. "Fix your eyes" said Pericles, "Upon the greatness of your country until you become filled with the love of her, and when you are impressed by the spectacle of her glory, reflect that it has been won by men who knew their duty and had the courage to do it."

The family deserves a special word. Masonry is the professed ally and champion of the family. We uphold as our ideal "The man who without blemish fulfils his duties as a man, a subject, a husband, and a father." The family is the bedrock of our whole social and moral structure, and make no mistake about it, brethren, the family is under attack today. This great Province of Ontario was built by our forebearers on sound moral principles. In this same Province of Ontario today, there are sixty thousand single parents, an increase of 25% in the last three years. True, they're not all unmarried, some are deserted wives, but in all cases men have fled from responsibility, and social legislation intended for a better purpose has been exploited and abused because of irresponsible and immoral conduct. Brethren, Masons must defend the home. And while prevailing moral standards decline we Masons continue to uphold those prescribed by the Volume of the Sacred Law. To us it is no closed book, not mere optional reading, not an interesting record of former and now transcended principles, but THE, not a, rule and guide of our faith. We admonish ourselves to regard it as the unerring standard of truth and justice. We tell ourselves to regulate our actions by the divine principles which it contains. How do we treat it, this Volume of the Sacred Law? How do we read it? Do we read it?

Before World War I a young curate in London invited the great Shakespearian actor, Sir Henry Irving, to come and hear him read. On a weekday they went to his church, Sir Henry sat down in a pew, and the curate went to the reading desk, flipped open the volume and proceeded to turn the pages quickly to find the passage, when he heard in a stern voice these words, "Young man, close that book." Startled, he looked up to see a frown on the face of the great actor. Then he heard these words from Sir Henry, "Now, open that book, remembering that you are opening the word of God."

I'm sure our American visitors well remember John Buchan the great Scottish novelist of a generation ago. To Canadians he is looked upon as one of the most distinguished of our Governors-General, Lord Tweedsmuir. I heard him deliver what I think was

the last speech he made before his sudden death. It was an address in Convocation Hall to a meeting organized under the auspices of the Bible Society. It was a great discourse. I well remember the last sentence from it. Speaking of this imperishable book he said, "If more were known of the contents of this book, there would be more of love and more of wisdom in the world today." Brethren, the art which it is our privilege to promote derives its inspiration from that Holy Book.

Last — Public Relations. As promoters we must at all times be concerned with the image we project, project upon others, project upon society. It would be folly to ignore this. Just what image are we projecting? Just what image are we attempting to project? We greatly preoccupy ourselves with the image we project internally upon our own members, and this is important; it is all to the good, but it is not complete. We must not be a merely introverted institution; we must be outward-looking. In our case a cloistered virtue will not suffice to win and hold the world's confidence and respect. One recalls the powerful words of the charge to the Master at installation. In the Ontario version 'so that when anyone is said to be a Mason, the world at large may know,' and in the English version 'and by virtuous, amiable and discreet conduct to prove to the world the happy and beneficial effects of our ancient institution, so that when anyone is said to be a member of it, the world may know that he is one to whom the burdened heart may pour forth its sorrow, to whom the distressed may prefer their suit, whose hand is guided by justice and whose heart is expanded by benevolence.'

Brethren, the key words are: 'the world may know.' It's up to us to see that the world does know that that's the kind of men Masonry produces. Like it or not, our place is in the world. By the world we are judged; let Masonry be tried in the balances of the world. We have nothing to fear. It will not be found wanting.

Brethren, will you suffer me to close upon a very personal note. No doubt I should apologise for doing so. In Ionic Lodge it was traditional at the banquet following the Installation Ceremony for the newly installed Worshipful Master in his remarks to answer the question 'What does Freemasonry mean to me?' Following my own installation in December 1950, I endeavoured, and I'm sure very imperfectly, to answer the question. I would be bold enough to put that same question to every one of us in this great throng of 2,000 Masons tonight. What does Freemasonry mean to you?

For myself, after 43 years of membership, I would say very humbly, that I am profoundly thankful to God for the existence of the Craft and the inestimable privilege of being a member of it. It and many of its members have exerted a lasting and profound influence on my life, my endeavour, and my thought. Without it and them, my life would have been infinitely the poorer.

Among the many privileges which it has bestowed upon me, I single out these four:

First, a reverence for God and His great name, and a mature doctrine of the duty that I owe Him and my fellowman.

Second, a sublime concept and expression of brotherhood based upon the invincible love of a common Father.

Third, an unexcelled moral code which finds its highest and most instructive expression in the Volume of the Sacred Law and the personal examples set by other Masons.

Fourth, a hope of everlasting life, including a reunion with the Grand Lodge above where the world's Great Architect lives and reigns forever.

For these privileges, for many heart-warming friendships, I reverently declare and shall always acknowledge my total gratitude and my eternal indebtedness to Freemasonry. I will not keep these facts and convictions to myself. I will declare them unabashedly to anyone whomsoever, Mason or non-mason, who will give me audience. With the help of God, unworthy as I am, I purpose to the end to be a promoter of the Art. (Applause).

R.W. Bro. N. R. Richards now thanks R.W. Bro. Fleming for his address.

Most Worshipful Sir, Distinguished Visitors and my Brethren:

The Grand Master has given me the pleasant opportunity to thank Brother Fleming, on behalf of those here assembled, for the splendid address we have heard.

Brother Fleming I am certain the meaning of your message will reach far beyond the walls of this Convention Hall. For those

of us who have had the good fortune to be in your presence we can take the thoughts you have expressed back to our respective lodges and share them with our brethren there.

We are grateful to you not only for your inspiring, thought-provoking address but also for the cultured language and masterful manner with which it was presented.

I feel certain that the brethren share with me a feeling of pride and satisfaction, that on the eve of crossing the threshold of the 125th year of Masonry in our Grand Jurisdiction, one of our brethren, one of us so to speak, challenged, encouraged and I hope motivated us. Motivated us in positive and persuasive terms about the importance of matters which are essential ingredients of life such as the family, the Volume of the Sacred Law, moral standards, public relations and communication with others.

We are grateful that you have shared with us your proven capabilities as scholar, statesman, business man, gentleman and as a Mason in providing a highlight of our 124th Annual Communication for which we extend our deep and sincere appreciation.
